Blue Lights And River Songs:

The Lever of Riches Joel Mokyr, 1992-04-09 In a world of supercomputers genetic engineering and fiber optics technological creativity is ever more the key to economic success But why are some nations more creative than others and why do some highly innovative societies such as ancient China or Britain in the industrial revolution pass into stagnation Beginning with a fascinating concise history of technological progress Mokyr sets the background for his analysis by tracing the major inventions and innovations that have transformed society since ancient Greece and Rome What emerges from this survey is often surprising the classical world for instance was largely barren of new technology the relatively backward society of medieval Europe bristled with inventions and the period between the Reformation and the Industrial Revolution was one of slow and unspectacular progress in technology despite the tumultuous developments associated with the Voyages of Discovery and the Scientific Revolution What were the causes of technological creativity Mokyr distinguishes between the relationship of inventors and their physical environment which determined their willingness to challenge nature and the social environment which determined the openness to new ideas He discusses a long list of such factors showing how they interact to help or hinder a nation's creativity and then illustrates them by a number of detailed comparative studies examining the differences between Europe and China between classical antiquity and medieval Europe and between Britain and the rest of Europe during the industrial revolution He examines such aspects as the role of the state the Chinese gave up a millennium wide lead in shipping to the Europeans for example when an Emperor banned large ocean going vessels the impact of science as well as religion politics and even nutrition He questions the importance of such commonly cited factors as the spill over benefits of war the abundance of natural resources life expectancy and labor costs Today an ever greater number of industrial economies are competing in the global market locked in a struggle that revolves around technological ingenuity The Lever of Riches with its keen analysis derived from a sweeping survey of creativity throughout history offers telling insights into the question of how Western economies can maintain and developing nations can unlock their creative potential **Dudley Randall, Broadside Press, and the Black Arts Movement in Detroit, 1960-1995** Julius E.

Thompson, 2005-02-15 In 1965 Dudley F Randall founded the Broadside Press a company devoted to publishing distributing and promoting the works of black poets and writers In so doing he became a major player in the civil rights movement Hundreds of black writers were given an outlet for their work and for their calls for equality and black identity Though Broadside was established on a minimal budget Randall's unique skills made the press successful He was trained as a librarian and had spent decades studying and writing poetry most importantly Randall was totally committed to the advancement of black literature The famous and relatively unknown sought out Broadside including such writers as Gwendolyn Brooks Margaret Walker Mae Jackson Lance Jeffers Etheridge Knight Sonia Sanchez Nikki Giovanni Audre Lorde and Sterling D Plumpp His story is one of battling to promote black identity and equality through literature and thus lifting

The Companion to Southern Literature Joseph M. Flora, Lucinda Hardwick MacKethan, 2001-11-01. Selected as an Outstanding Academic Title by Choice. Selected as an Outstanding Reference Source by the Reference and User Services Association of the American Library Association. There are many anthologies of southern literature, but this is the first companion. Neither a survey of masterpieces nor a biographical sourcebook, *The Companion to Southern Literature* treats every conceivable topic found in southern writing from the pre-Columbian era to the present, referencing specific works of all periods and genres. Top scholars in their fields offer original definitions and examples of the concepts they know best, identifying the themes, burning issues, historical personalities, beloved icons and common or uncommon stereotypes that have shaped the most significant regional literature in memory. Read the copious offerings straight through in alphabetical order, Ancestor Worship, Blue Collar Literature, Caves, or skip randomly at whim. Guilt, The Grotesque, William Jefferson Clinton. Whatever approach you take, *The Companion's* authority, scope and variety in tone and interpretation will prove a boon and a delight. Explored here are literary embodiments of the Old South, New South, Solid South, Savage South, Lazy South and Sahara of the Bozart. As up-to-date as grit lit, K Mart fiction and postmodernism and as old-fashioned as Puritanism, mules and the tall tale, these five hundred entries span a reach from Lady to Lesbian Literature. The volume includes an overview of every southern state's belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential component of the American psyche. The South's lavishly rich literature provides the best means of understanding the region's deepest nature, and *The Companion to Southern Literature* will be an invaluable tool for those who take on that exciting challenge. Description of Contents: 500 lively, succinct articles on topics ranging from Abolition to Yoknapatawpha; 250 contributors including scholars, writers and poets; 2 tables of contents, alphabetical and subject, and a complete index; A separate bibliography for most entries.

The Concise Oxford Companion to African American Literature William L. Andrews, Frances Smith Foster, Trudier Harris, 2001-02-15. A breathtaking achievement, this Concise Companion is a suitable crown to the astonishing production in African American literature and criticism that has swept over American literary studies in the last two decades. It offers an enormous range of writers from Sojourner Truth to Frederick Douglass, from Zora Neale Hurston to Ralph Ellison and from Toni Morrison to August Wilson. It contains entries on major works, including synopses of novels such as Harriet Jacobs's *Incidents in the Life of a Slave Girl*, Richard Wright's *Native Son* and Lorraine Hansberry's *A Raisin in the Sun*. It also incorporates information on literary

characters such as Bigger Thomas Coffin Ed Johnson Kunta Kinte Sula Peace as well as on character types such as Aunt Jemima Brer Rabbit John Henry Stackolee and the trickster Icons of black culture are addressed including vivid details about the lives of Muhammad Ali John Coltrane Marcus Garvey Jackie Robinson John Brown and Harriet Tubman Here too are general articles on poetry fiction and drama on autobiography slave narratives Sunday School literature and oratory as well as on a wide spectrum of related topics Compact yet thorough this handy volume gathers works from a vast array of sources from the black periodical press to women s clubs making it one of the most substantial guides available on the growing exciting world of African American literature

Song of the Mountains: My pilgrimage to Maa Ganga Shakuntala
Rajagopal,2015-04-06 What Happens When Those Things that are Supposed to Comfort You Don t When Shakuntala Rajagopal lost her husband of forty seven years in 2010 she was devastated A devout Hindu she followed what she had learned since birth Her family celebrated their beloved father uncle and mentor through the many rituals sending him off to his new life Shakuntala even travelled to India to lovingly give her husband s ashes to the oceans off the southern coast of India As her husband s last ashes floated away Shaku felt her will to go on float away with him At the age of seventy she decided that she needed to revisit her own devout spirituality and take one of the more grueling but one of the most spiritual of all pilgrimages in India the Char Dham where she could bathe in the sacred waters of the River Ganges Maa Ganga She knew it would be her chance for a rebirth a new beginning But she almost doesn t make it Song of the Mountains My Pilgrimage to Maa Ganga is a story of survival changing and challenging any reader in the way he or she approaches major changes in life Rajagopal s story is one that will empower the reader to take action and go forward in their own life whatever the circumstance they are facing
