Blood Relations A Torie Oshea Mystery:

Blood Relations Rett MacPherson, 2025-09-23 In Rett MacPherson's charming cozy mysteries genealogist Torie O Shea always seems to be right in the middle of it all in the goings on in New Kassel Missouri When a drought hits the tiny river town and the depth of the mighty Mississippi lowers Torie is one of the first on the scene to see what the water has revealed the decades old wreckage of a riverboat Soon the rumors that surrounded its sinking have resurfaced as well and are swirling all over town most notably about the existence of a cache of diamonds thought to be on board that was never recovered Before long a trove of treasure seekers flocks to town and inevitably tragedy strikes amid the feverish competition of the treasure hunt Meanwhile Torie is staggered by another discovery the existence of a half sister she never knew she had Shocked and surprised she looks around for a distraction and decides to dig into what really caused the wreck as well as the location of the missing diamonds All in all the combination of personal intrigue and cold blooded murder makes **Blood Relations** a sparkling addition to a terrific mystery series

In Sheep's Clothing Rett MacPherson, 2025-09-23 When genealogist Torie O Shea gets an invitation from her favorite aunt Sissy to come and spend some time with her in Minnesota she jumps at the chance She piles her husband and her father in law into the car leaving her two daughters in the care of her mother back home in Missouri and hits the road looking forward to some relaxation and some family bonding Once they arrive Torie finds out that her aunt's invitation was not so innocent Sissy has uncovered a 150 year old diary in the attic of her home and is dying to find out who wrote it and where it came from Certain she won't be able to find anything Torie reluctantly dives in She is immediately riveted by the author's story a young Swedish woman living with her family in 1850s rural Minnesota she had fallen in love with a man she couldn't have When the diary ends abruptly with hints of brutal violence Torie becomes enmeshed in a deadly mystery passed down through generations and still festering today Fans and newcomers to Rett MacPherson's cozy genealogy mysteries will delight in the inventive story and engaging characters that have come to characterize this wonderful series **The Publishers Weekly**, 2006 Books In Print 2004-2005 Ed Bowker

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

Forthcoming Books Rose Arny, 2003-04 *Dead Man Running* Rett MacPherson, 2025-09-23 Indefatigable Torie may irk her men but her exploits do keep you amused Kirkus Reviews Torie O Shea has her hands full Aside from her new duties as president of the Historical Society in New Kassel Missouri and her interest in genealogy she s having a new house built coordinating the town s Oktoberfest and coping with her teenage daughter who s beginning to date Then at the request of a local journalist Torie takes on an assignment to research the families of her hometown s two mayoral candidates incumbent Bill Castlereagh and his challenger Sheriff Colin Brooke who happens to be Torie s step father Before she can get anywhere on the politicians genealogies though a body turns up and spoils the Oktoberfest parade Sheriff Brooke discovers some disturbing information about the dead man Meanwhile Torie s research into Castlereagh s genealogy is turning up more questions than answers As the case unravels the mayor flees town and Torie is left with a shocking discovery that might lead to her own demise Once again Rett MacPherson s charming characters and twisting plot keep the town of New Kassel and the reader on edge making *Dead Man Running* a delightful addition to the Torie O Shea series

Copyright Office,1975 *Organized Crime in the United States, 1865-1941* Kristofer Allfeldt,2018-01-12 Why do Americans alternately celebrate and condemn gangsters outlaws and corrupt politicians Why do they immortalize Al Capone while forgetting his more successful contemporaries George Remus or Roy Olmstead Why are some public figures repudiated for their connections to the mob while others gain celebrity status Drawing on historical accounts the author analyzes the public s understanding of organized crime and questions some of our most deeply held assumptions about crime and its role in society **Ancestral Voices in Irish Politics** Paul
