Evidence and Religious Belief Kelly James Clark, Raymond J. VanArragon, 2011-07-28 A fundamental question in philosophy of religion is whether religious belief must be based on evidence in order to be properly held In recent years two prominent positions on this issue have been staked out evidentialism which claims that proper religious belief requires evidence and Reformed epistemology which claims that it does not Evidence and Religious Belief contains eleven chapters by prominent philosophers which push the discussion in new directions The volume has three parts The first part explores the demand for evidence some chapters object to it while others seek to restate it or find space for compromise between Reformed epistemology and evidentialism The second part explores ways in which beliefs are related to evidence that is ways in which the evidence for or against religious belief that is available to a person can depend on that person's background beliefs and other circumstances The third part contains chapters that discuss actual evidence for and against religious belief Evidence for belief in God includes the so called common consent of the human race and the way that such belief makes sense of the moral life evidence against it includes profound puzzles about divine freedom which suggest that it is impossible for a being to be morally perfect

The Complete Works of C. H. Spurgeon, Volume 52 Spurgeon, Charles H., Volume 52 Sermons 2968 3019 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon

of teaching made by knowledgeable adults who are naturally inclined to manifestly provide their cultural baggage to naïve conspecifics. The domain of transferable knowledge encompasses artifact functions, novel means, actions, first words, gestural symbols, social practices and rituals. This teaching process can be fast and efficient in virtue of a natural inclination possessed by infants to seek information and decode signals of ostensive communication. In this sense, the natural pedagogy represents as the two proponents György Gergely and Gergely Csibra claim a communicative system of mutual design specialized for the fast and efficient transfer of new and relevant cultural knowledge from knowledgeable to ignorant conspecifics. This book suggests that natural pedagogy utilises early belief attribution competences which are employed by infants in a variety of contexts to approach and navigate the social world. Therefore, the natural pedagogy in cooperation with the early mindreading system may represent one of the most efficient adaptive strategies to firmly create that deep Wittgensteinian nest of propositions which build cultural shared beliefs, structures to be relied upon and followed.
