Kouzes, Barry Z. Posner, 2013-08-13 Leadership doesn't happen without courage In fact leadership might be defined as courage in action But the truth is that courage is poorly understood and not what you typically think In their second original short format work *Finding the Courage to Lead* James Kouzes and Barry Posner offer a perspective on what ordinary leaders

say about what courage is to them and what their courageous experiences mean for the daily practice of leadership Courage is one of those big bold words It has the reputation of being something way out there on the edges of human experience commonly associated with superhuman feats life and death struggles and overcoming impossible odds It gives rise to images of daring feats of bravery and nerves of steel It has such a mystique about it that many think the concept doesn't apply to them But when you look beyond the headlines you find out that this account of courage is certainly not the whole story There is very little relevant discussion of courage in the leadership literature For all the talk about how leaders need to be courageous there is next to nothing written about what it really means for leadership Grounded in award winning original research and rich with insight Finding the Courage to Lead is valuable for leaders at any level to understand how courage shapes our leadership potential on and off the job and is required reading for any fans of Kouzes Posner's work *Make Bold Moves and Win in Business: How to Lead with Confidence and Clarity* Ahmed Musa, 2025-03-13 Success in business requires boldness Make Bold Moves and Win in Business teaches you how to lead with confidence and clarity even in uncertain and high pressure situations This book breaks down the key principles of decisive leadership including how to make tough decisions manage risk and maintain focus on your long term vision With a focus on developing mental toughness strategic thinking and effective communication this book will help you take the bold actions necessary to outpace your competition and achieve your business goals If you're looking to lead with confidence and win big in business this book will show you how to take the reins and move forward with clarity and purpose *The Courage to Teach Guide for Reflection and Renewal* Parker J.
