Cows Party:

When the Cows Come Home Jolene (Butcher) Janway, C. Ray Mayfield, 2007-12 A book about a herd of cows that consist s mainly of two cow families two single adult cows and a wise old elder who is full of wisdom and humor There are also some brief appearances of a few strays that help complete some of the storylines P ix **Cow Fart Apocalypse** E.M. Cooter, 2021-06-29 A satirical reimagining of what a Leftist controlled America might look like in the future with winks and nods to Orwell s 1984 After winning 101% of the vote the new AOC Administration is immediately tested by something no one in The Party expected It is a future Green America where one political party controls all aspects of everyone s lives and cows should no longer exist Yet a toxic cloud composed of cow farts is racing toward Washington DC threatening the lives of everyone in its path As a few Patriots attempt to resist The Party s overreach and CCP Network is peddling 24 7 news coverage of one crisis after another a citizenry no longer familiar with bovine flatulence will have to face what they ve been told is their worst fear a Cow Fart Apocalypse E M Cooter is the new George Orwell but with a sense of humor **The Scottish Law Magazine and Sheriff Court Reporter** ,1864 *Senate Documents, Otherwise Publ. as Public Documents and Executive Documents* United States. Congress. Senate, 1884 **The Great Chicago Fire and the Myth of Mrs. O'Leary's Cow** Richard F. Bales, 2015-09-01 The Great Chicago Fire of 1871 swallowed up more than three square miles in two days leaving thousands homeless and 300 dead Throughout history the fire has been attributed to Mrs O Leary an immigrant Irish milkmaid and her cow On one level the tale of Mrs O Leary s cow is merely the quintessential urban legend But the story also represents a means by which the upper classes of Chicago could blame the fire s chaos on a member of the working poor Although that fire destroyed the official county documents some land tract records were saved Using this and other primary source information Richard F Bales created a scale drawing that reconstructed the O Leary neighborhood Next he turned to the transcripts more than 1 100 handwritten pages from an investigation conducted by the Board of Police and Fire Commissioners which interviewed 50 people over the course of 12 days The board s final report published in the Chicago newspapers on December 12 1871 indicates that commissioners were unable to determine the cause of the fire And yet by analyzing the 50 witnesses testimonies the author concludes that the commissioners could have determined the cause of the fire had they desired to do so Being more concerned with saving their own reputation from post fire reports of incompetence drunkenness and bribery the commissioners failed to press forward for an answer The author has uncovered solid evidence as to what really caused the Great Chicago Fire **The Law of the Farm** Abram Warren Thompson, 1876 **Arizona's Graham-Tewksbury Feud** Leland J. Hanchett, 1994 The infamous Graham Tewksbury Feud which occurred in the late nineteenth century in Arizona surpassed all other feuds in this country in number of men killed and lives broken The families started as friends but soon became so filled with hate that only revenge would balance accounts Suspicion and intrigue linger to this date in what is known as Pleasant Valley Arizona **The Broken World of Sacrifice** J. C.

Heesterman,2012-12-10 In this book J C Heesterman attempts to understand the origins and nature of Vedic sacrifice the complex compound of ritual practices that stood at the center of ancient Indian religion Paying close attention to anomalous elements within both the Vedic ritual texts the brahmanas and the ritual manuals the srautasutras Heesterman reconstructs the ideal sacrifice as consisting of four moments killing destruction feasting and contest He shows that Vedic sacrifice all but exclusively stressed the offering in the fire the element of destruction at the expense of the other elements Notably the contest was radically eliminated At the same time sacrifice was withdrawn from society to become the sole concern of the individual sacrificer The ritual turns in on the individual as self sacrificer who realizes through the internalized knowledge of the ritual the immortal Self At this point the sacrificial cult of the fire recedes behind doctrine of the atman s transcendence and unity with the cosmic principle the brahman Based on his intensive analysis Heesterman argues that Vedic sacrifice was primarily concerned with the broken world of the warrior and sacrificer This world already broken in itself by the violence of the sacrificial contest was definitively broken up and replaced with the ritualism of the single unopposed sacrificer However the basic problem of sacrifice the riddle of life and death keeps breaking too surface in the form of incongruities contradictions tensions and oppositions that have perplexed both the ancient ritual theorists and the modern scholar

Cattle Country Kathryn Cornell Dolan,2021-06 As beef and cattle production progressed in nineteenth century America the cow emerged as the nation s representative food animal and earned a culturally prominent role in the literature of the day In *Cattle Country* Kathryn Cornell Dolan examines the role cattle played in narratives throughout the century to show how the struggles within U S food culture mapped onto society s broader struggles with colonization environmentalism U S identity ethnicity and industrialization Dolan examines diverse texts from Native American African American Mexican American and white authors that showcase the zeitgeist of anxiety surrounding U S identity as cattle gradually became an industrialized food source altering the country s culture while exacting a high cost to humans animals and the land From Henry David Thoreau s descriptions of indigenous cuisines as a challenge to the rising monoculture to Washington Irving s travel narratives that foreshadow cattle replacing American bison in the West to Mar a Amparo Ruiz de Burton s use of cattle to connect race and imperialism in her work authors preoccupations with cattle underscored their concern for resource depletion habitat destruction and the wasteful overproduction of a single breed of livestock *Cattle Country* offers a window into the ways authors worked to negotiate the consequences of the development of this food culture and by excavating the history of U S settler colonialism through the figure of cattle sheds new ecocritical light on nineteenth century literature
