

'I AM FROM' POEM

I am from tangerine orange walls and shelves full of rummage sale treasures.

From a warm dance studio and ice cream sleepovers.

I am from a family who is always there at home, on stage, and after school.

and from being kind doesn't cost a thing.

I am from the sandy beaches of the Florida coast.

Whose feeling of waves stay with you long after you leave.

I am from homework and dinner in the car on the way to dance class.

And Tchaikovsky's music in my head all year long.

I am from Steve and Kathy.

and from meatloaf or chicken and rice for birthday meals.

I am from those moments when the night sky is pitch black and you see your first shooting star.

Am I Someone The Poetry:

Am I Someone (The Poetry) Allen Francis Foley, 2001-03-23 AM I SOMEONE The Poetry is best described as a communion of words written from the heart a place of truth The author may best be described as the Rod McKuen of the 90 s and beyond He plunges deep into self deep into glorious and painful memories and deep into a conscious unconscious life And then he begins all over again Here is one heart and one mind reaching out to touch the hearts and minds of others Dreams achieved through the words and emotions stirred through and through by never doubting he has loved Love had Love lost Love abused and misused And love the substance of miracles when all else fails in a world that seems so lost unto itself AM I SOMEONE The Poetry tells of life as an open invitation to cry to laugh to love to live and to die It s a connection with the emotions we all feel and hear A communion of life from the heart a place of truth **In This Poem I Am** Robin Skelton, 2007-10-30 In a country in which poetry has been largely private and apologetic Robin Skelton played the part of poet with grand style flowing beard mane of white hair rings on every finger huge amulet around his neck all topped off with a black hat that looked as if it came from a Venetian gondolier but was really picked up at the re enactment of a Cariboo Gold Rush era general store in Barkerville B C In this selection of his best verse there are poems of high and low art spells and prayers meditations shamanic maps and in the centre of the book messages those strange inspired gifts at the core of Skelton s art In making the selection for this volume editor Harold Rhenisch himself an accomplished poet has held to the image that Skelton s themes repeat like the ripples of water spreading out from a pebble dropped into a pool and has attempted to bring together the best ripple from each dropped pebble **The Poetry Life** Baron Wormser, 2014-11-01 Baron Wormser brings to life the immense force poetry can have in people s lives In stories funny tender sad and edgy the narrators register how poetry has changed how they see themselves how they live and what they care about As it bends genres by adapting aspects of fiction biography essay and monologue The Poetry Life shows how poetry can be lightning in the soul Baron Wormser has pulled off a miraculous feat he has written a collection of stories that reveals the absolute necessity of poetry in our lives His prose style is riveting and his characters are as diverse as a phone book Each voice conjures up a passionate portrait of inner life telling us through episodes both comic and tragic that the world of the deceased poet remains eternally relevant to our own Clint McCown author of The Weatherman A Novel Poetry Baron Wormser writes is about generosity So too are these ten stories you hold in your hands They are about generosity And mystery And loneliness And life They are about how poetry helps us stay in our skins You will fall in love with these stories and with the ten poets who appear in them What Baron Wormser says about William Carlos Williams I say about him here He nailed it Ann Hood author of The Knitting Circle A Novel A book of stories not about poets but driven by the presence of poetry and the shadows of poets madness undoubtedly But the best kind of madness With this book Baron Wormser invites us to reconsider the connection between poetry and our lives to remember that we really do live hungry for inner vision for small insights that can save us from the slag heap of
