Behrman House, Robert Goodman

Courage Is A Three Letter Word:

Courage is a Three-letter Word Walter Anderson, 1986 Describes how some of America's most successful men and women have learned to use anxiety as a source of strength Includes personal narratives by Jerry Lewis Marlo Thomas John Glenn Barbara Walters Carroll O'Connor and John Ehrlichman **Rebel Girl and the Godfather** Jeffrey Louis Decker, 2025-09-01 The story of how an Italian American housewife and community organizer battled a Brooklyn Mafia boss and political activist for the hearts and minds of a white working class in revolt This is the true story of a rivalry between a pair of improbable social justice crusaders Mary Sansone an Italian homemaker and Joe Colombo a Mafia boss set against the backdrop of Brooklyn's racial and ethnic feuds of the 1960s and 1970s From her basement kitchen Mary Sansone launched the Congress of Italian American Organizations a social action coalition operating multimillion dollar programs on behalf of the Italian poor From his office suite high above Madison Avenue Joe Colombo defied omertà to commandeer the Italian American Civil Rights League an audacious anti-defamation organization that convinced thousands to join sidewalk pickets and mass demonstrations When around 1970 Mary and Joe's paths finally cross they battle each other for the hearts and minds of a white working class in revolt This book challenges stereotypes of the docile Italian wife and the parochial Mafioso by recasting these actors as a rebel girl and a renegade wiseguy It offers an alternative history of the 1960s and 1970s when it was presumed that white ethnics living in urban America were predisposed to responding to the civil rights movement with backlash and the women's movement with scorn The Trouble with Medicine Sheryl Walker, 2025-01-15 This is the autobiographical journey of a female anesthesiologist in the American healthcare system where greed and lust for more is controlling everything we do Are you tired frustrated and angry with the healthcare industry Do you feel like you aren't getting the care you need even though you have health insurance You are not alone The Trouble with Medicine takes you on the journey of one female physician from growing up in Appalachia to becoming a medical doctor Dr Sheryl Walker courageously speaks up for those who feel like they can't or fear retribution if they do as she shares her journey from medical education and residency training to working life thereafter She describes gender discrimination socioeconomic discrimination specialty discrimination and sexual harassment in the medical profession as well as the painful anatomy of a lawsuit in this deeply personal autobiographical account of what humans and especially women have had to endure during this process Dr Walker describes the disparities in healthcare as experienced by her family in an underserved area of America as well as the disparities in patient care that she observed over nearly 50 years as a professional healthcare provider She also delves into how the medical profession became the medical industrial complex how many doctors have become slaves to bureaucracy how healthcare dollars are going into personal wealth and how doctors and hospitals in the early to mid-century shoulder at least some of the responsibility for it The lingering question remains can this be fixed The Trouble with Medicine looks at the questions that must be answered **MARINES** Chuck Mansfield, 2023-10-29 The history and lore of

the United States Marine Corps are likely unmatched Steeped in the rich history and tradition of the Corps since its founding in 1775 this book focuses on more recent history specifically the author s experiences as a young Marine in the 1960s including his tour of duty in Vietnam It also includes biographical profiles of more than 100 other Marines who fought in Vietnam or other conflicts Most of those profiled are Marines with whom the author served or has come to know since his active military service The 30th Marine Commandant General Carl Mundy has written Few who have borne the title United States Marine fail to identify with it throughout their entire lives Marines are as Shakespeare has written We few we happy few we band of brothers And brothers are members of a family This family is The few The proud The Marines **Mastering**
