Alcohol And Homicide A Deadly Combination Of Two American Traditions:

Alcohol and Homicide Robert Nash Parker, Linda-Anne Rebhun, 1995-01-01 The authors show how and why alcohol and violence are so often linked today **Drunks, Drugs & Debits** Doug Thorburn, 2000 How to identify the addicts in your life and their negative impact **The Nature of Homicide** Homicide Research Working Group. Annual Workshop, 1997 The Topography of Violence in the Greco-Roman World Werner Riess, Garrett G. Fagan, 2016-06-15 Examines how location confers cultural meaning on acts of violence and renders them socially acceptable or not **Neurobiology of Aggression** Mark P Mattson, 2003-03-24 Aggression is a highly conserved behavioral adaptation that evolved to help organisms compete for limited resources and thereby ensure their survival However in modern societies where resources such as food shelter etc are not limiting aggression has become a major cultural problem worldwide presumably because of its deep seeded roots in the neuronal circuits and neurochemical pathways of the human brain In *Neurobiology of Aggression Understanding and Preventing Violence* leading experts in the fields of the neurobiology neurochemistry genetics and behavioral and cultural aspects of aggression and violence provide a comprehensive collection of review articles on one of the most important cross disciplinary issues of our time Rather than summarize the topics covered by each author in each chapter I present a schematic diagram to guide the reader in thinking about different aspects of aggressive and violent behavior from its neurobiological roots to environmental factors that can either promote or prevent aggression to visions of some of the most horrific acts of violence of our times and then towards the development of strategies to reduce aggressive behavior and prevent violence It is hoped that *Neurobiology of Aggression Understanding and Preventing Violence* will foster further research aimed at understanding the environmental genetic and neurochemical roots of aggression and how such information can be used to move forward towards the goal of eliminating violence Substance Use and Abuse: Oxford Bibliographies Online Research Guide Amie L. Nielsen, 2010-05 This ebook is a selective guide designed to help scholars and students of criminology find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In criminology as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from *Oxford Bibliographies Online Criminology* a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of criminology *Oxford Bibliographies*

Alcoholism and Other Drug Problems James E. Royce,1996 **Latino Homicide** Ramiro Martinez, Jr.,2014-10-24 Latino Homicide is the first empirically based but readable book for courses to counter the conventional wisdom that immigrant populations only contribute crime to their communities For this second edition Martinez further emphasizes his argument with updated data and the addition of a new city San Antonio With fascinating case studies from police reports and actual cases from six varied cities Latino homicide rates are revealed to be markedly lower than one would expect given the economic deprivation of these urban areas Far from dangerous or criminal these communities often have exceptionally strong social networks precisely because of their shared immigrant experiences Martinez skillfully refutes negative stereotypes in a coherent and critically rigorous analysis of the issues **Violent Crime** Christopher J.
