Williams argues that the pursuit of the American Dream is a common yet fulfilling path. He guides you on a challenging and enlightening discovery process of who you really are and the inherent but hidden talents you possess. He demonstrates that these innate gifts offer the richest opportunities to reach your true potential. This is life's toolbox treasure, a fortune of wisdom left behind by life's great producers. It is the perfect gift. **Our Oldest Model For Success Needs An Upgrade**. **How Do I Reach My True Destiny** is the upgrade. Coach Williams presents a more authentic life approach: **Passion Directed**, where our careers and occupations are aligned with our passions and our inherent talents. Thus offering our best opportunity for greater fulfillment and success in our chosen professions. But the dilemma for most of us is we are unaware of our unique ability. We are all born with a special talent. You will learn how to **Develop An Authentic Vision for Life**. **Passion Directed Lifestyle**. **Deeper Understanding of Self**. **Self-Truth**. **Discover Your Unique Ability**. **Talents**. **Gifts**. **Gain Clarity**. **In Direction**. **Purpose**. **Significance**. **Confidently Acknowledge**. **Deep Goals**. **Dreams**. **Ambitions**. **Effectively Manage Failures**. **Obstacles and Unforeseen Challenges**. **Mental Toughness**. **Magic Johnson** Ellen Labrecque, 2007-08-01 Magic Johnson's fearlessness, courage and determination were evident whenever he stepped on the basketball court. Those same characteristics have also served him well in his off-the-court battle with HIV. Congressional Record United States Congress, 1993 *Still Positive* Julie Lewis, Jenny Koenig, 2023-05-23 One Woman's Journey of Advocacy, Faith and Positivity. You only have three to five years to live. On the day she was diagnosed with HIV and thrust from the confines of her suburban mom bubble into the scary and unpredictable world of AIDS, Julie promptly found herself fighting for her life and rights amidst a disease she never imagined would hijack her future. With three young children, her family began making every effort to create lasting memories while simultaneously managing the debilitating side effects of early meds. They hid her illness for four years, fearing her children would suffer stigma and discrimination often experienced in the early days of the disease. Her diagnosis began a path of advocacy, faith and positivity despite her life's detour. Now Julie advocates for better healthcare outcomes for women through the personal stories and reflections from her life. Her health journey creates space for those walking through their own family or medical crises to be seen and supported.
