Cowboy Jeb Saddles Up:

Murder in the Old West Robert D. Coleman, 2020-09-19 *Murder in the Old West* is a stand alone book featuring John Carter's Great Great Great Grandfather Jeb Carter in 1858 Texas. Jeb is a Texas Ranger who is sent to Freestone County Texas to head off a range war over a dammed creek. But after several murders that aren't what they seem, Jeb must use his knack for details and gift of remembering things to put the pieces together before a town explodes into an all out war.

Jeb's Promise M. Lee Prescott, 2015-12-27 Spark Foster drags his daughter Amy kicking and screaming on an extended vacation to Morgan's Run. After a painful break up, Amy has sworn off men. Then she takes a ride with adorably cute wrangler Jeb Barnes and her broken heart skips more than one beat. Jeb is grieving the loss of his almost fiancée and his white hot attraction to the beautiful stranger from Portland shakes him to the core. Like moths to flames, neither can stay away from each other as they work side by side at Emma's Dream, a camp for handicapped kids. As her vacation ends, Amy must face the hardest decision of her life: walking away from Jeb and Emma's Dream, as well as four year old Toby Cooper, a foster child who has captured her heart, and Jeb's so completely. Join the Morgan family and friends in book three, *Jeb's Promise*, and discover why so many readers have fallen in love with Morgan's Run and Saguaro Valley. [Cowboy Poems, Spooky Stuff, and Such](#)

Plight of the Double B Ranch Gene Tunlaw, 2011-11-14 Jeb West is a 19 year old hand for the Double B Ranch on the spring roundup when he accidentally comes upon a rustling operation. While he is watching the rustlers, he hears a voice that is seared into his mind as the leader of the gang that murdered his family five years before. He takes action to capture the person and it leads to his uncovering a plot to murder all of the people on the Double B, stealing their herd and selling it. He is joined by Jeb Nash, a former gun slinger and mountain man, in his quest to thwart the nefarious action of the gang. During their preparation, they discover that the gang has a strangle hold on the Idaho Territory of 1872 and the law seems to not be able to do anything about it or even recognize the danger. While they are gathering a counter force, they enlist the aid of the Chinese community of the territory and become close friends with a Wu Han, a former Officer in a Chinese Prince's private army who, along with the Prince, is in exile from the present Chinese Emperor. The trio enlists the aid of various ranchers, miners, and other citizens to combat the oncoming onslaught of the Double B. Also during their travels, they fall in love with three ladies who are very involved in the women's right movement. The action takes place in the 1872 Southwest section of the Idaho Territory, centering around Horseshoe Bend and Boise City. There are many different characters brought into play, some historical and most fictional. The settings depict what life was like in that time with all of the hardships and the luxuries of the time. *Harry Love* Paul Lippman, 2003-07 The banditry of the notorious Joaquin Murrieta was so widespread and devastating to California's development and growth in the early 1850s that the State Legislature empowered for the first and only time in its history a Ranger Company of 21 men led by Mexican War hero Harry Love and gave them just 90 days to end the banditry. They almost failed. **The Cowboy Collection** Cathy
