The New Testament and Bioethics R. Dennis Macaleer, 2014-01-01 Beauchamp and Childress's Principles of Biomedical Ethics is a well accepted approach to contemporary bioethics Those principles are based on what Beauchamp and Childress call the common morality This book employs New Testament theological themes to enhance the meaning of those principles of bioethics The primary New Testament text for this study is the twin commands from Jesus to love God and love one's neighbor The three theological themes developed from this study the image of God the covenant and the pursuit of healing are deeply embedded in the New Testament and in the ministry of Jesus Three contemporary bioethics principles are used for this dissertation based on The Belmont Report They are the principles of respect for persons justice and beneficence In each case the theological themes are shown to enhance the meaning of these bioethics principles Each of the three principles as understood through the three theological themes is applied to a current bioethics issue to demonstrate the efficacy of this approach The three current issues addressed are the withdrawal or withholding of life sustaining treatment the distribution of health care in the United States and the use of palliative care

**The Lawyer's Calling** Joseph G. Allegretti, 1996

Defines the crisis of the legal profession as a spiritual one rather than an ethical one and urges lawyers to rethink their careers in terms of a vocation in the context of legal practice      **Surely There is a Future** E. John Hamlin, 1996 This is a print on demand book and is therefore non returnable Series International Theological Commentary The book of Ruth set in the period of the judges is a beautiful story of the love covenant loyalty and daring initiative of two impoverished widows Together with a generous open hearted man they demonstrate the truth of Proverbs 23 18 that applies to individuals families communities and nations Surely there is a future and your hope will not be cut off In this excellent commentary E John Hamlin approaches the book of Ruth as literature as history as part of the canon and as truth telling story      *Religious Ethics and Migration* Ilse Ahn, 2013-11-12 What does it mean to provide justice for undocumented workers who have been living among us without proper legal documentation How can we do justice to the undocumented migrants who have been doing the low skilled low paid jobs unwanted by citizens Why should we even try to do justice for people who violate the laws of the society Religious Ethics and Migration Doing Justice to Undocumented Workers addresses these questions from a distinctive religious ethical perspective the Christian theology of forgiveness and radical hospitality In answering these questions the author employs in depth interdisciplinary dialogues with other relevant disciplines such as immigration history global economics political science legal philosophy and social theory He argues that the political appropriation of a Christian theology of forgiveness and the radical hospitality modeled after it are the most practical and justifiable solutions to the current immigration crisis in North America Critical and interdisciplinary in its approach this book offers a unique comprehensive and balanced perspective regarding the urgent immigration crisis      **Something Old, Something New** Ray S. Anderson, 2007-05-15 No one has contributed more substantially to creative orthodox Christian thinking about human nature pastoral theology and counseling over the past 30 years than Ray Anderson His latest book is most welcomed particularly given its focus on the family a pivotal cultural institution of obvious developmental importance which radical postmodernism has attempted to radically redefine but which always warrants a fresh practical Christian approach and critique Eric L Johnson Southern Baptist Theological Seminary Combining the wisdom accumulated in his years as a seminary professor and scholar pastor and counselor Ray Anderson has given us an outstanding book on marriage and family ministry in contemporary culture Even more than this it is the best statement I know of on a theology of the family including the place of family in the church and wider society Hard issues in family life such as violence and abuse homosexuality care for the elderly and death are addressed with a combination of biblical truth and grace Something Old Something New is must reading for all persons involved in ministry today Jack Balswick Fuller Graduate School of Psychology For a Church often despairing of biblically based resources in ministering to the family in our postmodern culture Ray Anderson's twenty fifth book focuses on recovering a theology of the family His seminal volume written with Dennis Guernsey *On Being Family Toward a Social Theology of the Family* 1985 virtually created the new genre of the theology of the family In *Something Old*

Something New Marriage and Family Ministry in a Postmodern Culture we find the fruit of Anderson's mature reflections that will give hope and guidance to the Church of the twenty first century He discusses marriage and parenting divorce and remarriage singleness and cohabitation and other issues within the diversity and relativity characterized by our postmodern context His decades of experience as a seminary professor and church pastor enable him to articulate a theology of family ministry that offers concrete help for families churches and pastors based on the healing ministry of Christ in today's society Chris Kettler Friends University and Todd Speidell Webb School of Knoxville RAY S ANDERSON 1925 2009 was Senior Professor of Theology and Ministry at Fuller Theological Seminary where he has taught for more than thirty years He is the author of more than twenty five books including *The Seasons of Hope Marriage and Family Ministry in a Postmodern Culture* *The Soul of Ministry* *Ministry on the Fireline* and *The Shape of Practical Theology* *Married for Good* R.
