Gender Dimensions of Alcohol Consumption and Alcohol-related Problems in Latin America and the Caribbean Hnin Hnin Pyne,Mariam Claeson,Maria Correia,2002-01-01 While the World Bank has included the issue of alcohol consumption and production on its agenda for the past ten years it has not included gender dimensions in the issue By focusing on alcohol

consumption in Latin America and the Caribbean the instances of death disease and domestic violence arising from alcoholism were tracked This study recommends an approach to dealing with the damage done by alcohol consumption and production that goes beyond controlling its availability Specifically the measures recommended include increasing knowledge through research developing indicators to measure consumption levels and patterns among men and women and the economic and social consequence of alcohol use integrating the issue of alcohol use and related problems into consultations with governments and civil society organizations and investment lending where appropriate to address the issue

Alcohol Abuse and Its Implications for Families United States. Congress. House. Select Committee on Children, Youth, and Families,1985 Youth, Alcohol, and Social Policy Howard T. Blane,Morris E. Chafetz,2012-12-06

Anxiety about alcohol and youth has been excited by shocking events and reports Events are exemplified by multiple deaths of adolescents in automobile crashes after drinking parties Reports are exemplified by the conclusion from a national survey that more than one fourth of youngsters aged 13 to 18 are already problem drinkers Response provoked by these events and reports has taken the form of proposed or enacted legislation in several states to raise the so called legal drinking age from 18 to 19 or 20 or 21 The confusion around the alcohol and youth problem is manifest in the fact that no one can be sure that raising the legal drinking age will make any difference The legislation may be tilting at windmills and it is doubtful even that the windmills exist But the legislative windmills are whirling The confusion is clearly manifest in the fact that the legal drinking age legislation does not deal with a drinking age *Alcohol Use Among U.
