Alberta's Revolutionary Leaders:

Forging Alberta's Constitutional Framework Richard Connors, John M. Law, University of Alberta. Centre for Constitutional Studies, 2005-11 Forging Alberta's Constitutional Framework analyzes the principal events and processes that precipitated the emergence and formation of the law and legal culture of Alberta from the foundation of the Hudson's Bay in 1670 until the eve of the centenary of the Province in 2005 The formation of Alberta's constitution and legal institutions was by no means a simple process by which English and Canadian law was imposed upon a receptive and passive population Challenges to authority latent lawlessness interaction between indigenous and settler societies periods pre and post 1905 of jurisdictional confusion and demands for individual group and provincial rights and recognitions are as much part of Alberta's legal history as the heroic and mythic images of an emergent and orderly Canadian west patrolled from the outset by red coated mounted police and peopled by peaceful and law abiding subjects of the Crown Papers focus on the development of criminal law in the Canadian west in the nineteenth century the Natural Resources Transfer Agreement of 1930 the National Energy Program of the 1980s Federal Provincial relations and the role and responsibilities of the offices of Justices of the Peace and of the Lieutenant Governor and the legacies of the Lougheed and Klein governments Alberta's Revolutionary Leaders Timothy C. that examines the origins and development of the oil sands industry over the last century

Will the Real Alberta Please Stand Up? Geo Takach, 2010-12-01 One little question propels both author and reader on a genre bending quest to find the elusive essence of a Canadian province built on sturdy stereotypes of oil spoiled beef eating bible thumping rednecks devoid of class or culture Through essay interview colourful observation and whatever other expos it takes to amplify the hyperbolic absurdity of seeking a simple answer to an incendiary question Geo Takach spotlights the cultural complexity of this perplexing province Readers will be delightfully edified after a dizzying romp around Wild Rose Country with Geo and a cast of citizens and celebs alive and dead

Mapping Alberta's Political Leadership Austin Mardon, 2011 This book presents information taken from a variety of sources including newspapers records and interviews to give an account of Alberta's political leadership Although no attempt has been made here to analyze voting patterns and behaviours or to provide a detailed narrative account of individual election campaigns much of the political history of Alberta can be read in these biographical profiles

Creating Citizens Amy Jeanette Von Heyking, 2006 This work examines how Albertans have interpreted themselves and their world through history and social studies curricula and texts from 1905 to 1980 and shows that these courses more than others addressed issues of identity by creating the country and region's past

Tar Wars Geo Takach, 2017-01-31 *Tar Wars* offers a critical inside look at how leading image makers negotiate the escalating tensions between the need for continuous economic growth mandated by a globalized economic system and its unsustainable environmental costs As representations of a place and its identity assume paramount importance in a globalized visual and increasingly ecologically conscious society a rising international battle unfolds over Alberta's bituminous sands pitting independent documentary filmmakers against professional communicators employed by the oil industry and government *Tar Wars* will engage scholars and students in communications film environmental studies social psychology and petrocultures It also reaches out to decision makers activists and those who wish to explore the intersections of energy environment culture politics economy media and power in the world today

Unions in the Time of Revolution Yonatan Reshef, Sandra Rastin, 2003-01-01 The election of neo conservative governments in Alberta and Ontario in the early 1990s brought dramatic changes to provincial public policy both the Ralph Klein Revolution and Mike Harris Common Sense Revolution emphasized fundamental changes in the role of government balanced budgets and the elimination of provincial debts While public sector unions were forced to react the response of the Alberta and Ontario unions differed significantly The reasons outcome and long term impact of the difference is the focus of Yonatan Reshef and Sandra Rastin's careful and revealing analysis The authors argument concentrates on union responses to the neo conservative transformation in the two affected provinces but the scope of the discussion expands to cover such issues as the differences between the two regimes the damage to the Ontario labour movement dealt by the labour oriented NDP government the limits of inter union cooperation and the role of modern unions in politics Lively and timely *Unions in the Time of Revolution* places Canada's unions in the full context of the

neo conservative trend in provincial politics and demonstrates the importance of individual union responses in times of such significant change **The Other Alberta** Doreen Barrie, University of Regina. Canadian Plains Research Center, 2006

Social Classes and Social Credit in Alberta Edward Bell, 1993 The Social Credit party in Alberta has traditionally been presented as petty bourgeois in its ideology and appeals reflecting what was believed to be the dominant class in the province at the time Edward Bell challenges these widely held interpretations of the ideology popular class basis and behaviour in office of the early Social Credit movement 1932 40 Mavericks Aritha Van Herk, 2010-01-12 The fifth title in our provincial histories series *Mavericks* is an idiosyncratic and episodic history of what is arguably Canada's most unconventional province From mapmakers to ranchers Stampede Wrestling to Stockwell Day acclaimed writer Aritha van Herk brings the drama and combative beauty of this irascible province to stunning life van Herk's portrait of her home province embraces all its extremes from deadly and spectacular weather to dinosaur graveyards and from oil gushers and geysers to barnstorming social reformers and political haymakers Bronc riders of boom and bust Alberta's people are a beguiling mixture of opinionated extremists hardy pioneers and gentle sinners Alberta is a province that most Canadians simply don't understand the province most Canadians love to hate It is regarded as a land of reckless redneck and ignorant individualists But it is also the province where the Famous Five fought the landmark Person's Case giving Canadian women the same status as men in the eyes of the law a province that truly believes in free speech Albertans tolerate in their midst people whose extreme views on any manner of subjects would make them outcasts elsewhere And Albertans practice the creed of western neighbourliness giving assiduously to charity and always lending a hand where help is needed They are a tough tender bunch squinting into the wind of determined difference If you're an Albertan you'll recognize yourself and your home in this book If you're not an Albertan this book will be an education for you *Mavericks* will open your eyes to the real Alberta as she was and is **The Literary History of Alberta Volume Two** George Melnyk, 1998 In this the companion to the landmark volume *The Literary History of Alberta Volume One* From Writing on Stone to World War Two George Melnyk examines Alberta literature in the second half of the twentieth century At last Melnyk argues Alberta writers have found their voice and their accomplishments have been remarkable The contradictory landscape the stereotypes of the Indian the Mountie and the Cowboy and the language of the Other speaking from the margins these elements all left their impressions on the consciousness of early Alberta But writers in the last few decades have turned this inheritance to their advantage to create compelling stories about this place and its people Today Melnyk discovers Alberta writers can appreciate not only this achievement but also its essential source the symbolic communication of *Writing on Stone* *The Literary History of Alberta Volume Two* extends the study of Alberta's cultural history to the present day It is a vital text for anyone interested in Alberta's vibrant literary culture CKUA Marylu Walters, 2002-09-30 From its humble beginnings at the University of Alberta to today's world wide audience over the Internet CKUA has been a leader in public radio It has been a training ground for

Albertan and Canadian talent and a platform for important ideas Throughout its seventy five year history Canada s oldest public broadcaster has been one of Alberta s leading cultural institutions CKUA Radio Worth Fighting For presents much more than the story of the little radio station that could Marylu Walters has captured the political and cultural context of the times the pioneering spirit that brought the station to life the creativity that emerged from benign neglect and the passionate battles that maintained the station in the face of adversity Packed with human stories told by the people who lived them CKUA Radio Worth Fighting For is an essential book for CKUA devotees across Alberta and around the world If you haven t yet become a CKUA convert this book is sure to hook you

Alberta Oil and the Decline of Democracy in Canada Meenal Shrivastava, Lorna Stefanick, 2015-10-01 In Democracy in Alberta The Theory and Practice of a Quasi Party System published in 1953 C B Macpherson explored the nature of democracy in a province that was dominated by a single class of producers At the time Macpherson was talking about Alberta farmers but today the province can still be seen as a one industry economy the 1947 discovery of oil in Leduc having inaugurated a new era For all practical purposes the oil rich jurisdiction of Alberta also remains a one party state Not only has there been little opposition to a government that has been in power for over forty years but Alberta ranks behind other provinces in terms of voter turnout while also boasting some of the lowest scores on a variety of social welfare indicators The contributors to Alberta Oil and the Decline of Democracy critically assess the political peculiarities of Alberta and the impact of the government s relationship to the oil industry on the lives of the province s most vulnerable citizens They also examine the public policy environment and the entrenchment of neoliberal political ideology in the province In probing the relationship between oil dependency and democracy in the context of an industrialized nation Alberta Oil and the Decline of Democracy offers a crucial test of the oil inhibits democracy thesis that has hitherto been advanced in relation to oil producing countries in the Global South If reliance on oil production appears to undermine democratic participation and governance in Alberta then what does the Alberta case suggest for the future of democracy in industrialized nations such as the United States and Australia which are now in the process of exploiting their own substantial shale oil reserves The environmental consequences of oil production have for example been the subject of much attention Little is likely to change however if citizens of oil rich countries cannot effectively intervene to influence government policy

Alberta Howard Palmer, Tamara Jeppson Palmer, 1990 **Alberta Premiers of the Twentieth Century** University of Regina. Canadian Plains Research Center, 2004 From the optimism associated with provincial status in 1905 through the trials of Depression and war the boom times of the post war period and the economic vagaries of the 1980s and the 1990s the twentieth century was a time of growth and hardship development and change for Alberta and its people And during the century twelve men from a variety of political parties and from very different backgrounds led the government of this province The names of some like William Aberhart Ernest Manning and Peter Lougheed are still household names while others like Arthur Sifton Herbert Greenfield and Richard Reid have been all but forgotten Yet each in

his unique way for better or for worse helped to mould and steer the destiny of the province he governed These are their stories **International Books in Print** ,1997 **Canadian Books in Print. Author and Title Index** ,1975
