The Alamo City Guide, San Antonio, Texas Steven Gould, 1882 The Alamo City Guide, San Antonio, Texas Stephen Jay Gould, 2018-08 Excerpt from The Alamo City Guide San Antonio Texas Being a Historical Sketch of the Ancient City of the Alamo and Business Review He who writes the history of San Antonio writes the history of Texas and although many writers have dealt with separate events no one has yet presented a complete history of the city Nor is it our intention at this time to attempt such a task but merely to give a few of the more notable events of the past as a guide to tourists who wish to visit the various points of interest about the city in a limited time We will therefore first give a historical sketch of the city and then tell how to see the city to the best advantage in the least time adding such tables and special articles as will prove of value to strangers and others About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are
