Jones, 2004-04-05 Larry W Jones has written over 3 500 song lyrics with island based themes Most are in the style of the hapa haole return to paradise tradition of the golden years of Territorial Hawaii Volume 7 title page verso **Hawaii's Kona Coast** Bryan Fryklund, 2011-01-09 Kona is the heart of the sunny side of the Big Island It's a historic region promising balmy weather white sand beaches Kona coffee country tropical flowers and trees fantastic snorkeling and diving and countless other adventure opportunities Hualalai an 8 271 foot dormant volcano towers above it all Three distinct areas comprise the Kona district North Kona South Kona and the big city of Kailua Kona The bustling commercial hub was the capital of Hawaii from 1812 to 1819 when King Kamehameha the Great lived out his life at Ahu ena Heiau near the Kailua Pier Nearby Hu **From Fair Hawaiiland** Patrick Maurice McMahon, 1901 Potent Mana Wende Elizabeth Marshall, 2012-01-02 Brilliantly

elucidating and weaving together the forces of indigenous sovereignty colonialism and personal health Potent Mana offers a uniquely holistic and intimate portrait of the long term effects of colonialism on an indigenous people the k naka maoli Native Hawaiians An ethnographic exploration based on fifteen months of research the book moves the conversation on the dangerous effects of colonialism forward by exploring the theories and practices of Native Hawaiians engaged in decolonization Decades of substance abuse mental illness depression language loss and the concomitant dispossession from sacred lands have accompanied colonialism Consequently healing both mental and physical are essential to decolonization and indigenous sovereignty in twenty first century Hawai i Native Hawaiian run treatment centers and clinics more than political rallies are centers for healing and decolonization on O ahu today The effects of colonialism and the measures taken to counter and move beyond it as Wende Marshall convincingly argues do not take place solely on a supralocal level but shatteringly involve the physical and emotional well being of real individuals Becoming decolonized is about overcoming the shame of colonialism and requires a process of remembering the traditions of ancestors and reinterpreting and rewriting histories that have only been told from a colonial point of view Decolonization is an indigenous perspective and an understanding that health was impossible without political power and cultural integrity **Reports on the Stepping Or**

Discipline Mill, at the New-York Penitentiary Stephen Allen,1823 Linguistic and Cultural Innovation in Schools Jane Spiro,Eowyn Crisfield,2018-01-02 This book presents case studies of five schools engaged in radical change in order to engage with children s home languages and cultures in a more multilingual and inclusive way Located around the globe from Hawaii to Kenya the case studies are informed by both researchers and professionals on the ground While the schools in question are each anchored in a unique context and situation they also have a common mission to see language diversity as a resource and a responsibility to embrace all the languages of their pupils The authors offer a rich resource for education professionals and policymakers including not only theoretical insights but useful practical tips This innovative volume will be a helpful resource for educational professionals interested in following a path of multilingualism as well as students and scholars of second language acquisition heritage languages and cultures and multilingual educational policy *The Voices of Eden* Albert J. Schütz,1995-01-01 How did outsiders first become aware of the Hawaiian language How were they and Hawaiians able to understand each other How was Hawaiian recorded and analyzed in the early decades after European contact Albert J Schutz provides illuminating answers to these and other questions about Hawaii s postcontact linguistic past The result is a highly readable and accessible account of Hawaiian history from a language centered point of view The author also provides readers with an exhaustive analysis and critique of nearly every work ever written about Hawaiian **A Dictionary of Hawaiian Legal Land-Terms** Native Hawaiian Legal Corporation,1995-01-01 A Dictionary of Hawaiian Legal Land Terms is the first reference book of its kind to compile organize and explain critical information needed for the accurate translation and interpretation of nineteenth century Hawaiian land conveyance documents Neither life long residents nor

recent newcomers should minimize the influence of Hawaii's unique history on the developments taking place in the state today. Yet for decades the study and translation of century-old documents, Royal Patents, Land Commission Awards, and deeds to name a few, have been hampered by the lack of a comprehensive research tool. Now in a single volume, readers have an overview of commonly used words and phrases, survey practices, and documents that were recorded in Hawaiian before the turn of the century. The book also includes Hawaii's appellate cases that have defined such terms. With the publication of *A Dictionary of Hawaiian Legal Land Terms*, both professionals and non-professionals, Hawaiians and non-Hawaiians, have gained a valuable key to unlocking and understanding the past.

Hawaiian Dictionary Mary Kawena Pukui, Samuel H. Elbert, 1986-03-01. For many years *Hawaiian Dictionary* has been the definitive and authoritative work on the Hawaiian language. Now this indispensable reference volume has been enlarged and completely revised. More than 3,000 new entries have been added to the Hawaiian-English section, bringing the total number of entries to almost 30,000 and making it the largest and most complete of any Polynesian dictionary. Other additions and changes in this section include a method of showing stress groups to facilitate pronunciation of Hawaiian words with more than three syllables; indications of parts of speech; current scientific names of plants; use of metric measurements; additional reconstructions; classical origins of loan words; and many added cross-references to enhance understanding of the numerous nuances of Hawaiian words. The English-Hawaiian section, a complement and supplement to the Hawaiian-English section, contains more than 12,500 entries and can serve as an index to hidden riches in the Hawaiian language. This new edition is more than a dictionary. Containing folklore, poetry, and ethnology, it will benefit Hawaiian studies for years to come.

Catalog of Copyright Entries, 1976-07 **One Summer** Blanche Willis Howard, 1877

The Oxford Handbook of Indigenous American Literature James Howard Cox, Daniel Heath Justice, 2014. Over the course of the last twenty years, Native American and Indigenous American literary studies has experienced a dramatic shift from a critical focus on identity and authenticity to the intellectual, cultural, political, historical, and tribal nation contexts from which these Indigenous literatures emerge. *The Oxford Handbook of Indigenous American Literature* reflects on these changes and provides a complete overview of the current state of the field. The Handbook's forty-three essays, organized into four sections, cover oral traditions, poetry, drama, non-fiction, fiction, and other forms of Indigenous American writing from the seventeenth through the twenty-first century. Part I attends to literary histories across a range of communities, providing, for example, analyses of Inuit, Chicana/o, Anishinaabe, and M'is literary practices. Part II draws on earlier disciplinary and historical contexts to focus on specific genres as authors discuss Indigenous non-fiction, emergent trans-Indigenous autobiography, Mexican and Spanish poetry, Native drama in the U.S. and Canada, and even a new Indigenous children's literature canon. The third section delves into contemporary modes of critical inquiry to expound on politics of place, comparative Indigenism, trans-Indigenism, Native rhetoric, and the power of Indigenous writing to communities of readers. A final section thoroughly explores the geographical breadth and expanded definition of

Indigenous American through detailed accounts of literature from Indian Territory the Red Atlantic the far North Yucat n Amerika Samoa and Francophone Quebec Together the volume is the most comprehensive and expansive critical handbook of Indigenous American literatures published to date It is the first to fully take into account the last twenty years of recovery and scholarship and the first to most significantly address the diverse range of texts secondary archives writing traditions literary histories geographic and political contexts and critical discourses in the field **Kū Kanaka—Stand Tall** George S. Kanahele,2021-05-25 Outstanding thinkers of the Western world are pulled into his creation adding luster interest and academic panache to this highly readable book

Obama - President & Kahuna? Erich J. Kreutzer , This book is no political book It explains in its first part the ancient Polynesian traditions of Huna and its Seven Principles Ho oponopono Ohana Talk Story and Dragon Dreaming and shows how to use them in our modern times In its second part it raises the question if President Obama can be seen as a Kahuna an expert in his field Not only because of his Hawaiian descent but also because of using consciously or unconsciously many elements of the Polynesian traditions in his speeches and books Kreutzer has analyzed Obama s books and more than forty speeches by Barack Obama He relates the results to the Seven Huna Principles Ho oponopono Ohana Dragon Dreaming and other Polynesian elements and shows that Barack Obama embodies a new type of leader The book illustrates that words and messages stripped bare of political meanings and brought into right context are timeless and can better our lives families communities and our entire world if we only would listen **The**

Reindeer Chronicles Judith D. Schwartz,2020-08-19 In a time of uncertainty about our environmental future an eye opening global tour of some of the most wounded places on earth and stories of how a passionate group of eco restorers is leading the way to their revitalization Award winning science journalist Judith D Schwartz takes us first to China s Loess Plateau where a landmark project has successfully restored a blighted region the size of Belgium lifting millions of people out of poverty She journeys on to Norway where a young indigenous reindeer herder challenges the most powerful orthodoxies of conservation and his own government And in the Middle East she follows the visionary work of an ambitious young American as he attempts to re engineer the desert ecosystem using plants as his most sophisticated technology Schwartz explores regenerative solutions across a range of landscapes deserts grasslands tropics tundra Mediterranean She also highlights various human landscapes the legacy of colonialism and industrial agriculture and the endurance of indigenous knowledge The Reindeer Chronicles demonstrates how solutions to seemingly intractable problems can come from the unlikelyst of places and how the restoration of local water carbon nutrient and energy cycles can play a dramatic role in stabilizing the global climate Ultimately it reveals how much is in our hands if we can find a way to work together and follow nature s lead

Our Hawaii: Islands and islanders Charmian London,2006-01-01 Once upon a time only the other day when jovial King Kalakaua established a record for the kings of earth and time there entered into his Polynesian brain as merry a scheme of international intrigue as ever might have altered the destiny of races and places The time was 1881 the place of the intrigue

the palace of the Mikado at Tokio The record must not be omitted for it was none other than that for the first time in the history of kings and of the world a reigning sovereign in his own royal person put a girdle around the earth The intrigue It was certainly as international as any international intrigue could be Also it was equally as dark while it was precisely in alignment with the future conflicting courses of empires Manifest destiny was more than incidentally concerned When the manifest destinies of two dynamic races move on ancient and immemorial lines toward each other from east to west and west to east along the same parallels of latitude there is an inevitable point on the earth's surface where they will collide In this case the races were the Anglo Saxon represented by the Americans and the Mongolian represented by the Japanese The place was Hawaii the lovely and lovable beloved of countless many as Hawaii Nei Kalakaua despite his merriness foresaw clearly either that the United States would absorb Hawaii or that allied by closest marital ties to the royal house of the Rising Sun Hawaii could be a brother kingdom in an empire That he saw clearly the situation to day attests Hawaii Nei is a territory of the United States There are more Japanese resident in Hawaii at the present time than are resident other nationalities not even excepting the native Hawaiians The figures are eloquent In round numbers there are twenty five thousand pure Hawaiians twenty five thousand various Caucasians twenty three thousand Portuguese twenty one thousand Chinese fifteen thousand Filipinos a sprinkling of many other breeds an amazing complexity of intermingled breeds and ninety thousand Japanese And most amazingly eloquent of all statistics are those of the race purity of the Japanese mating In the year 1914 the Registrar General is authority for the statements that one American male and one Spanish male respectively married Japanese females that one Japanese male married a Hapa Haole or Caucasian Hawaiian female and that three Japanese males married pure Hawaiian females When it comes to an innate antipathy toward mongrelization the dominant national in Hawaii the Japanese proves himself more jealously exclusive by far than any other national Omitting the records of all the other nationals which go to make up the amazing mongrelization of races in this smelting pot of the races let the record of pure blood Americans be cited In the same year of 1914 the Registrar General reports that of American males who intermingled their breed and seed with alien races eleven married pure Hawaiians twenty five married Caucasian Hawaiians three married pure Chinese four married Chinese Hawaiians and one married a pure Japanese To sum the same thing up with a cross bearing in the same year 1914 of over eighteen hundred Japanese women who married only two married outside their race of over eight hundred pure Caucasian women who married over two hundred intermingled their breed and seed with races alien to their own Reduced to decimals of the females who went over the fence of race to secure fathers for their children 25 of pure Caucasian women were guilty 0014 of Japanese women were guilty in vulgar fraction one out of four Caucasian women one out of one thousand Japanese women
