Hiding From Christmas MaryAnn Clarke,2022-06-23 Hiding from Christmas Off the Grid Christmas Book 1 He s been hiding from the world since he lost his family in a brutal attack She s just hiding from her family for the holidays What happens when they find each other Elle I couldn t face the piteous glances of my family over the holidays after my fianc Austin unceremoniously dumped me I was too tame too awkward too vanilla too risk averse Glad he took five years to figure that out I m devastated Humiliated And angry I told Mom I couldn t bear the thought of coming home for the holidays I d rather be alone Anything was better than their sympathy but my own company didn t promise to be any better That s why I jumped at the chance to visit my eccentric aunt Muriel in a remote village on the West coast of Mexico Joe No one would call my solitary life here uncomplicated but on the surface it s simple enough After seven years in exile I m used to my routine and my solitude though my grief walks beside me like a silent companion As much as I might like to go back to my old life I could never put the people I trust love and depend upon at risk Never again I m regularly reminded that the cost would be too high Especially this time of year when a cruel gift arrives from my nemesis My sixth Christmas alone in Mexico The anniversary of the date I lost everything I m expecting the package right on schedule But I m not expecting the clumsy beautiful bewildering blonde that crashes into my world and turns it inside out This book was previously published as part of the limited edition Secret Santa A Christmas Romance Collection charity anthology This version contains a brand new bonus epilogue

Why Are You Hiding, God? D. L. Seeker,2021-06-18 God why are you hiding You created me in this beautiful world and gave me five senses to explore it with but I can t find you with any of the five senses you gave me Trying to communicate with you is like using a sixth sense that I don t know how to use One day I just popped into this world and I can t see how it began and I can t see beyond death but I still believe someone beyond comprehension had to create this amazing world and me You must want me to find you please show me how I want your love more than I want anyone or anything else

Poetics of Naming George Melnyk, 2003-10-20 The Poetics of Naming is a fascinating blend of postmodern philosophy and mysticism that challenges our conventional view of language It begins with the narrator's discussion of a multi faceted identity based on his name's Because this identity is multi lingual and multi national its layering of the self leads to a confrontation with language The narrator asks what is the relationship between language and truth The formative power of language is great but what happens when we become languageless The book becomes an expression of a mystical experience the narrator calls poesis in which he stepped outside of language Expressing this experience of languagelessness through language is the paradox at the core of the book To achieve a simulation of languageless reality the author uses a variety of linguistic techniques that uproot meanings break up words and reconstruct terms in novel ways Through deconstruction the metaphoric structure of language is revealed This metaphoric structure is itself approached metaphorically so that the reader begins to sense the trap of a linguistic universe from which there is no escape The book is a literary exercise that simulates the author's poesis experience for the reader Eventually the flood of words on the page begins to go out of focus and dissolve as the reader approaches languagelessness The Poetics of Naming is not for the faint of heart It challenges its readers to move away from the comfortable universe of ordinary language and its meanings and enter a world where the boundaries crumble like digital illusions and limitlessness appears on the horizon of consciousness Poesis is frightening frustrating and liberating
