Always In My Mind:

GO WITH YOUR HEART NOT THE MIND DUANE THE GREAT WRITER, 2012-08-20 When a person goes with their Heart they are taking the risk into discovering their own Being Of course all most all of us go through some type of schooling which makes sense for the society in which we live but if we never take the risk to discover our Heart and Being then we continue on for many more unconscious lifetimes until we are ready to WakeUp But we definitely need RealGuidance to discover who we are and why we are here moreso than what can be found in any of the Literal Institutions Young children live with their Heart and not their head or mind as they have not been overly conditioned Nature and all the creatures in it are the same way as they are Being with Life and not working against it or trying to destroy it Of course none of us can destroy Life but we can create things that distort what Life has provided for us on the Earth The Reality Life IS is all about Becoming MoreAware from the Heart [www.DuaneTheGreatWriter.Info](#) *Coloured Spectacles* Frederick John Niven, 2022-08-10 Frederick John Niven's *Coloured Spectacles* a thought provoking 1938 publication offers readers a rich tapestry of autobiographical essays that brilliantly explores the interweaving of personal and historical narratives Within its pages Niven's finesse in storytelling is evident as he marries his intimate experiences with the broader strokes of Scottish and Canadian landscapes attributing a sense of romanticism that is characteristic of his work His literary style reflective eloquent and deeply nostalgic is pure indulgence for connoisseurs of classic regional and historical literature The contents span from the rugged terrains of Scotland to the expanse of North America creating a profound literary journey through time and space marked by Niven's unique perspective behind *Coloured Spectacles* A veteran of over thirty novels Frederick John Niven's authority as a regional novelist is unquestionable His Scottish Canadian heritage breathes life into his works and *Coloured Spectacles* is no exception Drawing upon his experiences that traverse continents and eras Niven presents his insights not just as an observer but as an active participant in the cultural interplay The essays in this book are a testament to his life's journey from the rugged beauty of Scotland to the pioneering spirit of Canada and serve as the foundation for his compelling narrative voice *Coloured Spectacles* is a delightful detour into the realms of history geography and the personal recollections of Frederick John Niven It is recommended not only for readers who are familiar with his novels but also for those who seek to understand the early 20th century through the lens of a sensitive and articulate observer Niven's book is a cultural artifact bridging his audience to the past with elegance and a vibrant palette of literary hues making it a must read for aficionados of introspective and historically enriched literature *De L'esprit, Or, Essays on the Mind, and Its Several Faculties* *Helvétius*, 1810 *It Is the Same Light* Daljit Singh Jawa, 2015-03-28 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the world's fifth largest religion But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints
