Murder in Chianti Camilla Trinchieri, 2020-07-07 Set in the heart of Tuscan wine country Camilla Trinchieri's new mystery introduces Nico Doyle a former NYPD homicide detective who's just looking for space to grieve when he finds himself pulled into a local murder investigation Mourning the loss of his wife Rita former NYPD homicide detective Nico Doyle moves to her hometown of Gravigna in the winesoaked region of Chianti Half Italian and half Irish Nico finds himself able to get by in the region with the help of Rita's relatives but he still feels alone and out of place He isn't sure if it's peace he's seeking but it isn't what he finds Early one morning he hears a gunshot and a dog's cries near his new home and walks out to discover a dead body in the woods flashily dressed in gold tennis shoes When the police arrive Nico hastily adopts the fluffy white dog as his own and wants nothing more to do with the murder But Salvatore Perillo the local maresciallo discovers Nico's professional background and enlists him to help with the case It turns out more than one person in this idyllic corner of Italy knew the victim and with a very small pool of suspects including his own in laws Nico must dig up Gravigna's every last painful secret to get to the truth

Badarelli, Enrico De Vincenzi, 1973 **Satanism: A Social History** Massimo Introvigne, 2016-08-29 A 17th century French haberdasher invented the Black Mass. An 18th century English Cabinet Minister administered the Eucharist to a baboon. High-ranking Catholic authorities in the 19th century believed that Satan appeared in Masonic lodges in the shape of a crocodile and played the piano there. A well-known scientist from the 20th century established a cult of the Antichrist and exploded in a laboratory experiment. Three Italian girls in 2000 sacrificed a nun to the Devil. A Black Metal band honored Satan in Krakow, Poland, in 2004 by exhibiting on stage 120 decapitated sheep heads. Some of these stories as absurd as they might sound were real. Others which might appear to be equally well reported are false. But even false stories have generated real societal reactions. For the first time, Massimo Introvigne proposes a general social history of Satanism and anti-Satanism from the French Court of Louis XIV to the Satanic scares of the late 20th century, satanic themes in Black Metal music, the Church of Satan, and beyond. *Podróż* Stanisław Dygat, 1979
