A Bow Elk Hunter Nightmare Clyde Schultz,2007-08 This story could very well have happened while hunting elk in Colorado When I approached two men dressed in street clothes and oxfords It was strange to see them in 14 inches of fresh snow but there big smiling faces left me to believe every thing was OK They told me that they had been stuck for four days and I offered to help them out They apparently had no money to pay for the damaged chains on my vehicle Later that night I had a terrible dream that they took me prisoner and held me against my will for 72 hours in a poorly constructed 16x20 cabin on Elliot Ridge The drug runners had a plantation up there and a clearing big enough to land a helicopter The last two chapters of the book are fictional my dream in thirty years I ve had a lot of strange and ironic events during elk hunting but not tragic But it could have been when 3 men took my bull elk at gun point in 1973 They threatened me to step out of my truck I did not provoke them I said that If I come out it won t be empty handed Tracking Wounded Deer, Third Edition Richard P. Ripley's Raiders Vietnam Chronicles Russell J Jewett,2013-04-16 How familiar is this You attend a reunion and inevitably several members recollecting a significant event begin arguing over when that event actually occurred As you listen to them debating over the circumstances you realize that neither has a clue as to the facts or sequence of events Since 2003 I have attended Third Battalion Third Marines Viet Nam Era reunions and listened to my fellow warriors of Lima Company recollecting stories of our glory days I noticed that every year the details of events became more and more obscure Of course one could consult the official Command Chronologies but not everyone has access to them Even if you do have access to this information it takes time to wade through all the data a task that the average individual would find tedious Some of the copies of the Command Chronologies are almost unreadable due to poor quality reproduction methods used Wouldn t it be helpful if all the information was assembled in one area and available for quick reference This project was an answer to that problem I started with the Lima Company roster for the end of February 1967 which listed all the members of Company Lima that participated in the battles with the North Vietnamese Army during the first five days of March for which we acquired the tag of Ripley s Raiders I then determined the Marine who had been

with the unit the longest and the Marine who had been there the least length of time My goal for this project was to chronicle all the entries I could find on Lima Company during their tours of duty This required compiling information for a period of twenty eight months December 1966 thru March 1968 I included the names of all other members of Lima Company during this time frame to act as memory joggers for the reader I accessed the National Archives on line and in thirteen months transcribed everything I could find from the Command Chronologies into one chronological record of the events experienced by the members of Ripley s Raiders
