Journey from Heartache to Hope Elizabeth G. Danielsen, 2015-02-13 Witness Gods miraculous healing power Have you ever asked yourself if God still performs miracles Experience the remarkable stories of pain and grief that have been transformed to celebrations of joy in Christ Your spirit will be renewed by the faith of people in devastating situations that should rob them of happiness and comfort but instead bring strength and courage to their lives Travel the twisted road of grief with people who have experienced the suffering that life can bring and have discovered the path of healing In todays society grief is frequently swept aside to avoid awkward moments and cover our inability to cope Faith communities friends and family are often unprepared for the depth of pain that can be experienced and many in need of comfort do not receive it Journey from Heartache to Hope illustrates what is possible when people learn to rely on God to provide them with the arms of comfort He is the safe place for us to mourn grow and live our lives in peace Share in the journey of unbearable pain and you will be amazed at the glory of God You will be given the details usually reserved for the ears of the counselors who guide individuals through the complex tragedies that life can bring Feel the changes of the spirit and rejoice in the healing that only the Lord can provide Join us on the journey from heartache to hope

The Journey of Hope Patricia Hope, 2003-04-23 The Journey of Hope presents the authors struggles to uncover personal history long hidden by the Tennessee Childrens Home Society TCHS Beginning chapters describe why she was taken from her mother and handed over to Georgia Tann at TCHS in 1936 at the age of four Early memories include riding in the big black car that took her from Memphis to Odessa Texas to a family that added the name Patricia and gave her a new life In 1987 she decides to confront her past and search for her birth parents and the truth behind her legal abduction and illegal adoption What she discovers is both joyous and harrowing She tells of the process of finding siblings and visiting the graves of her parents and Tann Her work discusses her rejuvenated commitment to God and faith and how she forgave Tann who sold children for profit and the judge that facilitated her efforts Crafted from personal experiences this is a moving account that has a strong authorial voice that resonates throughout The work is confidently written drawing the reader into the fabric of the story The pain and emotion is

An Unusual Journey Janet Tice Lange,2015-11-10 A group of 8 children siblings and cousins a few in their early teens experience many adventures as they travel across the United State in a very unique vehicle New York City provides excitement as the children manage to antagonize a ferocious street gang resulting in police chases and narrow escapes The youngsters also spend time searching for and finally finding a heirloom ring which they've learned has been hidden by a relative in one of the Indian exhibits at the Museum of Natural History As a result they arouse the suspicion of the security guards who spy on the youngsters and finally send them fleeing Mishaps occur in other states as well and as they travel these children learn about and thus become interested in various cultures They even discover what it would be like to live in an apartment house in a large city The children are inspired by the beauty and natural wonders of our world and so one writes poetry and others paint pictures of the locations that have impressed them the most Touring historical sites spikes their interests in history and geography So some pursue their studies and help encourage the others do so as well Because of their concern for others these youngsters help a number of people that they meet while on their journey

Hope's Horizon Chip Ward,2013-04-10 At a time of widespread environmental pessimism **Hope's Horizon** goes on an inspirational offensive In this entertaining and thought

provoking book author Chip Ward tells of his travels among a new generation of activists who are moving beyond defensive environmental struggles and advocating pioneering proactive strategies for healing the land Chip Ward's three year odyssey took him behind the scenes of efforts to reconnect fragmented habitats and rewild the North American continent the campaign to drain Lake Powell and restore Glen Canyon to its natural state and the struggle to keep nuclear waste off Western Shoshone ancestral lands and ultimately to abolish all nuclear power and weapons These movements and the practical visionaries leading them challenge readers with a new paradigm in which land is used in a spirit of collaboration with natural systems rather than domination of them Broad in its sweep Hope's Horizon uses its topical subjects as springboards for exploring how we can redefine our place in the world while restoring damaged habitats replenishing lost diversity and abandoning harmful technologies Lively literate and free of the grimness that characterizes so much environmental writing Hope's Horizon will change the way readers see the world It makes complicated concepts and issues accessible and wild ideas compelling And while the book's starting point is a hard nosed indictment of humanity's failed stewardship of the earth the stories that follow tell of catalytic optimism and ecological wisdom in the face of self destructive habit and blind pride

Journey of Hope Kenneth C. Barnes, 2005-10-12 Liberia was founded by the American Colonization Society ACS in the 1820s as an African refuge for free blacks and liberated American slaves While interest in African migration waned after the Civil War it roared back in the late nineteenth century with the rise of Jim Crow segregation and disfranchisement throughout the South The back to Africa movement held great new appeal to the South's most marginalized citizens rural African Americans Nowhere was this interest in Liberia emigration greater than in Arkansas More emigrants to Liberia left from Arkansas than any other state in the 1880s and 1890s In Journey of Hope Kenneth C Barnes explains why so many black Arkansas sharecroppers dreamed of Africa and how their dreams of Liberia differed from the reality This rich narrative also examines the role of poor black farmers in the creation of a black nationalist identity and the importance of the symbolism of an ancestral continent Based on letters to the ACS and interviews of descendants of the emigrants in war torn Liberia this study captures the life of black sharecroppers in the late 1800s and their dreams of escaping to Africa
