Almayers Folly Library Edition:

Routledge Library Editions: Joseph Conrad Various, 2021-09-30 Joseph Conrad 1857-1924 is widely considered one of the great modern writers in English literature. This 21-volume set contains titles originally published between 1976 and 1990 as well as a biography from 1957 written by one of his closest friends. The first 18 books are a set of concordances and indexes to Conrad's printed works which were part of a project directed by Todd K. Bender at the University of Wisconsin-Madison, USA, and are among the first attempts to use the power of computers to enhance our reading environment and assist in lexicography, scholarly editing, and literary analysis. The set also contains a meticulously compiled bibliography of writings on Joseph Conrad as well as an original and powerful analysis of his major work.

Routledge Library Editions: Romanticism Various, 2021-08-05 This set reissues 28 books on Romanticism originally published between 1940 and 2006. Routledge Library Editions: Romanticism provides an outstanding collection of scholarship which explores not only Romantic literature but the Romantic Movement as a whole, including art, philosophy, and science.

Routledge Library Editions: Redefining Politics **Routledge Library Editions: Political Science Volume 45** Adrian Leftwich, 2013-04-15 This book challenges conventional conceptions of politics which focus largely on the institutions of government and the associated struggles for power around them. It argues that politics is involved in all the activities of cooperation and conflict whereby people organize the use, production, and distribution of human, natural, and material resources. Found in all human groups, institutions, and societies, politics everywhere influences and reflects the structures of power, social organization, culture, and ideology. These central themes are illustrated by drawing on a wide range of societies, including the Kung hunter-gatherers, the pre-Columbian Aztecs, and the Pastoral Maasai, as well as modern Britain and Third World societies from Chile to China. Other examples of village communities, a typical university department, and the World Bank show how institutions may also be analyzed in terms of the definition of politics used here. It is equally central to the argument that many of the most critical problems occurring in societies can be attributed to their politics, and this theme is explored looking at such problems as poverty, famines, epidemics, violence, and unemployment in Britain and throughout the world.

A Printing History of Everyman's Library 1906-1982 Terry Seymour, 2011 The total number of Everyman's Library volumes that still survive somewhere in the world exceeds 70 million. Since the inception of the Library in 1906, nearly 1200 unique volumes have been published, constantly placing the world's greatest books before a large public. A few of these titles proved unpopular and were never reprinted. But most were reprinted dozens of times, packaged in numerous ways, and benefited from updated editorial work and book design over the last century. Terry Seymour has studied and researched every aspect of this great mass of books. He now captures and distills this knowledge in *A Printing History of Everyman's Library 1906-1982*. A critical feature, of course, is to update the various collecting factoids that have emerged since 2005 when his *Guide to Collecting Everyman's Library* was published. The meat of the new book, however, is the Bibliographical Entries section. Each volume that has ever been printed receives its own

entry detailing every printing each dust jacket variation any new introductions updated scarcity numbers and all relevant notes Typically an entry contains at least six lines of information but often much more In essence each entry is a story written exclusively about each volume Armed with this resource collectors and booksellers can know reliably everything about the Everyman's Library volume that sits on their shelf or is ready to be purchased or sold They will see how a book fits into the total printing history of that title and be able to describe and value the book with precision To further enhance the value of this book color images illustrate all of the key collecting points An extensive index of editors translators and artists is now included Not just a solo effort the Printing History has been vetted by other expert collectors ensuring greater accuracy and comprehensiveness

Conrad in Perspective Zdzisław Najder, 1997-11-13 Zdzisław Najder one of the world's leading authorities on Joseph Conrad and author of the major biography *Joseph Conrad A Chronicle* 1983 is widely acclaimed for his particular insights into Conrad's Polish background The fruits of thirty years of Conrad study appear in this landmark volume of his essays which explore a wide range of topics Conrad's national and cultural heritage his fictions from the unfinished *Sisters* and *Lord Jim* to *The Secret Agent* his attitude towards Russia in general and Dostoevsky in particular his concepts of man and society and the role of the idea of honour in his work In a series of more general essays Najder goes on to place Conrad's work within a broad European philosophical political and literary context *Conrad in Perspective* offers new insights into the life and work of one of the twentieth century's greatest novelists by one of his most perceptive critics

Joseph Conrad David J. Supino, 2022-08-13 David J. Supino traces in unprecedented detail the lineaments of Joseph Conrad's authorial career and the fortunes and misfortunes of his publishers on both sides of the Atlantic This work is a model of the integrative scholarly method combining close bibliographical scrutiny of particular textual artifacts with archival recovery of book historical information in as much detail as the surviving documents allow The book is essential reading not only for students of Conrad but also for all those who wish to understand the publishing history of this era

One Hundred Best Books John Cowper Powys, 2022-09-04 In *One Hundred Best Books* John Cowper Powys presents an impassioned and contemplative exploration of literary masterpieces that have shaped human thought and culture This critical work combines expansive literary analysis with personal reflection employing Powys s distinctive prose style that is both eloquent and accessible The book serves as a testament to the power of literature as Powys delves into the philosophical underpinnings and emotional resonances of each selected work providing rich context and insight into the minds of authors and their times expanding the conventional canon of literary greatness John Cowper Powys a prolific novelist essayist and philosopher was deeply influenced by his eclectic upbringing and the intellectual milieu of early 20th century Britain His passion for literature and philosophy is palpable throughout his writings and it is this fervor that drives his selections in *One Hundred Best Books* Powys s belief in the transformative nature of books reflects his desire to connect readers with the broader human experience illuminated through artistic expression This engaging compendium is essential reading for anyone who seeks a deeper understanding of literary heritage Powys s selections illuminated by his insightful commentary invite readers to reflect on their own literary journeys and appreciate the richness of the written word Whether you are a devoted bibliophile or an inquisitive newcomer this guide will inspire your exploration of the timeless works that have influenced our collective consciousness

The New Statesman , 1924 **Notes and Queries: a Medium of Inter-communication for Literary Men, Artists, Antiquaries, Genealogists, Etc** , 1895 *Conrad's Decentered Fiction* Johan Adam Warodell, 2022-03-17 Brings the vibrant details of Conrad s writing to the forefront for study and analyzes newly discovered artworks maps and manuscript pages

Victory Joseph Conrad, 2007-12-18 Set in the islands of the Malay Archipelago *Victory* tells the story of a disillusioned Swede Axel Heyst who rescues Lena a young English musician from the clutches of a brutish German hotel owner Seeking refuge at Heyst s remote island retreat on Samburan the couple is soon besieged by three villains dispatched by the enraged hotelier The arrival on the island paradise of this trio of fiends sets off a terrifying series of events that ultimately ends in catastrophe With *Victory* Conrad inaugurated a new style and aesthetic writes Peter Lancelot Mallios in his Introduction The tremendous literary sophistication to be found in *Victory* does not result in the exclusion of the popular reader The text of this Modern Library Paperback Classic was set from the first British edition published by Methuen Co in 1915

B.H. Blackwell B.H. Blackwell Ltd, 1939 **Book and Library Sales Catalogues** Sotheby & Co. (London, England), 1796 **Conrad in the Twenty-First Century** Carola Kaplan, Peter Mallios, Andrea White, 2005-01-15 This is a collection of original essays by leading Conrad scholars that rereads Conrad in

light of his representations of post colonialism of empire imperialism and of modernism questions that are once again relevant today *Catalogue of the General Assembly Library of New Zealand* New Zealand. Parliament. Library, General Assembly Library, 1897
