Noten.] (Completely Rev.)** Mosco Carner,1983 **Reader's Guide to Music** Murray Steib,2013-12-02 The Reader's Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 3 20 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian musicology *A History of Twentieth-Century Music in a Theoretic-Analytical Context* Elliott Antokoletz,2014-03-14 A History of Twentieth Century Music in a Theoretic Analytical Context is an integrated account of the genres and concepts of twentieth century art music organized topically according to aesthetic stylistic technical and geographic categories and set within the larger political social economic and cultural framework While the organization is topical it is historical within that framework Musical issues interwoven with political cultural and social conditions have had a significant impact on the course of twentieth century musical tendencies and styles The goal of this book is to provide a theoretic analytical basis that will appeal to those instructors who want to incorporate into student learning an analysis of the musical works that have reflected cultural influences on the major musical phenomena of the twentieth century Focusing on the wide variety of theoretical issues spawned by twentieth century music A History of Twentieth Century Music in a Theoretic Analytical Context reflects the theoretical analytical essence of musical structure and design The Cambridge Companion to Berg Anthony Pople,1997-04-24 The world of Alban Berg is full of paradoxes secrets and allusions but he was able to handle emotional and moral issues at a distance and with profound sympathy His unhurried almost aristocratic attitude to life and his extreme self criticism in professional matters resulted in an extraordinarily small musical output but it includes towering masterpieces such as the operas *Wozzeck* and *Lulu* and his last work the Violin Concerto All of Berg's substantial works are discussed in this Companion which brings together a team of experts who write from a variety of historical and critical perspectives outlining the place of the music in the cultural history of its time and recontextualising it against the broader twentieth century interplay of fashions aesthetics and ideas **A View of Berg's Lulu** Patricia Hall,2023-11-15 After 50 years of analysis we are only beginning to understand the quality and complexity of Alban Berg's most important twelve tone work the opera *Lulu* Patricia Hall's new book represents a primary contribution to that understanding the first detailed analysis of the sketches for the opera as well as other related autograph material and previously inaccessible correspondence to Berg In 1959 Berg's widow deposited the first of Berg's autograph manuscripts in the Austrian National Library The complete collection of autographs for *Lulu* was made accessible to scholars

in 1981 and a promising new phase in Lulu scholarship unfolded Hall begins her study by examining the format and chronology of the sketches and she demonstrates their unique potential to clarify aspects of Berg's compositional language In each chapter Hall uses Berg's sketches to resolve a significant problem or controversy that has emerged in the study of Lulu For example Hall discusses the dramatic symbolism behind Berg's use of multiple roles and how these roles contribute to the large scale structure of the opera She also revises the commonly held view that Berg frequently invoked a free twelve tone style Hall's innovative work suggests important techniques for understanding not only the sketches and manuscripts of Berg but also those of other twentieth century composers This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1996
