ALTERNATIVE FUTURES FOR RURAL SPECIAL EDUCATION U. S. COUNCIL ON RURAL SPECIAL. EDUCATION,2018

The Bilingual Special Education Interface Leonard Baca,1989 *Public Policy, School Reform, and Special Education*

Jim Ysseldyke,Bob Algozzine,2006-03-24 An informative look at the factors that influence special education policies and practices Education in the United States is driven by excellence and equity for all students There is a tenuous balance however between society s desire to provide special education services and its ability to pay for them Authors Jim Ysseldyke and Bob Algozzine examine the current educational landscape focusing on the delivery of cost effective quality services to exceptional students Public Policy School Reform and Special Education demonstrates how and why special education services are driven more by social political and economic factors than by actual changes in education and the ways in which society s values and beliefs affect the distribution of limited resources Special features include Key vocabulary terms Case studies illustrating how social political and economic factors work together to affect special education practices A pretest and posttest to help readers assess their understanding of school reform and restructuring Helpful books articles and organizations for further research and support **Early Childhood Special Education with Emphasis on Curricula**

,1987 **Special Education** James E. Ysseldyke,Robert Algozzine,1995 This volume highlights major concepts in special education from disability categories identification issues and IEPs to appropriate learning environments and the roles general and special educators play The authors provide an overview of the field of special education provide fundamental information on definitions and terms commonly used in the field they describe characteristics commonly associated with people who receive special education and we provide in depth coverage of tactics effective teachers use to make educational experiences more successful for students with those characteristics This work introduces laws and legal cases affecting the delivery of special education services and the full range of settings in which those services are delivered and the principles of assessment and instruction that promote effectiveness in providing the services
