

The background of the entire image is a large-scale artwork. It features a series of concentric, hand-painted green circles that create a tunnel-like effect, drawing the viewer's eye towards a bright, circular opening in the distance. Within this opening, three small, golden figures are visible. In the lower right foreground, two more golden figures are depicted: one appears to be a cherub or angel with wings, and the other is a smaller figure, possibly a child or a smaller angel, both looking towards the central light. The overall color palette is dominated by various shades of green, from dark forest green to a pale, almost white light at the center.
