ULYSSES

# Allusions In Ulysses An Annotated List

**Mary Lawton**

## **Allusions In Ulysses An Annotated List:**

**Allusions in Ulysses** Weldon Thornton, 1968 This comprehensive list of allusions found in James Joyce's modern classic *Ulysses* is in itself a classic and is a feat of literary scholarship of unprecedented magnitude. In brief, this book is a copiously annotated list of Joyce's allusions in such areas as literature, philosophy, theology, history, and the fine arts. So awesome an undertaking would not have been possible without the prior work of such persons as Stuart Gilbert, Joseph Prescott, William York Tindall, M. J. C. Hodgart, Mabel Worthington, and many others. But the present list is more than a compilation of previously discovered allusions; for it contains many allusions that have never been suggested before, as well as some that have only been partially or mistakenly identified in earlier publications. In preparing this work, the author has kept its usefulness to the reader foremost in mind. He often refreshed the reader's memory in concerning the context of an allusion, since its context in one sense or another is always the guide to its function in the novel. The entire list is fully cross-referenced and keyed by page and line to both the old and new Modern Library editions of *Ulysses*. In addition, the index is prepared in such a way that it indexes not only the List but also the novel itself. The purpose of allusion in a literary work is essentially the same as that of all other types of metaphor: the development and revelation of character, structure, and theme, and when skillfully used, it does all of these simultaneously. Joyce's use of allusion is distinguished from that of other authors not by its purposes but by its extent and thoroughness. *Ulysses* involves dozens of allusive contexts, all continually intersecting, modifying, and qualifying one another. Here again, Joyce's uniqueness and complexity lie not in his themes or characters nor in his basic methods of developing them, but in his accepting the challenge of an Olympian use of his chosen methods. The value of this volume to Joyce scholars and students is obvious; however, its usefulness to anyone who reads *Ulysses* is as great, if not greater. It can truly be the key to this difficult but rewarding novel. *Allusions in Ulysses* Weldon Thornton, 1968 **New Alliances in**

**Joyce Studies** Bonnie Kime Scott, 1988 Essays initially presented in less formal versions as independent papers at the James Joyce Conference held in Philadelphia in June 1985. **Introd** **Nordic Joyce** Mary Lawton, 2024-07-22 This book compares the interrelationship of Irish writer James Joyce's literary works and specific Nordic literature in translation, employing an onomastic and etymological framework. It elucidates the importance of these frequent Scandinavian associations and how they inform and shape his literary work. The development of Joyce's work shows a sustained interest in contemporary Nordic and Old Norse medieval literature. By analysing Joyce's works and paratexts alongside a cross-section of important texts: *Dubliners* 1907 with Hans Christian Andersen's *Lykkens Kalosker* *The Goloshes of Fortune* and *Den Lille Havfrue* *The Little Sea Maid* *Exiles* 1914 with Henrik Ibsen's *When We Dead Awaken* 1899 and specific medieval writing: Old Norse sagas and poetry with Joyce's critical essays and later works including *Ulysses* and *Finnegans Wake*, this book shows that Joyce's use of Nordic material in his writing constitutes a more extensive set of connections than previously thought. [A Companion to James Joyce](#) Richard Brown, 2013-06-06 *A Companion to James Joyce* offers a unique composite overview and analysis of

Joyce's writing his global image and his growing impact on twentieth and twenty first century literatures Brings together 25 newly commissioned essays by some of the top scholars in the field Explores Joyce's distinctive cultural place in Irish British and European modernism and the growing impact of his work elsewhere in the world A comprehensive and timely Companion to current debates and possible areas of future development in Joyce studies Offers new critical readings of several of Joyce's works including *Dubliners* *A Portrait of the Artist as a Young Man* and *Ulysses* **James Joyce and the Arts**, 2020-04-20 Joyce's art is an art of idiosyncratic transformation revision and recycling More specifically the work of his art lies in the act of creative transformation the art of the paste that echoes Ezra Pound's urge to make it new The essays in this volume examine various modalities of the Joycean aesthetic metamorphosis be it through the prism of Joyce engaging with other arts and artists or through the prism of other arts and artists engaging with the Joycean aftermath We have chosen the essays that best show the range of Joycean engagement with multiple artistic domains in a variety of media Joyce's art is multiform and protean influenced by many it influences many others **Proust, Mann, Joyce in the Modernist Context, Second Edition** Gerald Gillespie, 2010-09 Gillespie belongs to an endangered scholarly species that of the real comparatists *Comparative Literature* **Modernism and Food Studies** Jessica Martell, Adam Fajardo, Philip Keel Geheber, 2019-01-09 As the first book length study to bring the fields of modernism and food studies together *Modernism and Food Studies* anchors the burgeoning field of modernist food studies This volume collects theoretically and methodologically diverse essays that investigate modernist representations of food broadly treated in phases from production to distribution and consumption By exploring the profound relationship between modernist aesthetics and the new food cultures of modernity *Modernism and Food Studies* uncovers new links between seemingly disparate spaces cultures and artistic media in a globalizing world **The Knights of Modernism** Branko Vraneš, 2021-06-07 According to the customary literary historical and theoretical notion the fact that the first modern novel represents a parody or travesty of the chivalric ideal merits no particular attention Failing to become attuned to the real role of the chivalric ideal at the beginning of the era of the modern novel commentators missed the chance to adequately review the role of chivalry at the end of that period The modern novel did not only begin but also ended with a travesty of the chivalric ideal The deep need of a significant number of modernist writers to measure their own time according to the ideals of the high and late Middle Ages cannot therefore be explained by a set of literary historical spiritual historical or social circumstances The predilection of a range of twentieth century novelists for a distant feudal past suggests that there exists a fundamental poetic connection between the modern or at least the modernist novel and the ideals of chivalry [James Joyce & the Perverse Ideal](#) David Cotter, 2003 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company *Annotations to Finnegans Wake* Roland McHugh, 2016-02-24 Long considered the essential guide to Joyce's famously difficult work Roland McHugh's *Annotations to Finnegans Wake* provides both novice readers and seasoned Joyceans with a wealth of information in an easy to use format

uniquely suited to this densely layered text Each page of the Annotations corresponds directly with a page of the standard Viking Penguin edition of *Finnegans Wake* and contains line by line notes following the placement of the passages to which they refer The reader can thus look directly from text to notes and back again with no need to consult separate glossaries or other listings McHugh's richly detailed notes distill decades of scholarship explicating foreign words unusual English connotations and colloquial expressions place names historical events song titles and quotations parodies of other texts and Joyce's diverse literary and popular sources The third edition has added material reflecting fifteen years of research including significant new insights from Joyce's compositional notebooks the Buffalo Notebooks now being edited for the first time

**The French Joyce** Geert Lernout, 1992 A major contribution to James Joyce studies as well as a historical review of the French intellectual climate since the 1960s

*Migrancy and Multilingualism in World Literature* K. Alfons Knauth, Ping-hui Liao, 2016 This volume the third in a series of four on the general issue of Multilingualism in World Literature is focused upon the relationship between Migrancy and Multilingualism including its aquatic terrestrial and globalizing imagery and ideology The cover picture *Wandering Tongues* an iconic translation of the book's title evokes one of the paradigmatic figures of migrancy and multilingualism the migrations of the early Mexican peoples and their somatic multi lingualism as represented in their glyphic scripts and iconography The volume comprises studies on the literary linguistic and graphic representation of various kinds of migrancy in significant works of African American Asian and European literature as well as a study on the literary archetype of human errancy the Homeric *Odyssey* mapped along its periplum and metamorphosis in world literature Ping hui Liao is Chuan Lyu Endowed Chair Professor and Head of Cultural Studies at the Literature Department of the University of California in San Diego USA K Alfons Knauth is Professor of Romance Philology at the Ruhr Universitaet Bochum Germany The introduction and five of the twelve chapters are in English the rest are in German French Italian and Spanish Series poethik polyglott Vol 3 Subject Literature

*Missed Understandings* José Lanfers, 2022-07-04

**Allusion and Meaning in John 6** Susan Hylen, 2012-02-14 Many interpreters read John 6 as a contrast between Jesus and Judaism Jesus repudiates Moses and manna and offers himself as an alternative In contrast this monograph argues that John 6 places elements of the Exodus story in a positive and constructive relationship to Jesus This reading leads to an understanding of John as an interpreter of Exodus who like other contemporary Jewish interpreters sees current experiences in light of the Exodus story This approach to John offers new possibilities for assessing the gospel's relationship to Jewish scripture its dualism and its metaphorical language

**Approaches to Ulysses** Thomas F. Staley, Bernard Benstock, 2010-11-23 Scholars of James Joyce offer critical analysis of his work *Ulysses* Five essays interpret the character of the novel four deal with the literary style of presentation the last focuses on the problems of translation Contributors Robert R Boyle S J David Hayman Richard M Kain Darcy O'Brien Weldon Thornton Erwin R Steinberg William M Schutte Fritz Senn H Frew Waidner and the editors

**James Joyce and Heraldry** Michael J.

O'Shea,1986-01-01 James Joyce and Heraldry demonstrates that heraldry is an essential key to the symbols of Joyce s major works It is a clear witty introduction to heraldry and the use of heraldic imagery by Western writers including Dante Chaucer Shakespeare Jonson and Sterne Michael O Shea shifts the focus from the aural imagery of Joyce to reveal the visual impact deriving from Joyce s use of the symbols and language of heraldry He cites biographical and textual evidence of Joyce s deep interest in coats of arms crests and other heraldic emblems and demonstrates that Joyce used these visual symbols as well as the curious jargons of heraldry in his writings O Shea succeeds in compiling an indispensable reference work that sheds new light on Joyce s major texts A Portrait of the Artist as a Young Man Ulysses and Finnegans Wake His commentary is thoroughly illustrated and includes a glossary of heraldic terms keyed to Joyce s usage of them *The Semiotics of Consumption* Morris B. Holbrook,Elizabeth C. Hirschman,2012-01-02 No detailed description available for The Semiotics of Consumption **Joyce and Wagner** Timothy Peter Martin,1991-12-12 Timothy Martin documents Joyce s exposure to Wagner s operas and defines a pervasive Wagnerian presence in his work **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

Eventually, you will unquestionably discover a further experience and attainment by spending more cash. yet when? accomplish you take that you require to get those all needs subsequent to having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will lead you to comprehend even more regarding the globe, experience, some places, subsequent to history, amusement, and a lot more?

It is your utterly own times to doing reviewing habit. among guides you could enjoy now is **Allusions In Ulysses An Annotated List** below.
