CQB Mark V. Lonsdale, Specialized Tactical Training Unit (Los Angeles, Calif.), 1999 *THE SWAT CYCLOPEDIA*

Richard A. Haynes, 1999-01-01 As SWAT has become more established within the police community a certain language and jargon has also evolved with it THE SWAT CYCLOPEDIA has been developed as a basic reference for this terminology as well as other state of the art information associated with the police special weapons and tactics function Within this source is a wide range of technical data pertaining to the tactical topics of training equipment deployment operational strategies slang quotes helpful hints and historical details along with scores of other informative features So that a more comprehensive understanding of the world of SWAT can be obtained such topics as counter terrorism domestic terrorism and international terrorism have also been included In order to make the book more useful many of the terms in the text have been cross referenced It will be of interest to police officers assigned to a SWAT team as well as to those individuals who are interested in tactical response operations and what is involved in this law enforcement function The manual encompasses certain administrative considerations that pertain to the organization and management of an agency s SWAT program and therefore it is also designed to provide particular assistance to the tactical commander seeking solutions or to the law enforcement executive who may be planning the incorporation of a special weapons and tactics unit within his or her agency
