Albemarle County in Virginia Edgar Woods,2009-06 Each entry in this volume gives the name of the bride and groom the date of the bond and the name of the bondsman who was often a relative of the bride A brides index follows at the back of the volume All told this work identifies the 3 500 oldest Loudoun County marriage bonds known to exist **Albemarle County in Virginia** Edgar Woods,2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book **Albemarle County in Virginia** Edgar Woods,1970 **Albemarle County in Virginia** Rev. Edgar Woods,1900 Genealogy of the Lewis Family in America William Terrell Lewis,1893 Chiefly a record of some of the descendants of John Lewis He was born in Donegal County Ireland 1678 to Andrew Lewis and Mary Calhoun He married Margaret Lynn He died in Virginia 1 Feb 1762 They were the parents of seven children *Genealogical Records of Buckingham County, Virginia* Edythe Rucker Whitley,1984 Owing to the total destruction of the county courthouse in 1869 few records of Buckingham County Virginia survive From documents in the Virginia State Library and the University of Virginia s Alderman Library and from materials still in private hands the compiler of this book has amassed a genealogical record of the county not continuous and complete since that would be impossible but a rich selection of the kind of materials that would have been in the old courthouse Highlighting the work is a collection of family sketches **ALBEMARLE COUNTY IN VIRGINIA** EDGAR. WOODS,2018 **Early Western Augusta Pioneers** George W. Cleek,2009-06 From its establishment in 1745 Augusta County Virginia served as a haven for Scotch Irish German and to a lesser extent English immigrants who failed to find economic opportunity or religious freedom in the colonial settlements along the Middle Atlantic coastline This little known but important work contains detailed genealogies of the twenty families mentioned in the title of the work who settled in that region of old western Augusta that today encompasses Bath and Highland counties Virginia In addition to the family histories the compiler has provided introductory chapters on the history of German and Scotch Irish settlement to the region a table of family members who fought in the Colonial Revolutionary and Civil Wars and a full name index with approximately 10 000 entries **Virginia Ancestors and Adventurers** Charles Hughes Hamlin,1975 Information was transcribed or abstracted from many counties in Virginia Some information is included for North Carolina Mississippi Tennessee Georgia and Alabama **Todd Co, KY - Family Hist** ,1995-06-15 **The Virginia Magazine of History and Biography** Philip Alexander Bruce,William Glover Stanard,1899 **The History of Pittsylvania County, Virginia** Maud Carter Clement,1973 The book rings with the names of early inhabitants and prominent citizens For the

genealogist there is the important and wholly fortuitous list of tithables of Pittsylvania County for the year 1767 which enumerates the names of nearly 1 000 landowners and property holders amounting in sum to a rough census of the county in its infancy Additional lists include the names some with inclusive dates of service of sheriffs justices of the peace members of the House of Delegates 1776 1928 members of the Senate of Virginia 1776 1928 clerks of the court and judges The Sublett (Soblet) Family of Manakintown, King William Parish, Virginia Cameron Allen,2008 They Went Thataway ,1974 Composed almost entirely of abstracts of wills deeds marriage records powers of attorney court orders church records cemetery records tax records guardianship accounts etc this unique work provides substantive evidence of the migration of individuals and families to Virginia or from Virginia to other states countries or territories Although primarily concerned with Virginians the data are of wide ranging interest England France Germany Scotland Barbados Jamaica and twenty three American states are represented all entries splendidly tied to court sources and authorities Each record provides prima facie evidence of places of origin and removal irrefutably linking individuals to both their old and their new homes and incidentally naming parents and kinsmen all 10 000 of whom are listed in alphabetical order in the indexes It is a safe observation that half of the records having been exhumed from the most improbable sources some augmented by the compiler's personal files are the only ones in existence which can prove the ancestor's identity and origin **Albemarle County in Virginia; Giving Some Account of What It Was by Nature, of What It Was Made by Man, and of Some of the Men Who Made It** Edgar Woods,Anne Bartlett Coddington,Edward N Dunlap,2016-05-02 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Related Families of Botetourt County, Virginia* John William Austin,Rebecca H.
