Album Of Memories Personal Histories From The Greatest Generation

Patrick W. Skehan

Album Of Memories Personal Histories From The Greatest Generation:

An Album of Memories Tom Brokaw, 2001-07-31 A seventeen year old who enlisted in the army in 1941 writes to describe the Bataan Death March Other members of the greatest generation describe their war in such historic episodes as Guadalcanal the D Day invasion the Battle of the Bulge and Midway as well as their life on the home front In this beautiful American family album of stories reflections memorabilia and photographs history comes alive and is preserved in people s own words and through photographs and time lines that commemorate important dates and events Starting with the Depression and Pearl Harbor on through the war in Europe and the Pacific this unusual book preserves a people s rich historical heritage and the legacy of the heroism of a nation Myth and the Greatest Generation Kenneth Rose, 2013-05-13 Myth and the Greatest Generation calls into question the glowing paradigm of the World War II generation set up by such books as The Greatest Generation by Tom Brokaw Including analysis of news reports memoirs novels films and other cultural artefacts Ken Rose shows the war was much more disruptive to the lives of Americans in the military and on the home front during World War II than is generally acknowledged Issues of racial labor unrest juvenile delinquency and marital infidelity were rampant and the black market flourished This book delves into both personal and national issues calling into questions the dominant view of World War II as The Good War My Father's War Carolyn Johnston, 2012-08-03 The author draws on her father s account of the war and her extensive interviews with other veterans of the 92nd Division to describe the experiences of a naive southern white officer and his segregated unit on an intimate level During the war the protocol that required the assignment of southern white officers to command black units both in Europe and in the Pacific theater was often problematic but Johnston seemed more successful than most earning the trust and respect of his men at the same time that he learned to trust and respect them Gene Johnston and the African American soldiers were transformed by the war and upon their return helped transform the nation The 92nd Division of the Fifth Army was the only African American infantry division to see combat in Europe during 1944 and 1945 suffering more than 3 200 casualties Members of this unit known as Buffalo Soldiers endured racial violence on the home front and experienced racism abroad Engaged in combat for nine months they were under the command of southern white infantry officers like their captain Eugene E Johnston **Culture Wars** Roger Chapman, 2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today **Recent Themes in Historical Thinking** Donald A. Yerxa, 2008

Described as the New York Review of Books for history Historically Speaking has emerged as one of the most distinctive historical publications in recent years actively seeking out contributions from a pantheon of leading voices in historical discourse from both inside and outside academia Recent Themes in Historical Thinking represents some of the best writing on historiography to appear in the past five years The prominent historians featured in this collection of essays and interviews drawn from Historically Speaking comment on such wide ranging topics as the impact of postmodernism on the field the relationship between professional and popular history the importance of historical consciousness and the limitations of the field in its current state

Reinventing World War II Barbara A. Biesecker, 2024-08-09 By the 1970s World War II had all but disappeared from US popular culture But beginning in the mid eighties it reemerged with a vengeance and for nearly fifteen years World War II was ubiquitous across US popular and political culture In this book Barbara A Biesecker explores the prestige and rhetorical power of the Good War revealing how it was retooled to restore a new kind of social equilibrium to the United States Biesecker analyzes prominent cases of World War II remembrance including the canceled exhibit of the Enola Gay at the National Air and Space Museum in 1995 and its replacement Steven Spielberg s Saving Private Ryan Tom Brokaw s The Greatest Generation and the United States Holocaust Memorial Museum Situating these popular memory texts within the culture and history wars of the day and the broader framework of US political and economic life Biesecker argues that with the notable exception of the Holocaust Memorial Museum these reinventions of the Good War worked rhetorically to restore a strong sense of national identity and belonging fitted to the neoliberal nationalist agenda By tracing the links between the popular retooling of World War II and the national state fantasy and by putting the lessons of Foucault Derrida Lacan and their successors to work for a rhetorical political analysis of the present Biesecker not only explains the emergence and strength of the MAGA movement but also calls attention to the power of public memory to shape and contest ethnonational identity today This book will interest rhetoricians and historians as well as students and scholars in the fields of US politics and communication studies

Studies in Israelite Poetry & Wisdom Patrick W. Skehan, 2023-11-29 This is a collection of essays on Israelite Poetry and Wisdom by Patrick Skehan who was Professor of Semitic Languages at CUA and which have appeared in CBQ over a span of years

The American Dream Lawrence R. Samuel, 2012-08-27 There is no better way to understand America than by understanding the cultural history of the American Dream Rather than just a powerful philosophy or ideology the Dream is thoroughly woven into the fabric of everyday life playing a vital role in who we are what we do and why we do it No other idea or mythology has as much influence on our individual and collective lives Tracing the history of the phrase in popular culture Samuel gives readers a field guide to the evolution of our national identity over the last eighty years Samuel tells the story chronologically revealing that there have been six major eras of the mythology since the phrase was coined in 1931 Relying mainly on period magazines and newspapers as his primary source material the author demonstrates that journalists serving on the front lines of the scene represent our most valuable resource

to recover unfiltered stories of the Dream The problem Samuel reveals is that it does not exist the Dream is just that a product of our imagination That it is not real ultimately turns out to be the most significant finding and what makes the story most compelling

Armed Forces Robert Eberwein,2007-06-13 In war films the portrayal of deep friendships between men is commonplace Given the sexually anxious nature of the American imagination such bonds are often interpreted as carrying a homoerotic subtext In *Armed Forces* Robert Eberwein argues that an expanded conception of masculinity and sexuality is necessary in order to understand more fully the intricacy of these intense and emotional human relationships Drawing on a range of examples from silent films such as *What Price Glory* and *Wings* to sound era works like *The Deer Hunter* *Platoon* *Three Kings* and *Pearl Harbor* he shows how close readings of war films particularly in relation to their cultural contexts demonstrate that depictions of heterosexual love including those in romantic triangles actually help to define and clarify the nonsexual nature of male love The book also explores the problematic aspects of masculinity and sexuality when threatened by wounds as in *The Best Years of Our Lives* and considers the complex and persistent analogy between weapons and the male body as in *Full Metal Jacket* and *Saving Private Ryan*

American Holy Days, Second Edition Boardman W. Kathan,2023-11-30 Our national holidays have been trivialized by merchandising consumerism and long weekends What do you know about the origins of the national holidays of the United States Boardman Kathan presents the persons and events that each of our holy days commemorates In so doing he explores the shaping of American history and identity revealing often misunderstood parts of our national story from a new approach Each chapter looks at the many books and research written about the events commemorated by these holidays showing their relevance for today Kathan includes discussion of the spiritual or religious dimensions of these national observances pointing out that although the United States was not founded as a Christian nation on biblical principles people throughout American history have perceived a divine guidance or what George Washington called providential care This book reflects back on the original meaning of these days and seeks to inspire renewed forms of celebration commemoration and observance Celebrating patriotic holidays can bring us together as a people especially in times of stress and conflict Schools religious institutions patriotic organizations readers interested in history in short the general public will find this an enjoyable aid for recalling our history reclaiming our values and traditions and restoring a sense of community

Evil Arabs in American Popular Film Tim Jon Semmerling,2009-06-23 2006 Runner up Arab American National Museum Book Awards The evil Arab has become a stock character in American popular films playing the villain opposite American good guys who fight for the American way It s not surprising that this stereotype has entered American popular culture given the real world conflicts between the United States and Middle Eastern countries particularly since the oil embargo of the 1970s and continuing through the Iranian hostage crisis the first and second Gulf Wars and the ongoing struggle against al Qaeda But when one compares the evil Arab of popular culture to real Arab people the stereotype falls apart In this thought provoking book Tim Jon Semmerling further dismantles the evil Arab stereotype by

showing how American cultural fears which stem from challenges to our national ideologies and myths have driven us to create the evil Arab Other Semmerling bases his argument on close readings of six films *The Exorcist* *Rollover* *Black Sunday* *Three Kings* *Rules of Engagement* and *South Park Bigger Longer Uncut* as well as CNN's 9/11 documentary *America Remembers* Looking at their narrative structures and visual tropes he analyzes how the films portray Arabs as threatening to subvert American truths and mythic tales and how the insecurity this engenders causes Americans to project evil character and intentions on Arab peoples landscapes and cultures Semmerling also demonstrates how the evil Arab narrative has even crept into the documentary coverage of 9/11 Overall Semmerling's probing analysis of America's Orientalist fears exposes how the evil Arab of American popular film is actually an illusion that reveals more about Americans than Arabs

Framing Public Memory Kendall R. Phillips, 2004-04-12 A collection of essays by prominent scholars from many disciplines on the construction of public memories The study of public memory has grown rapidly across numerous disciplines in recent years among them American studies history philosophy sociology architecture and communications As scholars probe acts of collective remembrance they have shed light on the cultural processes of memory Essays contained in this volume address issues such as the scope of public memory the ways we forget the relationship between politics and memory and the material practices of memory Stephen Browne's contribution studies the alternative to memory erasure silence and forgetting as posited by Hannah Arendt in her classic *Eichmann in Jerusalem* Rosa Eberly writes about the Texas tower shootings of 1966 memories of which have been minimized by local officials Charles Morris examines public reactions to Larry Kramer's declaration that Abraham Lincoln was homosexual horrifying the guardians of Lincoln's public memory And Barbie Zelizer considers the impact on public memory of visual images specifically still photographs of individuals about to perish e.g. people falling from the World Trade Center and the sense of communal loss they manifest Whether addressing the transitory and mutable nature of collective memories over time or the ways various groups maintain engender or resist those memories this work constitutes a major contribution to our understanding of how public memory has been and might continue to be framed

Life Behind Barbed Wire Angelo M. Spinelli, Lewis H. Carlson, 2004 Contains one hundred photographs by Angelo Spinelli secretly taken during his twenty seven month confinement in a German prisoner of war camp including shots of everyday life as well as depicting the cruelties of war

Soldier from the War Returning Thomas Childers, 2009 One of our most enduring national myths surrounds the men and women who fought in the so called Good War The Greatest Generation we're told by Tom Brokaw and others fought heroically then returned to America happy healthy and well adjusted They quickly and cheerfully went on with the business of rebuilding their lives In this shocking and hauntingly beautiful book historian Thomas Childers shatters that myth He interweaves the intimate story of three families including his own with a decades worth of research to paint an entirely new picture of the war's aftermath Drawing on government documents interviews oral histories and diaries he reveals that 10 000 veterans a month were being diagnosed with psycho neurotic

disorder now known as PTSD Alcoholism homelessness and unemployment were rampant leading to a skyrocketing divorce rate Many veterans bounced back but their struggle has been lost in a wave of nostalgia that threatens to undermine a new generation of returning soldiers Novelistic in its telling and impeccably researched Childers s book is a stark reminder that the price of war is unimaginably high The consequences are human not just political and the toll can stretch across generations

Memories of a Tuskegee Airmen Nurse and Her Military Sisters Pia Marie Winters Jordan, 2023-06-15 A scrapbook can tell us much about a person s life or one period of someone s life joys and sorrows challenges and successes problems and solutions *Memories of a Tuskegee Airmen Nurse and Her Military Sisters* focuses on a four year period from 1942 to 1946 during World War II when up to twenty eight women from the Army Nurse Corps staffed the station hospital on the base where the future Tuskegee Airmen were undergoing basic and advanced pilot training These women were African Americans graduates of nursing schools throughout the country registered nurses and lieutenants in the U S Army Nurse Corps They were military officers and the pilot cadets saluted them Pia Marie Winters Jordan s mother was one of those angels of mercy Her mother the former first lieutenant Louise Lomax did not talk much about her ten years of military nursing but nonetheless her Tuskegee Army Flying School scrapbook told a story Although Jordan may have seen this scrapbook when she was much younger only when her mother became ill and had to be cared for in a nursing home did Jordan Louise s only child take a closer look as she began organizing belongings in the process of closing her mother s apartment Jordan saw that the Tuskegee Airmen were not the only ones making Black history during World War II nurses also had to fight gender as well as racial discrimination Through her research she found out more about them It was time for their story to be told

American Culture in the 1940s Jacqueline Foertsch, 2008-03-27 This book explores the major cultural forms of 1940s America fiction and non fiction music and radio film and theatre serious and popular visual arts and key texts trends and figures from *Native Son* to *Citizen Kane* from Hiroshima to HUAC and from Dr Seuss to Bob Hope After discussing the dominant ideas that inform the 1940s the book culminates with a chapter on the culture of war Rather than splitting the decade at 1945 Jacqueline Foertsch argues persuasively that the 1940s should be taken as a whole seeking out links between wartime and postwar American culture

War Makes Men of Boys Katherine I. Miller, 2012-11-26 Hundreds of novels have been written about young men coming of age in war And millions of young men have in fact come of age in combat This is the story of one of them as told by his daughter based on the daily letters he wrote to his family in 1944 and 1945 After ten months of stateside training nineteen year old Joe Ted Bud Miller shipped out from New York harbor in November 1944 and served with the 63rd Infantry in France and Germany Although he fought with his unit at the Colmar Pocket and earned a Bronze Star for his role in pushing through the Siegfried Line his letters focus less on the details of battle than on the many aspects of his life in the military food PX movies biographies of friends and platoon mates training activities travelogues and the behavior good and bad of officers Bud s journalistic skills show in his letters and fill his reports

with a wealth of objective detail as well as articulate reflections on his feelings about his experiences Katherine I Miller a communication scholar brings to her father's letters which form the centerpiece of the book her scholarly training in analyzing issues such as the development of masculinity in historical context the formation of adult identity and the psychological effects of war Further insights gained from additional personal and family archives interviews with surviving family members official paperwork the unit history of the 63rd Infantry Division 254th Regiment unit newspapers pictorial histories maps and accounts by other unit members aided her in crafting this interpretive biography The book also serves as a window onto more general questions of how individuals navigate complicated turning points thrown at them by external events and internal struggles as they move from youth to adulthood

Old Glory Stories Cole Kingseed, 2013-11-15 Saying that no generation of Americans has produced a finer array of combat commanders than that of World War II a thirty year army veteran examines combat leadership throughout the war at every level of command in the U S Army The author argues that although Army chief of staff George C Marshall's organization and training policies were indispensable the ultimate victory was the result of spirited leadership and the undaunted courage of those who served from individual riflemen to the upper echelons of army command Rather than a history of battles and campaigns this book is an analysis of leadership in combat over three continents and across two oceans It looks at how soldiers react in war how sergeants lieutenants captains and generals direct soldiers in the most intense of all human dramas The first part focuses on the generals and takes a thematic approach examining such topics as restoring the fighting spirit and analyzing the unique characteristics required to command special units in combat The second part examines a special breed of junior leaders who fought the German and Japanese armies on the front lines and whose contributions merit attention Like war correspondent Ernie Pyle Kingseed includes both the big and the little to offer a balanced view of what makes a good combat leader

Visual Rhetoric Lester C. Olson, Cara A. Finnegan, Diane S. Hope, 2008-03-20 *Visual Rhetoric* A Reader in Communication and American Culture is the first collection of its kind essays rich in concepts from the diverse history of rhetoric are featured in their relationship to visual experiences in one or another medium or various media Images are symbols with meaning how these images are seen and the messages they communicate are the study of visual rhetoric Today's society is increasingly inundated with visual images symbols and messages The seminal essays in this collection reveal the workings the research and the effects of how what we see establishes and influences our perceptions our actions and our communication

Album Of Memories Personal Histories From The Greatest Generation Introduction

In the digital age, access to information has become easier than ever before. The ability to download Album Of Memories Personal Histories From The Greatest Generation has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Album Of Memories Personal Histories From The Greatest Generation has opened up a world of possibilities. Downloading Album Of Memories Personal Histories From The Greatest Generation provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Album Of Memories Personal Histories From The Greatest Generation has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Album Of Memories Personal Histories From The Greatest Generation. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Album Of Memories Personal Histories From The Greatest Generation. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Album Of Memories Personal Histories From The Greatest Generation, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Album Of Memories Personal Histories From The Greatest Generation has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students,

researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Album Of Memories Personal Histories From The Greatest Generation Books

1. Where can I buy Album Of Memories Personal Histories From The Greatest Generation books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
