June Bingham

Courage To Change An Introduction To The Life And Thought Of Reinhold Niebuhr:

Courage to Change June Bingham, 1993 Carefully researched and written with extraordinary vitality this biography of Reinhold Niebuhr reveals the man in all of his humanity warmth and charm as well as his intellectual prowess as a theological giant The author who knew Niebuhr well chronicles his career and contributions to ethics theology and political thought This classic is of enduring value to students of ethics philosophy and theology and political thought and to anyone anxious to grasp the essence of this foremost philosophical theologian of the 20th century Originally published by Charles Scribner s Sons in 1961 *Courage to Change* June Bingham, Clarence Darrow, 1988-01-01 *The Essential Reinhold Niebuhr* Reinhold Niebuhr, 1986-01-01 Theologian ethicist and political analyst Reinhold Niebuhr was a towering figure of twentieth century religious thought Now newly repackaged this important book gathers the best of Niebuhr s essays together in a single volume Selected edited and introduced by Robert McAfee Brown a student and friend of Niebuhr s and himself a distinguished theologian the works included here testify to the brilliant polemics incisive analysis and deep faith that characterized the whole of Niebuhr s life This fine anthology makes available to a new generation the thought of one of the most penetrating and rewarding of twentieth century minds Reinhold Niebuhr remains the great illuminator of the dark conundrums of human nature history and public policy Arthur Schlesinger Jr Sparkling gems brought from the shadows of history into contemporary light Beautifully selected and edited they show that Niebuhr s fiery polemics and gracious assurances still speak with power to us today Roger L Shinn An extremely useful volume David Brion Davis New York Review of Books This collection which brings together Niebuhr s most penetrating and enduring essays on theology and politics should demonstrate for a new generation that his best thought transcends the immediate historical setting in which he wrote Brown s introduction succinctly presents the central features of Niebuhr s life and thought Library Journal **Reinhold Niebuhr** Robin W. Lovin, 2007-09-01 Abingdon Pillars of Theology is a series for the college and seminary classroom designed to help students grasp the basic and necessary facts influence and significance of major theologians Written by major scholars these books will outline the context methodology organizing principles primary contributions and major writings of people who have shaped theology as we know it today Reinhold Niebuhr understood the tensions and complexities of the Christian Life His approach became to theology became known as Christian realism Through his life and work we can see the importance of paying attention to what is really happening and the witness we can make when we look at events with a wisdom shaped by a biblical understanding of history and human nature An excerpt from the Circuit Rider review In the face of recession and a troubled economy global warming and environmental peril war and the AIDS pandemic contemporary Christians would be well served to ponder again the work and witness of Reinhold Niebuhr His work urges Christians and the church to define and claim our voice in the public arena Faithful and prophetic witness rooted and grounded in true Christian hope are needed now more than ever We are grateful to Prof Lovin for this important contribution to the life of thoughtful

faith and faithful living [Click here to read the entire review](#) Reinhold Niebuhr Paul Merkley, 1975 This book examines Niebuhr's early career as a preacher in the movement known as Social Gospel his middle years as a writer and political activist in the context of American liberalism and socialism and his mature career as an oracle of the Vital Center against the background of the Cold War's effects on the American liberal consensus It concludes with an essay on Niebuhr's philosophy of history which it is argued contains those elements of his thought which will survive the inevitable lessening of his reputation as a political commentator and which will secure his distinction as one of America's few original philosophers

Publisher Niebuhr and His Age Charles C. Brown, 2002-02-01 Now available in paperback Niebuhr and His Age provides an extensively researched account of Reinhold Niebuhr and includes a foreword by Arthur M Schlesinger Jr **The Oxford Handbook of Reinhold Niebuhr** Robin Lovin, Joshua Mauldin, 2021 This authoritative Handbook features 38 chapters placing Reinhold Niebuhr 1892-1971 in his historical context to offer readers an appreciation of his insights and how he was received by his contemporaries **Professor Reinhold Niebuhr** Ronald H. Stone, 1992-01-01 Stone breaks new ground by providing a fresh survey of Reinhold Niebuhr as professor demonstrating that this vocation was central to Niebuhr's lifework This book reveals Niebuhr's passion for the development of an intellectually equipped socially concerned Christian ministry Stone was Niebuhr's last graduate assistant Bibliography Index *Reinhold Niebuhr and Psychology* Terry D. Cooper, 2009 Reinhold Niebuhr's analysis of the human condition inevitably led him into a dialogue with psychology This book brings Niebuhr into dialogue with Freud Horney Rogers Kohut Jung and other key psychological thinkers It argues that Niebuhr was both an astute critic of some forms of psychology and a great contributor to the human sciences **An Introduction to the Reformed Tradition** John H. Leith, 1981-01-01 A concise and readable study for laypersons and clergy alike this book is indispensable for all informed people in many different confessional communities With the passion of one who not only observes but believes John Leith touches on all aspects of Reformed history theology polity liturgy and Christian culture with a balance of enthusiasm and critical judgment that always rings true *Reinhold Niebuhr and Contemporary Politics* Richard Harries, Stephen Platten, 2010-03-25 When Barack Obama praised the writings of philosopher theologian Reinhold Niebuhr in the run up to the 2008 US Presidential Elections he joined a long line of top politicians who closely engaged with Niebuhr's ideas including Tony Benn Jimmy Carter Martin Luther King Jr and Dennis Healey Beginning with his early ministry amongst industrial workers in early twentieth century Detroit Niebuhr displayed a passionate commitment to social justice that infused his life's work Rigorously championing Christian Realism he sought a practically orientated intellectual engagement with the political challenges of his day His ideas on International Relations have also helped to shape debate amongst leading academic thinkers and policy makers In both Christian and secular contexts he continues to attract new readers today In this timely re-evaluation both critics and disciples of Niebuhr's work reflect on his notable contribution to Christian social ethics the Christian doctrine of humanity and the engagement of Christian thought with contemporary

politics The authors bring a wide range of expertise from both sides of the Atlantic indicating how a re evaluation of Niebuhr's thought can help inform contemporary debates on Christian social ethics and other wider theological issues The Theological Vision of Reinhold Niebuhr's "The Irony of American History" Scott R. Erwin, 2013-06-13 Reinhold Niebuhr remains at the center of a national conversation about America's role in the world and commentators with divergent political and religious positions draw upon his 1951 work *The Irony of American History* in support of their views In this study Scott R Erwin argues that an appreciation of Niebuhr's theological vision is necessary for understanding the full measure of *Irony* An appreciation of Niebuhr's theology is important because the majority of individuals reading *Irony* today fail to acknowledge the central role that his Christian beliefs played in its formulation Niebuhr described his theological vision as being in the battle and above it and in more extensive terms explained it to be a combination of moral resoluteness about the immediate issues with a religious awareness of another dimension of meaning and judgment It was this perspective that led Niebuhr in *Irony* to assert that America must both take morally hazardous action in combating the aggression of the Soviet Union and engage in critical self evaluation to prevent the country from assuming the most odious traits of its Cold War foe Niebuhr developed this theological vision over the course of the 1930s and 1940s through engagement with Christian doctrine as most readily seen in his academic works such as *The Nature and Destiny of Man* and engagement with current history as seen in his many journalistic writings during this period By focusing primarily on Niebuhr's writings between 1931 and 1951 Erwin traces the development of his Christian interpretation of human nature and history establishes how it informed his theological vision and reveals how that theological vision underlay his writings on current affairs Such excavation is necessary given the fact that Niebuhr became less explicit about the theological nature of his later writings Indeed rather than clearly advance his theological vision in *Irony* Niebuhr chose to communicate it implicitly through the historical figure of Abraham Lincoln In multiple writings over the course of his career Niebuhr referred to the sixteenth president as both America's greatest statesman and theologian and ultimately portrayed him as the personification of his own religious beliefs Erwin demonstrates that the study of both Niebuhr's theological vision and his application of this vision throughout his life is instructive as the contemporary generation engages with global problems **The 20th Century Go-N** Frank N. Magill, 2014-03-05 Each volume of the *Dictionary of World Biography* contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography **The Century's Midnight** Clive Bush, 2010 *The Century's Midnight* is an exploration of the literary and political relationships between a number of ideologically sophisticated American and European

writers during a mid twentieth century dominated by the Second World War Clive Bush offers an account of an intelligent and diverse community of people of good will transcending national ideological and cultural barriers Although structured around five central figures the novelist Victor Serge the editors Dwight Macdonald and Dorothy Norman the cultural critic Lewis Mumford and the poet Muriel Rukeyser the book examines a wealth of European and American writers including Hannah Arendt Simone de Beauvoir Walter Benjamin John Dos Passos Andr Gide Henry Miller Ana s Nin George Orwell Boris Pilniak Albert Camus Jean Paul Sartre Ignacio Silone and Richard Wright The book s central theme relates politics and literature to time and narrative The author argues that knowledge of the writers of this period is of inestimable value in attempting to understand our contemporary world *Faith of Our Foremothers* Barbara Anne Keely,1997-01-01 Here are the stories of twelve women Sophia Fahs Hulda Niebuhr Nelle Morton Rachel Henderlite Iris Cully Norma Thompson Olivia Pearl Stokes Sara Little Dorothy Jean Furnish Freda Gardner Letty Russell and Maria Harris all religious educators all who transformed the field of religious education some long before the contemporary feminist movement Though the women represent different times interests and approaches to the discipline they all shared a commitment to creative and enthusiastic religious education **That Noble Dream** Peter Novick,1988-09-30 The aspiration to relate the past as it really happened has been the central goal of American professional historians since the late nineteenth century In this remarkable history of the profession Peter Novick shows how the idea and ideal of objectivity were elaborated challenged modified and defended over the last century Drawing on the unpublished correspondence as well as the published writings of hundreds of American historians from J Franklin Jameson and Charles Beard to Arthur Schlesinger Jr and Eugene Genovese *That Noble Dream* is a richly textured account of what American historians have thought they were doing or ought to be doing when they wrote history how their principles influenced their practice and practical exigencies influenced their principles Power and Transcendence M. Benjamin Mollov,2002-01-01 Once considered a one dimensional advocate of pure realpolitik revisionist work on the legacy of Hans Morgenthau has uncovered transcendent themes in his thought on the importance of morality in statecraft Bridging the gap in existing literature M Benjamin Mollov s important work brings new understanding of the very real impact which anti semitism and Morgenthau s own German Jewish moral and spiritual heritage had on his political thought A liberal rather than a classical realist Morgenthau s writing and teaching on issues ranging from Soviet Jewry to Israel nuclear proliferation and the Vietnam War reveal a moral philosophical even spiritual approach to the mission of political science This is an important work for students of political science and international relations seeking a greater understanding of the very real impact of religion on the makers of Cold War foreign policy **Reinhold Niebuhr Revisited** Daniel F. Rice,2009-07-10 In 2007 then presidential candidate Barack Obama called Reinhold Niebuhr 1892 1971 his favorite philosopher Reinhold Niebuhr Revisited offers fresh and creative ways of looking at this influential American theologian s views on religion politics and culture through the eyes of diverse respected scholars

American Writers and the Approach of World War II, 1930–1941 Ichiro Takayoshi, 2015 Ichiro Takayoshi's book argues that World War II transformed American literary culture. From the mid 1930s to the American entry into World War II in 1941, pre-eminent figures from Ernest Hemingway to Reinhold Niebuhr responded to the turn of the public's interest from the economic depression at home to the menace of totalitarian systems abroad by producing novels, short stories, plays, poems, and cultural criticism in which they prophesied the coming of a second world war and explored how America could prepare for it. The variety of competing answers offered a rich legacy of idioms, symbols, and standard arguments that were destined to license America's promotion of its values and interests around the world for the rest of the twentieth century. Ambitious in scope and addressing an enormous range of writers, thinkers, and artists, this book is the first to establish the outlines of American culture during this pivotal period. Provided by publisher

Why Niebuhr Matters Charles Lemert, Prof. Charles Lemert, 2011-11-29 Reinhold Niebuhr (1892–1971) was a Protestant preacher, an influential religious thinker, and an important moral guide in mid-twentieth-century America. But what does he have to say to us now? In what way does he inform the thinking of political leaders and commentators from Barack Obama and Madeleine Albright to David Brooks and Walter Russell Mead, all of whom acknowledge his influence? In this lively overview of Niebuhr's career, Charles Lemert analyzes why interest in Niebuhr is rising and how Niebuhr provides the answers we ache for in the face of seismic shifts in the global order. In the middle of the twentieth century, having outgrown a theological liberalism, Niebuhr challenged and rethought the non-socialist Left in American politics. He developed a political realism that refused to sacrifice ideals to mere pragmatism or politics to bitterness and greed. He examined the problem of morality in an immoral society and reimagined the balance between rights and freedom for the individual and social justice for the many. With brevity and deep insight, Lemert shows how Niebuhr's ideas illuminate our most difficult questions today.

The Enigmatic Realm of **Courage To Change An Introduction To The Life And Thought Of Reinhold Niebuhr**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
