Jankowiak,2023-03-28 Angel Park is a Mormon fundamentalist polygamous community where plural marriages between one man and multiple women are common In contrast to mainstream America s idealization of the nuclear family and romantic love its residents esteem notions of harmonious familial love a spiritual bond that unites all family members In their view polygyny is not only righteous and sanctified it is also conducive to communal life and social stability Based on many years of in depth ethnographic research in Angel Park this book explores daily life in a polygamous community William R Jankowiak considers the plural family from the points of view of husbands wives and children giving a balanced account of its complications and conflicts He finds that people in polygynous marriages especially cowives experience an ongoing struggle to balance the longing for romantic intimacy with the obligation to support the larger family They feel tension between deeply held religious convictions and the desire for emotional exclusivity which can threaten the stability and harmony of the polygamous family Men and women often form exclusive romantic pairs within plural marriages which are tolerated if not openly acknowledged showing the limits of the community s beliefs Jankowiak also challenges stereotypes of polygamous families as bastions of patriarchal power showing the weight that interpersonal and social expectations place on men Offering an unparalleled look at the complexity of a polygamous religious community Illicit Monogamy also helps us reconsider relationships love and family dynamics across cultures and settings Angel of Music D. in ANGEL S PROMISE The Angel's Desire Holley Trent,2020-11-27 Gulielmus wanted cake not a quest but when everyone s favorite elf queen doesn t arrive at a party he jumps at the opportunity to go fetch her Small talk is so tedious and social relationships are such a pain to maintain Of course Clarissa Morton can t just go missing she has to vanish into a post apocalyptic realm where the husband she left for dead a thousand years ago still reigns It seems the curse she weaved way back then has come back to torment her just like her ex Clarissa would never escape alive a second time if the king had his way Now Gulielmus is trapped with her in a dimension where fallen angels have no power and elves have magic he can t understand Working cooperatively with the secretive woman to escape the place is an impossible task and jarringly the magic of the realm makes the true nature of their connection clearer Returning immediately to the human world is their utmost priority but maybe the forced proximity isn t the worst possible thing for the long quarreling duo Perhaps they can finally put the past behind them and accept that they weren t meant to journey alone Magic doesn t make sense so why should love
