Alec The Great 1st Edition:

From Alexander to Jesus Ory Amitay, 2010-10-28 Scholars have long recognized the relevance to Christianity of the many stories surrounding the life of Alexander the Great who claimed to be the son of Zeus But until now no comprehensive effort has been made to connect the mythic life and career of Alexander to the stories about Jesus and to the earliest theology of the nascent Christian churches Ory Amitay delves into a wide range of primary texts in Greek Latin and Hebrew to trace Alexander as a mythological figure from his relationship to his ancestor and rival Herakles to the idea of his divinity as the son of a god In compelling detail Amitay illuminates both Alexander's links to Herakles and to two important and enduring ideas that of divine sonship and that of reconciliation among peoples

Darius in the Shadow of Alexander Pierre Briant, 2015-01-05 A detailed and incisive analysis of the recorded history surrounding the last king of Achaemenid Persia Darius III The last of Cyrus the Great's dynastic inheritors and the legendary enemy of Alexander the Great Darius III ruled over a Persian Empire that stretched from the Mediterranean to the Indus River Yet despite being the most powerful king of his time Darius remains an obscure figure As Pierre Briant explains in the first book ever devoted to the historical memory of Darius III the little that is known of him comes primarily from Greek and Roman sources which often present him in an unflattering light as a decadent Oriental who lacked the masculine virtues of his Western adversaries Influenced by the Alexander Romance as they are even the medieval Persian sources are not free of harsh prejudices against the king Dara whom they deemed deficient in the traditional kingly virtues Ancient Classical accounts construct a man who is in every respect Alexander's opposite feeble minded militarily inept addicted to pleasure and vain When Darius's wife and children are captured by Alexander's forces at the Battle of Issos Darius is ready to ransom his entire kingdom to save them a devoted husband and father perhaps but a weak king While Darius seems doomed to be a footnote in the chronicle of Alexander's conquests in one respect it is Darius who has the last laugh For after Darius's defeat in 331 BCE Alexander is described by historians as becoming ever more like his vanquished opponent a Darius like sybarite prone to unmanly excess Praise for Darius in the Shadow of Alexander Briant is the world's leading authority on the Persian empire that Alexander conquered one of few living scholars with the linguistic mastery to study both the Greco Roman and Persian sources and hence examine the reign of Darius from European and Asian perspectives In the intensely thorough analysis he conducts here he finds reasons to mistrust both traditions and thereby qualify the charge of cowardice that has shadowed Darius for more than two millennia His insights are penetrating and his mastery of the evidentiary record is unsurpassed Having deftly taken down much of the edifice supplied by the ancient accounts of Darius Briant finally turns architect and shows us how the rebuilding might begin James Romm The Wall Street Journal Briant's work as always is a significant contribution to Achaemenid studies a display of historiographical learnedness whose methods can benefit historians across ancient studies Jennifer Finn Bryn Mawr Classical Review

ALEXANDER THE GREAT IN BACTRIA AND INDIA NARRATIVE Dan-Tudor IONESCU, 2025-01-01

This book is not only the attempt at the reconstruction of the military expedition of the army of Alexander the Great in Bactria and India and an analysis of the historical sources on which our modern image of Alexander's age is based but also aims at reconstructing the *imago mundi* that the ancient Greeks and Macedonians had on the world they conquered. The birth and development of Alexander's myth are also treated in these pages.

Gods and Humans in the Ancient Near East Tyson L. Putthoff, 2020-11-05 Gods have always lived among humans. But long ago they also lived inside us sharing their nature with mere mortals. *A Catalogue of Old and Rare Books Offered for Sale* Pickering & Chatto, 1894. *A Catalogue of Old and Rare Books* Pickering & Chatto, firm, booksellers, London, Pickering & Chatto, 1894.

The Ancient History of the Egyptians, Carthaginians, Assyrians, Babylonians, Medes and Persians, Grecians, and Macedonians Charles Rollin, James Bell, 1841. *With Alexander in India and Central Asia* Claudia Antonetti, P. Biagi, 2017-06-30 Alexander conquered most parts of the Western World but there is a great deal of controversy over his invasion of India, the least known of his campaigns. In BC 327 Alexander came to India and tried to cross the Jhelum river for the invasion but was then confronted by King Porus who ruled an area in what is now the Punjab. According to Indian history he was stopped by Porus at his entry into the country but most of the world still believes that Alexander won the battle. Fearing the prospect of facing other large armies and exhausted by years of campaigning, Alexander's army mutinied at the Hyphasis River, refusing to march farther east. This river thus marks the easternmost extent of Alexander's conquests. Twelve papers in this volume examine aspects of Alexander's Indian campaign, the relationship between him and his generals, the potential to use Indian sources and evidence for the influence of policies of Alexander in neighboring areas such as Iran and Russia.

Alexander's Heirs Edward M. Anson, 2014-07-14 *Alexander's Heirs* offers a narrative account of the approximately forty years following the death of Alexander the Great during which his generals vied for control of his vast empire and through their conflicts and politics ultimately created the Hellenistic Age. Offers an account of the power struggles between Alexander's rival generals in the forty-year period following his death. Discusses how Alexander's vast empire ultimately became the Hellenistic World. Makes full use of primary and secondary sources. Accessible to a broad audience of students, university scholars, and the educated general reader. Explores important scholarly debates on the Diadochi.

A Companion to Alexander Literature in the Middle Ages David Zuwiyya, 2011-07-27 Never before has there appeared in English such a collection of essays concerning Alexander the Great's legacy in world literature. From Greek and Latin works of the Classical Period through Medieval texts in Syriac, Persian, Coptic, Arabic, Ethiopic, and Hebrew, as well as the European languages, the fourteen chapters cover the gamut of Alexander literary studies as compiled by some of the foremost scholars in each field, bringing the reader up to date on everything Alexander. These experts share their results after years of investigation in the field and in doing so point the reader toward the essence of each of the myriad of Alexander romances while at the same time including copious notes and bibliography to prepare the reader for his or her own Alexander journey. Contributors include Richard Stoneman.

Who's Who in the Age of Alexander and his Successors Waldemar Heckel,2021-06-30 A unique compilation of more than one thousand concise biographies of those involved in the campaigns of Alexander the Great and the struggle for power after his death From leading commanders in Alexander s army to the nobles of the Persian Empire and the many other individuals he encountered throughout his life and reign these complete and balanced biographies are drawn from the literary and epigraphic sources of the age First published in 2006 this version has been expanded and substantially revised to widen the human and political landscape in which Alexander moved The only work of its kind this is an essential guide to a fascinating and pivotal historical era and to one of history s most successful military commanders

Studies in the Islamic Arts of the Book Robert Hillenbrand,2012-12-31 The studies collected in this volume some of them rather difficult of access date mostly from the last fifteen years and focus primarily on Persian book painting of the 14th to the early 16th centuries In this period Iran dominated the art of book painting in the Islamic world The articles reprinted here examine various aspects of this the golden age of Persian painting They range from the period of Mongol rule when the impact of Far Eastern themes and modes radically transformed the heritage bequeathed to Iran by Arab painting a textbook case of the clash of civilisations to the dawn of the modern era and the swansong of the classical style of Persian painting under the early Safavids Yet other articles focus on the roots of book painting in the themes and styles developed in painted ceramics on medieval Qur anic calligraphy on bookbinding and on the remarkably original variations played on the hitherto hackneyed theme of the figural frontispiece by Arab painters Two major leitmotifs are explored in this selection of essays One is provided by the constantly varying interpretations of the Shahnama The Book of Kings the Persian national epic and especially the tendency of painters to interpret this familiar text in terms of contemporary politics The other is the interplay of text and image which highlights the tendency of painters to strike out on their own and to leave the literal text progressively further behind while they develop plots and sub plots of their own These enquiries are set within the context of a concerted effort to explore in detail how Persian painters achieved their most spectacular visual effects In its combination of general surveys and closely focused analyses of individual manuscripts this collection of articles will be of interest to specialists in book painting and in Islamic art as a whole

Alec The Great 1st Edition Introduction

In the digital age, access to information has become easier than ever before. The ability to download Alec The Great 1st Edition has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Alec The Great 1st Edition has opened up a world of possibilities. Downloading Alec The Great 1st Edition provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Alec The Great 1st Edition has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Alec The Great 1st Edition. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Alec The Great 1st Edition. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Alec The Great 1st Edition, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Alec The Great 1st

Edition has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
