Coyote Girl:

Waiting For Rosie (A Coyote's Tale) Skip Haynes, 2011 American English Primary Colors 4 Student's Book Diana Hicks, Andrew Littlejohn, 2003 American English Primary Colors is a new 4 level course for young learners from six to eleven years old

"A Reliable Car and a Woman Who Knows It" Curt McConnell, 2000-09-15 The audacity of driving a horseless carriage from coast to coast in the early years of the 20th century is hard to imagine in an age of superhighways and global positioning systems Roads might be nothing more than muddy ruts made by wagon wheels sources of gasoline or replacement parts were few and agonizingly far between frequent repairs and tire changes were necessary and the traveler was subject to the whole range of nature's perils and discomforts For a woman to attempt the trip was at the time a jaw dropping event Yet in 1909 22 year old Alice Ramsey and three female companions piled into a Maxwell in New York City and 59 days later they triumphantly rolled into San Francisco A few years later silent film star Anita King would become the first woman to make the transcontinental drive solo These and other early coast to coast drives proved women's growing independence as well as the automobile's long distance viability Detailed accounts of five coast to coast drives make up this lively history Drawing from plentiful contemporary newspaper reports and the women's own words author Curt McConnell recounts the bold adventurers experiences day by day and mile by mile

The Three "Only" Things Robert Moss, 2010-10-06 Have you ever said something was only a dream only a coincidence or only your imagination In this book you'll discover that these only things can be keys to finding and living your bigger story You'll learn to tap into the nine powers of dreaming the nine rules of coincidence and the seven uses of imagination You'll be inspired by stories of how innovators and world changers have used these gifts and you'll learn wonderful games to help you access your intuition heal yourself and bring juice to your everyday life When we claim the power of the Three Only Things we reclaim tools that are profoundly simple yet have the power to remake our lives and the world

Throwing Fire at the Sun, Water at the Moon, 2000-03 Perhaps you know them for their deer dances or for their rich Easter ceremonies or perhaps only from the writings of anthropologists or of Carlos Castaneda But now you can come to know the Yaqui Indians in a whole new way Anita Endrezze born in California of a Yaqui father and a European mother has written a multilayered work that interweaves personal mythical and historical views of the Yaqui people Throwing Fire at the Sun Water at the Moon is a blend of ancient myths poetry journal extracts short stories and essays that tell her people's story from the early 1500s to the present and her family's story over the past five generations Reproductions of Endrezze's paintings add an additional dimension to her story and illuminate it with striking visual imagery Endrezze has combed history and legend to gather stories of her immediate family and her mythical ancient family the two converging in the spirit of storytelling She tells Aztec and Yaqui creation stories tales of witches and seductresses with recurring motifs from both Yaqui and Chicano culture She shows how Christianity has deeply infused Yaqui beliefs sharing poems about the Flood and stories of a Yaqui Jesus She re creates the

coming of the Spaniards through the works of such historical personages as Andrés Bello and finally she tells of those individuals who carry the Yaqui spirit into the present day People like the Esperanza sisters her grandmothers and others balance characters like Coyote Woman and the Virgin of Guadalupe to show that Yaqui women are especially important as carriers of their culture Greater than the sum of its parts Endrezze's work is a new kind of family history that features a startling use of language to invoke a people and their past a time capsule with a female soul Written to enable her to understand more about her ancestors and to pass this understanding on to her own children Throwing Fire at the Sun Water at the Moon helps us gain insight not only into Yaqui culture but into ourselves as well

Troubling Tricksters Deanna Reder, Linda M. Morra, 2010-02-10

Troubling Tricksters is a collection of theoretical essays creative pieces and critical ruminations that provides a re-visioning of trickster criticism in light of recent backlash against it The complaints of some Indigenous writers the critique from Indigenous nationalist critics and the changing of academic fashion have resulted in few new studies on the trickster For example The Cambridge Companion to Native American Literature 2005 includes only a brief mention of the trickster with skeptical commentary And in 2007 Anishinaabe scholar Niigonweddom Sinclair a contributor to this volume called for a moratorium on studies of the trickster irrelevant to the specific experiences and interests of Indigenous nations One of the objectives of this anthology is then to encourage scholarship that is mindful of the critic's responsibility to communities and to focus discussions on incarnations of tricksters in their particular national contexts The contribution of Troubling Tricksters therefore is twofold to offer a timely counterbalance to this growing critical lacuna and to propose new approaches to trickster studies approaches that have been clearly influenced by the nationalists call for cultural and historical specificity

The Next Sorcerer Joy Brighton, 2022-01-31

Never do a ghost a favor Josh Redfox understands this better than most fifteen year old boys When he was twelve he returned several sacred artifacts to the grave of an ancient Native American Sorcerer and has been haunted by this spirit ever since Hiking in the high desert near his home in central Arizona Josh meets Forrest the new girl in his sophomore class She's pretty She's cool She's from California More than anything Josh wants her to think he's a normal dude but that's tough when you're mentored by a ghost And even tougher when that girl can read your mind

Coyote Nikita Slater, 2023-04-25

A Hell's Jury MC romance novel by USA Today Bestselling Author Nikita Slater Coyote biding my time until I'm ready to strike I'm walking

a tightrope between what the world sees and who I really am I m waiting for the day I can release my boiling rage and annihilate my father In the meantime I burn with guilt and shame over my inaction Then I meet her Bryce the catalyst for uncaging the monster inside I killed a man for her for reasons I can t understand And how does she repay me By bringing a horrific past with her that reveals my secrets and unleashes my fury It s too soon but I have no choice I ll destroy the world to keep her safe even if that means losing myself in the process Bryce I have a secret that could get everyone around me killed I m walking a tightrope between what the world sees and who I really am I m waiting for the day I can emerge from my self imposed prison and return to the light In the meantime I burn with guilt and shame over my actions Then I meet him Coyote I am the catalyst for uncaging his monster He killed a man for me for reasons I can t understand And how do I repay him By bringing a horrific past with me that reveals his secrets and unleashes his fury It s too soon for us but we have no choice He ll destroy the world to keep me safe and I ll destroy the world if I lose him Coyote is the second book in the Hell s Jury MC series Each book in the series is completely standalone and can be read in any order Coyote is a dark romance with scenes of sexuality and violence Please read with caution Hell s Jury Series Information Rocky Meeting Jess was a lightening bolt moment for me and despite her connections with the enemy my love for her trumps everything and everyone in my life including my MC Coyote Bryce is a fearless thief who harbours a painful and explosive secret When the past threatens our love and endangers our lives I ll move heaven and hell to protect what s mine Trigger It was lust at first sight from the moment I met Evanee She s too posh too confident too complex and I m too crass too wild too dangerous Turns out love conquers all and when she ends up in the crosshairs of our enemy I ll burn the world to keep her safe Reaper I don t like complications and Ximina is the biggest complication I ve ever met Her demand for protection draws me into a deadly conspiracy that pushes me to choose between my MC and my love for her Red My life is spiralling out of control when Stella storms into it Despite the crazy her love is the only thing I can count on when death and betrayal tear my world apart When Stella is threatened allies and enemies find out how dangerous it is to cross me Eight It s a family affair that starts and ends on a nightmare when Selkie and I are forced together for the sake of our kids As we battle our demons and find our way to each other outside forces conspire to destroy our fragile love Joker Kate is the love of my life and my biggest regret When old ghosts and new enemies conspire to separate us I ll forge a path of destruction to hang on to the only woman I ve ever loved Hangman We re on opposite sides of the law but resisting Del is a losing game A brutal twist of fate binds us together as we struggle for our very survival While our love heals us my vengeance will know no bounds My enemies will beg to die after I m through with them

In the Beginning Jerrold E. Levy, 2023-04-28 Jerrold E Levy s masterly analysis of Navajo creation and origin myths shows what other interpretations often overlook that the Navajo religion is as complete and nuanced an attempt to answer humanity s big questions as the religions brought to North America by Europeans Looking first at the historical context of the Navajo narratives Levy points out that Navajo society has never during its known history been either

homogeneous or unchanging and he goes on to identify in the myths persisting traditions that represent differing points of view within the society The major transformations of the Navajo people from a northern hunting and gathering society to a farming then herding then wage earning society in the American Southwest were accompanied by changes not only in social organization but also in religion Levy sees evidence of internal historical conflicts in the varying versions of the creation myth and their reflection in the origin myths associated with healing rituals Levy also compares Navajo answers to the perennial questions about the creation of the cosmos and why people are the way they are with the answers provided by Judaism and Christianity And without suggesting that they are equivalent Levy discusses certain parallels between Navajo religious ideas and contemporary scientific cosmology The possibility that in the future Navajo religion will be as much altered by changing conditions as it has been in the past makes this fascinating account all the more timely This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1998 Jerrold E Levy s masterly analysis of Navajo creation and origin myths shows what other interpretations often overlook that the Navajo religion is as complete and nuanced an attempt to answer humanity s big questions as the religions brought to North Am
