Congress. Senate. Committee on Foreign Relations,1999 **Crackdown** Garth Mullins,2025-04-15 Part memoir part manifesto Crackdown is a story of the drug war told from the frontlines Garth Mullins was born into a world too bright for him to fully see and too unforgiving to fully accept him Bullied by both kids and adults who mocked his albinism and trivialized his blindness Garth turned to activism and punk rock seeking escape and discovered a scene that embraced him for who he was And yet he still couldn't quell a haunting pain that had overwhelmed him since he was a child a deep need to blank it all out Until he tried heroin Garth's experience as a heroin user including dopesickness incarceration and overdose is an all too common story for those struggling with drug addiction And for Garth it was this revelation that propelled him to the forefront of drug user activism

He was witnessing firsthand the failure of abstinence based recovery programs the ceaseless deaths of friends and community members from unregulated toxic drug supply and a lack of safer alternatives the over representation of drug users particularly Indigenous and Black users in jails and prisons And he saw that far from the decades long war on drugs being a success it had been a deadly failure Crackdown is an intimate portrait of Garth s relationship with opioids and a searing indictment of a broken system that is failing drug users and non users alike With street drugs getting more toxic by the day drug users and their families friends and communities are left to pay the price Crackdown asks us to radically reimagine our approach to drug use and to envisage a system that helps rather than harms **Continuing Crackdown in**
