Drug Lord: A True Story Terrence E. Poppa, 2010-11-30 Drug Lord is the real thing Raw immediate indispensable Don Winslow author of *The Power of Dog* and *California Fire and Life* The drug smuggling business goes on the slaughtered dead pile up the US agencies continue to ratchet up their budgets the prisons grow larger and all the real rules of the game are in this book some kind of masterpiece Charles Bowden from the introduction Pablo Acosta was a living legend in his Mexican border town of Ojinaga He smuggled tremendous amounts of drugs into the United States he survived numerous attempts on his power and his life by rivals and he blessed the town with charity and civic improvements He was finally slain in 1987 during a raid by Mexican officials with the cooperation of US law enforcement Poppa has turned out a detailed and exciting book covering in depth Acosta's life the other drug factions that battled with him the village of Ojinaga and the logistics of the drug operation The result is a nonfiction account with enough greed treachery shoot outs and government corruption to fascinate true crime and crime fiction readers alike Highly recommended Library Journal Terrence E Poppa an award winning journalist was a finalist for a 1987 Pulitzer Prize for his investigations into the connection between crime and government in Mexico He was featured in *Standoff in Mexico* a PBS production about fraudulent elections in Mexico Due to his unique insights into the world of Mexican drug trafficking Poppa has been widely interviewed on radio and television including Larry King Live and The O'Reilly Factor

Ghost Towns Alive Linda G. Harris, 2003-10-15 Author Linda G Harris and photographer Pamela Porter have divided the state into eleven regions comprising seventy ghost towns from the Santa Fe Trail and Colfax County in the north to the boot heel in the south "Nuestros Antepasados" (Our Ancestors) Ernest S. Sanchez, Paul R. Sanchez, 2015-09-15 This is a book that for over forty years was carefully researched and footnoted by the principal author Ernest S Sanchez It is a story that is weaved together by multiple interviews with families and their familial history that makes this account and supported by documentation This book brings into focus the following points 1 History of the settlement of New Mexico from Onate to the present 2 The principal families that were involved in the settlement and their experiences 3 The New Mexican experience from the Hispanic view in the history of the settlement of Lincoln County and the Lincoln County War 4 An insight on the personal relationship of the Hispanics with William H Bonney Billy the Kid 5 A very accurate reference in the genealogy of the families that settled in Lincoln County New Mexico This story illuminates the rich customs and traditions of the people that make up New Mexico history We get a view of the every day life experiences of the Nuevo Mexicanos that were passed forward from generation to generation This account also exposes the violence greed and racism that not only permeated the Spanish settlement of New Mexico but also fueled the Lincoln County War It is an American story a story of the painful birth of a nation

Our War Stories Marvin B. Harper, 2003 *Into the Great White Sands* Jeanetta Calhoun Mish, Dennis Ditmanson, Jim Eckles, 2018-03-15 Varjabedian's photographs reveal snow white dunes of gypsum striking landforms storms and stillness panoramic vistas and breathtaking sunsets intricate wind

blown patterns in the sand ancient animal tracks exquisite desert plants and also the people who come to experience this place that is at once spectacular yet subtle *Buried Treasures* Richard Melzer, 2007 Melzer offers an impressive new book about famous New Mexico gravesites usually the only monuments left to honor the human treasures who helped shape state national and often international history *The National Union Catalogs, 1963-1964* **Best Little Stories from World War II** C. Brian Kelly, 2010-11-01 The untold stories of bravery triumph and redemption in the depths of the darkest world war Behind the great powers global military conflict and infamous battles are more than 100 incredible stories that bring to life the Second World War During the six years of war were countless little known moments of profound triumph and tragedy bravery and cowardice and good and evil These amazing and unbelievable stories of brotherhood redemption escape and civilian courage shed new light on the war that gripped the entire world Experience the action through the eyes of people like Lieutenant Jacob Beser who was aboard both the Enola Gay and Bock's Car and felt the force of the shockwave that nearly destroyed the planes after dropping the H bombs that obliterated Hiroshima and Nagasaki Professor William Miller who collapsed during a death march of POWs in Germany and was saved by the same man who had rescued him from what would have been a fatal car wreck in Pennsylvania five years earlier The brave civilians who answered the British Admiralty's call to help rescue an army from Dunkirk during the height of a dangerous battle and sailed small fishing boats into relentless German fire ultimately saving 335 000 men from This is the perfect book for any history buff looking for the untold stories of military and civilian daring during World War 2 **UFOs and Government** Michael D. Swords, 2012 Governments around the world have had to deal with the UFO phenomenon for a good part of a century How and why they did so is the subject of *UFOs and Government* a history that for the first time tells the story from the perspective of the governments themselves It's a perspective that reveals a great deal about what we citizens have seen and puzzled over from the outside for so many years The story which is unmasked by the governments own documents explains much that is new or at least not commonly known about the seriousness with which the military and intelligence communities approached the UFO problem internally Those approaches were not taken lightly In fact they were considered matters of national security At the same time the story reveals how a subject with such apparent depth of experience and interest became treated as if it were a triviality And it explains why one government the United States government deemed it wise and perhaps even necessary to treat it so Though the book focuses primarily on the U S government's response to the UFO phenomenon also included is the treatment of the subject by the governments of Sweden Australia France Spain and other countries This large format fully illustrated book is the result of a team effort that called itself The UFO History Group a collection of veteran UFO historians and researchers who spent more than four years researching consulting writing and editing to present a work of historical scholarship on government response to the UFO phenomenon Michael Swords was the primary author of the United States chapters The work was coordinated and edited by Robert Powell Clas Svahn Vicente Juan Ballester Olmos Bill Chalker and

Robert Powell contributed country chapters Jan Aldrich was the primary content consultant with additional content consultation and writing coming from Barry Greenwood and Richard Thieme Steve Purcell was the primary photo illustration editor From the foreword by Jerome Clark While UFOs and Government revisits an often unhappy history the reading of it is far from an unhappy experience The authors eloquent intelligent sophisticated and conscientious provide us with the first credible comprehensive overview of official UFO history in many years Most of the current volume deals with U S military and intelligence responses to the UFO phenomenon but it also features richly informative chapters that expand the story across the international arena If you re looking for an example of a nation that dealt productively with the UFO reports that came its official way you will take heart in the chapter on the French projects From here on every responsible treatment of UFOs and government will have to cite UFOs and Government prominently among its sources this is the real story as accurately as it can be reconstructed in the second decade of the new century I expect to keep my copy close at hand and to return to it often While it cannot be said of many books UFO themed or otherwise this is among the essential ones Stray from it at your peril

74th Street Stories Gary Mielo,2005 Don t ask author Gary Mielo what it was like to grow up in North Bergen New Jersey He s likely to relate personal essays and anecdotes that include the most heinous experience the one which can easily produce the deepest and most lasting of scars is an affliction known as the senior prom He ll evoke a time when yellow air raid shelter signs hanging on the walls of virtually all candy stores ice cream parlors and other public buildings reported the way to alleged underground safety And narrate the demise of his 1955 DeSoto while traversing one of the world s most heavily trafficked truck routes the infamous Tonnelle Avenue Comprised of 44 personal essays *74th Street Stories* extols New Jersey s Hudson County as it and its North Bergen residents lived through two of the most bizarre decades in recent history namely the Cold War 1950s and the Strung Out 1960s Nevertheless the moments of sudden awareness recounted in many of these essays go beyond the merely wistful or the distinctively reminiscent The characters and incidents described in *74th Street Stories* have their roots in a town and a county that nurtured an identity that was nothing less than wonderfully peculiar

True UFO Accounts David Godwin,2011-08-08 Flying saucers government cover ups shadowcraft reptilians Nordics Greys Stories about UFOs and alien contact have been around since the late 1800s when newspapers reported sightings of mysterious flying airships The fascination with unidentified flying objects has only intensified with time every UFO sighting movie or television show that focuses on aliens creates a new set of fans For more than 60 years FATE magazine has reported on the strange and unexplained This incredible collection of true accounts from the vaults of FATE includes stories on Roswell alien agendas and personal encounters It features articles by some of the most prominent names in the field such as Kenneth Arnold George Adamski Stanton T Friedman John Keel and Ray Palmer the founder of FATE

Roadside New Mexico David Pike,2015-08 This revised and expanded edition of *Roadside New Mexico* provides additional information about these sites and includes approximately one hundred new markers sixty five of which

document the contribution of women to the history of New Mexico The American Imperial Gothic Johan
Hoglund,2016-03-16 The imagination of the early twenty first century is catastrophic with Hollywood blockbusters novels
computer games popular music art and even political speeches all depicting a world consumed by vampires zombies meteors
aliens from outer space disease crazed terrorists and mad scientists These frequently gothic descriptions of the apocalypse
not only commodify fear itself they articulate and even help produce imperialism Building on and often retelling the British
imperial gothic of the late nineteenth century the American imperial gothic is obsessed with race gender degeneration and
invasion with the destruction of society the collapse of modernity and the disintegration of capitalism Drawing on a rich array
of texts from a long history of the gothic this book contends that the doom faced by the world in popular culture is related to
the current global instability renegotiation of worldwide power and the American bid for hegemony that goes back to the
beginning of the Republic and which have given shape to the first decade of the millennium From the frontier gothic of
Charles Brockden Brown s Edgar Huntly to the apocalyptic torture porn of Eli Roth s Hostel the American imperial gothic
dramatises the desires and anxieties of empire Revealing the ways in which images of destruction and social upheaval both
query the violence with which the US has asserted itself locally and globally and feed the longing for stable imperial
structures this book will be of interest to scholars and students of popular culture cultural and media studies literary and
visual studies and sociology The Immortal Mouth and Other Stories Joseph Sutton,2003 Joseph Sutton has an eye for
navel oranges and red rubies for heroic cats and noble geckoes for perfect mouths and super sized bartenders He has an ear
for festival rhythms and regional accents bedtime stories and cautionary tales He has a heart for the pull of tradition and the
call of the road for bright eyed Greek beauties and unresponsive ladies of the night for boys becoming men and writers
scraping by Most of all Joseph Sutton has a voice that emerges strong and true in this remarkable collection of stories
