Robert Altman Robert Altman, 2000-01-01 Robert Altman is one of the most inventive unpredictable and hotly debated American filmmakers of the past thirty years His movies include popular hits *M A S H* *Nashville* critical successes *Thieves Like Us* *The Long Goodbye* *Short Cuts* and outright disasters *Beyond Therapy* Through triumph and tribulation alike Altman has never lost the experimental spirit that brought him into feature filmmaking after twenty years of refining his talent on industrial movies and TV episodes He also has maintained a gregarious often garrulous nature rarely missing an opportunity to discuss his work life and ambitions with the many critics and scholars who have plied him with questions throughout his career The lively interviews in this book drawn from a wide variety of sources range from a colorful talk with Altman as he prepared an early foray into the western genre *McCabe and Mrs Miller* to a mid 1990s conversation about the challenges of blending jazz

and cinema in Kansas City The interviews probe the many corners of Altman's work including his epic battles with Hollywood studios and producers his deep commitment to independent production his creative views on video and stage to screen adaptation a major facet of his career and his insistence that he is more an audiovisual artist than a storytelling entertainer Altman's conversations cast light on his idiosyncratic personality revealing his taste for intoxicating experiences both on and off the screen and suggesting links between his risk taking behaviors at the gambling table and the motion picture set This collection of interviews is a first person portrait of a true American maverick whose freewheeling career has waged a decades long campaign against Hollywood complacency and served as inspiration for new generations of independent screen artists David Sterritt has been film critic for The Christian Science Monitor since 1968 He is an associate professor of film at Long Island University and the editor of Jean Luc Godard Interviews University Press of Mississippi

production and critical reception of each of his films Robert Altman and the Elaboration of Hollywood Storytelling Mark Minett, 2021 Robert Altman and the Elaboration of Hollywood Storytelling reveals an Altman barely glimpsed in previous critical accounts of the filmmaker This re examination of his seminal work during the Hollywood Renaissance or New Hollywood period of the early 1970s including *M A S H* *Brewster McCloud* *McCabe* *Mrs Miller* *Images* *The Long Goodbye* *Thieves Like Us* *California Split* and *Nashville* sheds new light on both the films and the filmmaker reframing Altman as a complex pragmatic innovator whose work exceeds but is also grounded in the norms of classical Hollywood storytelling rather than someone who rejected those norms in favor of modernist art cinema Its findings and approach hold important implications for the study of cinematic authorship Largely avoiding thematic exegesis it employs an historical poetics approach robust functionalist frameworks archival research and formal and statistical analysis to demystify the essential features of the standard account of Altman s filmmaking history and profile lax narrative form heavy reliance on the zoom sound design replete with overlapping dialogue improvisational infidelity to the screenplay and a desire to subvert based in his time in the training grounds of industrial filmmaking and filmed television The book provides a clear example of how a filmmaker might work collaboratively and pragmatically within and across media institutions to elaborate upon their sanctioned practices and aims We misunderstand Altman s work and the creative work of Hollywood filmmakers in general when we insist on describing innovation as opposition to institutional norms and on describing those norms as simply assimilating innovation Steven Altman, Esq.: Securities and Exchange Commission Decision , **In the Nick of Time -**

The Autobiography of John Altman, EastEnders' Nick Cotton John Altman, 2016-06-30 From the moment he exploded onto our screens in 1985 as Nasty Nick Cotton uttering the infamous phrase Alright Ma John Altman changed the face of TV villains for good As one of the show s original cast members he is much admired for his role as the leather jacketed chain smoking son of Dot Cotton in the long running BBC soap *EastEnders* a role that spanned thirty years Since appearing in the very first episode he has been at the heart of the show his character central to many famous storylines to the extent that he was also given his own spin off episode *The Return of Nick Cotton* in 2000 But there is far more to John s story than Nick Cotton This searingly honest autobiography traces the colourful childhood of a desperately shy and art loving boy growing up in a loving household where he was encouraged to follow his dreams But there was always something pulling him to test the boundaries as a teenager he managed to get himself arrested on suspicion of drug possession on the way back from a gap year in India and the experimentation didn t stop there Yet for all the tales of acting in film theatre and television and the people he has known and worked with there was once a darker side to John s story For it was the descent into alcoholism that was to test him the most It cost him his marriage and almost his sanity even while his own battle with his demons allowed him to shape Nick Cotton into one of the most memorable soap characters of our times Now for the first time John tells it as it is in his own inspiring words the highs and the desperate lows and how finally he conquered his addiction for
