Covenanted Happiness Love And Commitment In Marriage:

Covenanted Happiness Cormac Burke,2007 Covenanted Happiness Cormac Burke,1990 *The New Covenant as a Paradigm for Optimal Relations* Pablo Polischuk,2016-10-07 The New Covenant as a Paradigm for Optimal Relations regards the New Covenant primarily as a gracious and merciful redemptive deal springing from God s unilateral unconditional and proactive initiative The New Covenant is adopted as representing both a salvific and an exemplary paradigm that displays God s gracious and merciful ways toward his children Ten discrete yet interwoven principles are extracted from interpreted and abstracted from Scriptures pertaining to the promised New Covenant These principles apply to those who as dearly beloved children are invited to imitate God s loving ways God s manner of love defines the foundational basis from which the author derives and elaborates the propositions that guide the considerations pertaining to thoughts feelings motivations and behaviors that enter into play in relational transactions In terms of style an architectural design permeates the content of this book offering and encompassing a metacognitive view of God s covenantal ways a top down perspective that applies to bottom up endeavors of relational nature The challenges posed by our cultural postmodern trends devoid of absolute principles and lacking a moral compass are countered and addressed by the author in insightful fashion offering theologically based guidelines integrated to sound psychological principles applicable to psychotherapeutic and counseling endeavors as well as to pastoral care **Covenant Marriage** Fred Lowery,2010-05-11 A new movement is spreading across America bringing hope to existing marriages and new guidelines for marriages yet to be and Dr Fred Lowery in this courageous and insightful book shares with you the principles of the Covenant Marriage Movement Every marriage faces storms and struggles that can lead to failure Unexpected changes personality conflicts money problems and misguided expectations can send even the best of marriages into a tailspin But this insightful new book provides real answers through chapters such as The Difference between a Contract and a Covenant Learning How to Manage Conflict and What to Do When Marriage Is Not What You Expected Covenant marriages will stand the test of time change and personal problems and will shine with brilliance in a world that is besieged by divorce This book will not only impact your life but will impact marriages for generations to come The principles power and pattern for a covenant marriages will help you and your spouse stay together in your marriage for life A Catholic Handbook for Engaged and Newly Married Couples Frederick Marks,2001-01-01 In this practical guide to marriage learn the secrets of building a sound spiritual relationship with your fianc or spouse from toothpaste in the sink to natural family planning In the Foreword Father Kenneth Baker praises the book as both practical and faithful This handbook is outstanding both for its practicality and for its fidelity to the Catholic faith It is practical because it offers good suggestions on most aspects of married life such as the wedding the honeymoon the relationship between husband and wife in laws finances raising children sexual relations practicing the faith and developing a spiritual life of personal relations with God The handbook is also thoroughly Catholic It offers excellent advice on how to live the

Catholic faith as a married man or woman There is no waffling here no dissent no ambiguity The author spells out clearly what the Catholic Church expects of married people in the areas of married life sexuality and family life

Power Over the Body, Equality in the Family Charles J. Reid, 2004-10-29 The term conjugal rights has long characterized ways of speaking about marriage both in the canonistic tradition and in the secular legal systems of the West This book explores the origins and dimensions of this concept and the range of meanings that have attached to it from the twelfth century to the present Employing far ranging sources Charles Reid Jr examines the language of marriage in classical Roman law the Germanic legal codes of early medieval Europe and the writings of canon lawyers and theologians from the medieval and early modern periods The heart of the book however consists of the writings of the canonists of the High Middle Ages especially the works of Hostiensis Bernard of Parma Innocent IV and Raymond de Peafort Reid s incisive survey provides a new understanding of subjects such as the right of parties to marry free of parental coercion the nature of paternal power the place of bodies in the marriage contract the meaning and implications of gender equality and the right of inheritance

The Mystery of Marriage: A Theology of the Body and the Sacrament Perry J. Cahall, 2014-12-01 This remarkable study offers a comprehensive explanation of the Catholic Church s teaching on the sacrament of marriage Incorporating the rich insights found in St John Paul II s Theology of the Body Dr Cahall presents a theology of marriage that incorporates the biblical systematic pastoral and historical traditions which have shaped our understanding of this sacrament

The Indissolubility of Marriage Matthew Levering, 2019-05-20 This well researched book explains why the Catholic Church continues to teach marital indissolubility and addresses the numerous contemporary challenges to that teaching It surveys the patristic witness to marital indissolubility along with Orthodox and Protestant views as well as historical critical biblical exegesis on the contested biblical passages It also surveys the Catholic tradition from the Trent through Benedict XVI and it examines a Catholic argument that the Catholic Church s teaching can and should change Then it explores Amoris Laetitia the papal exhortation from Pope Francis on marriage and the various major responses to it with the issue of marital indissolubility at the forefront Finally it retrieves Aquinas s theology of marital indissolubility as a contribution to deepening current theological discussions The author argues that Amoris Laetitia upholds the traditional Catholic teaching that a valid and consummated Christian marriage is absolutely indissoluble in accord with the teachings of Jesus and the Apostle Paul as solemnly and authoritatively taught by the Council of Trent and affirmed by later popes and the Second Vatican Council He says that Amoris Laetitia should be interpreted and implemented in light of the doctrine of marital indissolubility implementations that undermine this doctrine should be avoided Levering says that numerous contemporary Catholic theologians and biblical scholars are mistakenly turning the indissolubility of marriage into contingent dissolubility based upon whether the spouses continue to act in loving ways toward each other The sacrament s gift of objective indissolubility is thereby undermined Fortunately the main interpreters of Amoris Laetitia whose views have been approved by Pope Francis

insist that the Apostolic Exhortation does not change the doctrine of marital indissolubility in any way *Habits for a Healthy Marriage* Richard Fitzgibbons, 2019-08-26 Drawing on his experience of forty years as a psychiatrist Dr Richard Fitzgibbons presents twelve habits that can foster healing and growth in Catholic marriages This books helps couples to identify and resolve the major emotional conflicts that weaken their relationships and hurt their marriages Habits for a Healthy Marriage is unique because it draws on the field of positive psychology which focuses on growth in virtues Each chapter names a common marital problem along with a particular virtue that can help couples to overcome that problem It shows that the road to healing is paved with forgiveness not only between spouses but also within their families of origin Along the way the author incorporates the luminous writing of Saint John Paul II on marriage and the timeless wisdom of the Catholic Church Whether you are newly engaged recently married or married for many years the conflict resolving strategies described in this book the habits of a healthy marriage can help you to protect your relationship from the emotional storms that often lead to quarrelling and mistrust and sometimes to separation and divorce

Genders, Sexualities, and Spiritualities in African Pentecostalism Chammah J. Kaunda, 2020-06-22 This book examines the complex and multifaceted nature of African Pentecostal engagements with genders and sexualities In the last three decades African Pentecostalism has emerged as one the most visible and profound aspects of religious change on the continent and is a social force that straddles cultural economic and political spheres Its conventional and selective literal interpretations of the Bible with respect to gender and sexualities are increasingly perceived as exhibiting a strong influence on many aspects of social and public institutions and their moral orientations This collection features articles which examine sexualities and genders in African Pentecostalism using interdisciplinary methodological and theoretical approaches grounded within traditional African thought systems with the goal of enabling a broader understanding of Pentecostalism and sexualities in Africa
