Contemplating Divorce Susan Pease Gadoua,2008 By clarifying assumptions about and expectations for their relationships to their spouses the step by step approach in *Contemplating Divorce* helps readers decide whether to try to make a flagging marriage work or proceed with the difficult decision to divorce *Getting it Right This Time* Barry W. McCarthy,Emily J. McCarthy,2005-11-08 Although divorce is common it often holds negative associations Husband and wife team Barry and Emily McCarthy view divorce and remarriage with optimism showing it to be a courageous choice that should not be viewed as personal failure but rather as a positive step towards a better life In *Getting it Right This Time* they zoom in on remarriage issues and identify the factors that led to the end of a marriage using that information to help you learn from past mistakes and start over Marriage is based on a respectful trusting relationship and the McCarthys affirm that remarriage is an important choice that can lead to a rich rewarding and loving second chance *Getting it Right This Time* provides resources needed to assess and change attitudes behavior and feelings to help you build a new marriage and step family that will bring out the best in you as individuals and as a couple Transcending Divorce Alan D. Wolfelt,2008-06-01 With empathy and wisdom this resource provides 10 essential touchstones for hope and healing when enduring a divorce while simultaneously dispelling common misconceptions associated with divorce Stressing the importance of the need to fully mourn the loss of a relationship before moving on this compassionate guide written with a warm direct tone will help divorcees reconcile and discover a happy healthy life An appendix with useful meeting plans for group sessions is also included **Seizing the Future** Michael G. Zey, Seizing the Future is a brilliant and exuberant antidote to the pessimistic poison being peddled by fashionable declinists Ronald Bailey author of *ECO SCAM* A thoughtful argument of how the next generation will focus on massive industrialization rather than create strictly an information based economy Teresa McUsic Morning Star Telegram Marked by verve vision and a thorough familiarity with the field this book buoy the spirit challenges conventional thinking and arms the reader as do few comparable works in futuristics Engagingly written and free of both jargon and pretentiousness it sets a high standard for twenty first century explorations Arthur B Shostak Just Marriage Andrew Kim,2023-06-01 It is not difficult nowadays to find books decrying divorce and defending the Christian doctrine that marriage is a permanent union Such a teaching by its very nature raises the problem of how to respond when marriages become destructive The response generally given by church officials is that if grave danger is present spouses may separate Some denominations even allow for divorce and remarriage This response however is not particularly helpful for spouses not

in grave danger but nonetheless in destructive marriages nor does it tell us anything about how to avoid destructive marriages in the first place This book argues that just conflict in marriage can both prevent marriages from becoming destructive and be a path toward reconciliation for those who find themselves already ensconced within a destructive marriage The criteria for just conflict are adopted and translated from the just war tradition Though conflict in war and in marriage is quite distinct in both domains conflict is just if ordered to unity and reconciliation and unjust when it devolves into mere antagonism whether cold or hot Just conflict then is a path of reconciliation for Christian spouses whose faith rests in the Christ who makes all things new
