

A photograph of the Golden Gate Bridge in San Francisco, taken at dusk or dawn. The bridge's iconic red-orange towers and suspension cables are visible against a dark, hazy sky. The water of the bay is calm, reflecting the bridge's structure. The overall mood is contemplative and serene.

But in the end one
needs more courage to live
than to kill himself.

The Courage to Live Dorothy Rowe,1989 *Life and Labour* Samuel Smiles,1887 The Economy of Courage AA Momodu ,2022-07-28 One of the greatest decision you will ever make with your life easy decision to be courageous regardless of what your face You must understand that there is nothing and I mean absolutely nothing created that is worthy of your fear because fear is worship The only one we should worship is God so therefore the only one that is worthy of your fear and my fear is God Anything else outside God must be faced with all boldness and without fear to conquer because man was created to conquer and to dominate Fear is worship Whatever you are scared of you are inadvertently worshipping Genesis 1 26 27 makes it explicitly clear that you're here for domination So God created man in his own image in the image of God created he him male and female created he them And God blessed them and God said unto them Be fruitful and multiply and replenish the earth and subdue it and have dominion over the fish of the sea and over the fowl of the air and over every living thing that moveth upon the earth Genesis 1 27 Creation as we know it began with courage because God in the beginning was faced with darkness not any kind of darkness but deep darkness Amidst all that God saw He was courageous enough to say what He wanted to see And as soon as He said it He saw Life will always answer to the courageous live does not answer to excuses life only respond to commands Hannah's Art of Home Hannah J.
