

courage

There is of course the courage of a single flower
Pushing its form thru concrete
If only to be trampled into dust

What is worth speaking
If seeking is death?
Does meaning become
Meaningless?

Summoning up the voice
To do the will of the soul
To explore the far reaches of my wonder
I make the choice to speak

Is it so simple
That it's easy to overlook
That living is poetry
And poetry nothing less

Blinking With Fists Poems:

Blinking with Fists Billy Corgan, 2004-10-01 the river runs south thru barrios and ghettos and starched neighborhood squares and everywhere the dogs howl I don't even trust the sound of my own voice here my own impermanence haunts me but this thought alone relieves the pressure from the mirror to the gutter gutter tongued my heart speaks to the silence in me let me walk alone home as the dead stoplights wave goodnight from The River Runs Foul Having risen to fame during the grunge era in the early 90s Billy Corgan is among the most respected figures of the alternative rock world a visionary artist who over a decade later still commands a devoted following Long admired for his evocative songwriting Corgan here embarks on a deeper exploration of literary terrain as a poet Full of the regretful melancholy of his music and the rhythmic angular wordplay of his best Pumpkins lyrics Jeff Vrabel Chicago Sun Times the poems in this collection form an imagistic journey through the intensely personal as Corgan throws into sharp relief issues of love loss identity and loyalty Crafted with a thoughtful and cadenced approach that shares the same allegiance to thunder and quiet found in his music these writings further solidify Corgan's place as the voice of a generation

Accidental Feminism Swethaa S. Ballakrishnen, 2021-01-12 Exploring the unintentional production of seemingly feminist outcomes In India elite law firms offer a surprising oasis for women within a hostile predominantly male industry Less than 10 percent of the country's lawyers are female but women in the most prestigious firms are significantly represented both at entry and partnership Elite workspaces are notorious for being unfriendly to new actors so what allows for aberration in certain workspaces Drawing from observations and interviews with

more than 130 elite professionals Accidental Feminism examines how a range of underlying mechanisms gendered socialization and essentialism family structures and dynamics and firm and regulatory histories afford certain professionals egalitarian outcomes that are not available to their local and global peers Juxtaposing findings on the legal profession with those on elite consulting firms Swetha Ballakrishnen reveals that parity arises not from a commitment to create feminist organizations but from structural factors that incidentally come together to do gender differently Simultaneously their research offers notes of caution while conditional convergence may create equality in ways that more targeted endeavors fail to achieve accidental developments are hard to replicate and are in this case buttressed by embedded inequalities Ballakrishnen examines whether gender parity produced without institutional sanction should still be considered feminist In offering new ways to think about equality movements and outcomes Accidental Feminism forces readers to critically consider the work of intention in progress narratives
