Dodge,1987 This collection is a selection of comic items from almanacs published between 1776 and 1800 Dodge uses his smooth astute writing style to unfold the humor in a section of American Heritage The eight chapters are categorized by subject including Comic American Heroes The Tall Tale and Men Women Marriage and Sex      **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1977      **The New York Times Book Review** ,1975      **The (Old) Farmer's Almanack** Robert Bailey Thomas,1860      *High Ground Coward* Alicia Mountain,2018-04-15 Alicia Mountain s urgent and astonishing debut collection maps a new queer landscape through terrain alive and sensual defiant and inviting With a voice that beckons while it howls Mountain nimbly traverses lyric confessional and narrative modes leaving groundbreaking tracks for us to follow High Ground Coward offers fists full of soil leftovers for breakfast road trip as ritual twins of lovers and twins of ourselves This world blooms with hunger inducing detail its speakers asking us to consider what it will take to satisfy our own appetites while simultaneously trying to nourish one another Ferocious even the softest part Mountain shows us a way to fall in love with wanting leaving us ravenous but gradually Bearing witness to identity formation in solitude and communion High Ground Coward is an almanac of emotional and relational seasons Mountain s speakers question the meaning of inheritance illness violence mythology and family architecture Whether Mountain is at work revealing the divinity of doubt the entanglement of devotion or the dominion that place holds over us High Ground Coward heralds a thrilling poetic debut From

Scavenger We three eat food and are in love This is the easy way to say there are stores beneath the floor Potatoes and shallots hard necked garlic streaked purple jars beside jars themselves each staving globes of suction Preservation a guardian hunger In the evening I whisper to the boiled beet like a naked organ in my flushed hand You are ground blood you are new born you have never been nothing thawfruit seedflower greenstart rootbulb handpull sheds scrub mouthsweet and again The Old Farmer's Almanack ,1860 Public Ledger Almanacs for the years 1894-1903 ,1894 **Cowardice** Chris Walsh,2016-12-06 A provocative look at how cowardice has been understood from ancient times to the present Coward It s a grave insult likely to provoke anger shame even violence But what exactly is cowardice When terrorists are called cowards does it mean the same as when the term is applied to soldiers And what if anything does cowardice have to do with the rest of us Bringing together sources from court martial cases to literary and film classics such as Dante s Inferno The Red Badge of Courage and The Thin Red Line Cowardice recounts the great harm that both cowards and the fear of seeming cowardly have done and traces the idea of cowardice s power to its evolutionary roots But Chris Walsh also shows that this power has faded most dramatically on the battlefield Misconduct that earlier might have been punished as cowardice has more recently often been treated medically as an adverse reaction to trauma and Walsh explores a parallel therapeutic shift that reaches beyond war into the realms of politics crime philosophy religion and love Yet as Walsh indicates the therapeutic has not altogether triumphed contempt for cowardice endures and he argues that such contempt can be a good thing Courage attracts much more of our attention but rigorously understanding cowardice may be more morally useful for it requires us to think critically about our duties and our fears and it helps us to act ethically when fear and duty conflict Richly illustrated and filled with fascinating stories and insights Cowardice is the first sustained analysis of a neglected but profound and pervasive feature of human experience **Something about the Author** Kevin S. Hile,1995 Series covers individuals ranging from established award winners to authors and illustrators who are just beginning their careers Entries cover personal life career writings and works in progress adaptations additional sources and photographs Catalogue of Copyright Entries ,1910 **The Cowardice Hero** Tanya Parent,2015-05-12 Stacy was interested in writing historical fiction about the world wars She knew that her great uncle had been in World War II and was hoping to have great discussions with him about it What Stacy didn t realize was that this research would bring her to discover a new found relationship *The Bill of Rights Journal* ,1981 An American Icon Winifred Morgan,1988 The top hat and stars and stripes that characterize Uncle Sam today were first worn by Yankee actors portraying Brother Jonathan This book explores the complex emblematic function of the Brother Jonathan figure and its changing meaning through the decades and in a multitude of popular media The (old) Farmer's Almanack Robert Bailey Thomas,1864 **Free Yourself from Pain** David E. Bresler,Richard Trubo,1986-06 **The Man Who Would Not Shut Up** Marvin Kitman,2013-10-22 Fair Balanced To some Bill O Reilly is a semi demented cable TV talk show host who can be an obnoxious insufferable opinionated rude loudmouth whose views the

kinder ones say are typical right wing drivel But there is much more to O Reilly than what meets eye O Reilly is the paradigm of idiosyncrasy in television journalism On the rough road to the top O Reilly learned how to give the public what it wants and thinks it needs From his early education at the hands of nuns to an advanced degree in public policy from Harvard from working at local television stations and rising through the ranks to network news O Reilly spent nearly twenty five years learning his craft before he became an overnight star at Fox News In this very intimate look at the man and what matters to him veteran media critic Marvin Kitman explores all the experiences that led to the making of Bill O Reilly a nonconformist in a business that demands conformity as the price of success and a man who has risen to the top by not playing by the rules of broadcast news Kitman shows that O Reilly is not a knee jerk conservative but an independent freethinker with a mind of his own and he believes what journalism needs is more Bill O Reillys Not screamers the blowhards like the current O Reilly clones rushed on the air since his success but trained journalists reporting the news and telling us why in their opinion the world is a crazy place Supported by twenty nine interviews with O Reilly Marvin Kitman chronicles a descent from reporter of news to spewer of views
