Aldair in Albion Neal Barrett (Jr.),1972 **Aldair in Albion** Neal Barrett,1976 **The Treachery of Kings** Neal Barrett, Jr.,2016-10-16 In a magical world where animals have been given human form and chaos can often be the nature of the day some universal truths remain Like the futility of war and the foolishness of leaders And of course the lingering prejudice against the Newlies the humanized animals But Master Lizard Maker Finn has no quarrel with creatures of any sort Just returned from a highly traumatic vacation he wants nothing more than a period of prolonged peace with his fetching Newlie lover Letitia and his greatest creation a sassy mechanical lizard named Julia Jessica Slagg But the Fates in the form of the capricious Prince of Fyxedia have other plans in store for Finn Fyxedia s leader has commissioned Finn to build a fantastical lizard timepiece for his archrival the mysterious King of Heldessia an odd enough request since Fyxedia and Heldessia have been at war for 700 years Worse Finn has been ordered to deliver the clock himself a mission that involves flying over the war zone in a rickety and badly patched balloon Finn can hardly refuse the commission but the journey is the least of his problems For Heldessia is a land as odd as any he s encountered and he can t help but wonder what foul plot these monarchs have in store for each other How can one lone lizard maker his lover and his mechanical creation foil a plot they don t even understand and still manage to come out of it alive **The Prophecy Machine** Neal Barrett, Jr.,2016-06-11 Hooters Hatters and menacing evil Even in a mystical world where centuries ago animals were magically changed into humans the land of Makasar us considered strange Its two major religions are Hatters and Hooters During the day Hatters wearing hats of course wander about jabbing pointy sticks into bystanders The night is ruled by the Hooters who hoot and set fire to people and things Hospitality is considered a capital crime And Newlies the humanize animals are treated lower than scum So when Finn the Master Lizard Maker finds himself stranded in Makasar along with his lover an attractive Newlies named Letitia and the grandest most magical creation of his illustrious career a talking thinking rather cantankerous mechanical lizard named Julia Jessica Slagg his first thought is a quick exit But the Nuccis strongman son mad father and ever madder grandfather have other plans for Finn and his loyal companions There s an odd machine in their basement that needs fixing and who better to do it than a Master Lizard Maker There s more here than meets the eye however and Finn soon realizes that the future he faces could be very dark indeed **Kelwin** Neal Barrett, Jr.,2016-08-19 ARCHAIC From the Great Midsee to the two Calfrei s the year 2906 saw Nordland in upheaval There were rumors of war as the pseudo Sioux pushed south from the Indian confederation in a strange alliance with the yellow skinned wizards of Hunan far to the North and for the first time since the Disaster of a thousand years earlier all of Nordland seemed poised on the bring of annihilation Into the middle of the war stirrings came Kelwin the Broon finder and occasionally manufacturer of archaics the tantalizing treasures that were all the remained of the world before Disaster Aided only by his apprentice Base and armed with his wits and his half knowledge of things better forgotten it was his task to stop the war before the visitation of another Disaster
