The Blood Atonement Deception Gerald Sigal, 2010-11-19 THE ATONEMENT DECEPTION explores the Christian theological fiction that belief in Jesus is the only way to receive divine forgiveness for ones sins Biblically both Jews and gentiles can receive forgiveness of sins through sincere repentant confessional prayer directed to the God of Israel This is true at all times and in all places There has never been a need for the so called intercession role Jesus is supposed to play in attaining atonement The facts speak for themselves There is no truth to the Christian contention that Jesus died for our sins and salvation is only through Jesus Jesus death does not bring atonement from sin nor is it in any way a fulfillment of biblical prophecy

The Unbloody Sacrifice and Altar, Unveiled and Supported John Johnson, 2012-12-04 The Library of Anglo Catholic Theology published by John Henry Parker was a series of 19th century editions of theological works by writers in the Church of England devoted as the title suggests to significant Anglo Catholic figures It brought back into print a number of works from the 17th century concentrating though not exclusively on the Caroline Divines 1 The publication of the Library from 1841 was connected with the Oxford Movement which had begun in 1833 some of the editors such as William John Copeland 2 and Charles Crawley were clearly identified with the Movement

Beyond Sacred Violence Kathryn McClymond, 2008-07-02 Winner 2009 Georgia Author of the Year Award for Creative Nonfiction For many Westerners the term sacrifice is associated with ancient often primitive ritual practices It suggests the death frequently violent often bloody of an animal victim usually with the aim of atoning for human guilt Sacrifice is a serious ritual culminating in a dramatic event The reality of religious sacrificial acts across the globe and throughout history is however more expansive and inclusive

In *Beyond Sacred Violence* Kathryn McClymond argues that the modern Western world's reductive understanding of sacrifice simplifies an enormously broad and dynamic cluster of religious activities. Drawing on a comparative study of Vedic and Jewish sacrificial practices she demonstrates not only that sacrifice has no single essential identifying characteristic but also that the elements most frequently attributed to such acts—death and violence—are not universal. McClymond reveals that the world of religious sacrifice varies greatly including grain-based offerings, precious liquids and complex interdependent activities. Engagingly argued and written, *Beyond Sacred Violence* significantly extends our understanding of religious sacrifice and serves as a timely reminder that the field of religious studies is largely framed by Christianity. *Saga Tales* Charles E. Miller, 2010-04-15

The fact that Miller classifies his tales as historical requires an explanation. One of them is an account of the first murder recorded in Scripture, which is historically accurate in its spirit and its conscription of evil. His second historical tale narrates the story of Noah and the construction of his ark precedent to the global flood. That Noah, by faith alone, constructed his massive ark in the middle of a rainless desert marked him for strange and for the ridicule of his village. The balance of the tales deal with the histories of their central characters and for that reason the author includes them in his parameter of historical. This collection marks his fourth volume of short stories. *Blood Magic* Monique Joiner

Power and Purpose of Blood in God's Design Cynthia Hsing-Wei Chang, 2024-04-30 How can Christians delve into the relationship between biblical law, narrative and rituals to reconcile beliefs with cultural heritage? In this study, Dr. Cynthia Hsing-Wei Chang addresses the unfamiliar and impractical nature of Leviticus's ritual teachings for Christians, particularly in the context of Chinese culture's common practice of eating cooked blood pudding. Combining principles from biblical laws and rhetoric to distinguish Leviticus's literary structure, this book examines well-being offerings in the Old Testament and Ugaritic sacrificial documents and explores the meaning of blood atonement in rituals to provide a comprehensive theological response. By bridging ancient rituals and modern culture, Dr. Chang offers unique insights for cross-cultural understanding and practical guidance for those seeking to navigate cultural complexities while honoring their faith. **Blood That Cries**

Blood for Thought Mira Balberg,2024-05-14 **Blood for Thought** delves into a relatively unexplored area of rabbinic literature the vast corpus of laws regulations and instructions pertaining to sacrificial rituals Mira Balberg traces and analyzes the ways in which the early rabbis interpreted and conceived of biblical sacrifices reinventing them as a site through which to negotiate intellectual cultural and religious trends and practices in their surrounding world Rather than viewing the rabbinic project as an attempt to generate a nonsacrificial version of Judaism she argues that the rabbis developed a new sacrificial Jewish tradition altogether consisting of not merely substitutes to sacrifice but elaborate practical manuals that redefined the processes themselves radically transforming the meanings of sacrifice its efficacy and its value

Polinski,2019-11-12 The hour of Jesus is a fundamental theme running throughout John s Gospel 2 4 19 27 referring to Jesus glorification 7 39 12 16 23 28 13 31 32 16 14 17 1 5 in his passion and death 3 14 8 28 12 32 34 Immediately after the culmination of Jesus hour 19 25 30 John provides a unique account of things that took place following Jesus death 19 31 34 apparently important to his audience 19 35 in which he recognizes scriptural fulfillment 19 36 37 At first glance the fulfillment attested by the scriptures explicitly provided seems straightforward and of little significance simply corresponding with the fundamental elements of the narrative in 19 32 33 Yet such an understanding runs contrary to John s limited use of explicit Scripture citations compared with the other evangelists at a most critical moment in the Gospel Rather consistent with his allusive and engaging style the evangelist relies on his audience to utilize the context he provides and the contexts he has presumed throughout his Gospel to perceive the depth and the expansiveness of the fulfillment he has recognized in Jesus hour It is through these contexts that we gain greater insight into the fulfillment attested by John 19 36 37 illuminating Jesus hour and the entire Gospel
