Blue Eyed Child Of Fortune:

Blue-Eyed Child of Fortune Robert Gould Shaw, 1994-02-01 **COMBEE** Edda L. Fields-Black, 2024 COMBEE is based upon original research and offers the first full account of Tubman's Civil War service and the Combahee River Raid. In the process it also offers the story of enslaved families living in bondage and fighting for their freedom and does so using their own distinct and individual voices. Abolitionist of the Most Dangerous Kind Todd Mildfelt, David D. Schafer, 2023-10-17 A controversial character largely known as depicted in the movie *Glory* as a Union colonel who led Black soldiers in the Civil War James Montgomery 1814-71 waged a far more personal and radical war against slavery than popular history suggests. It is the true story of this militant abolitionist that Todd Mildfelt and David D. Schafer tell in *Abolitionist of the Most Dangerous Kind* summoning a life fiercely lived in struggle against the expansion of slavery into the West and during the Civil War. This book follows a harrowing path through the turbulent world of the 1850s and 1860s as Montgomery with the fervor of an Old Testament prophet inflicts destructive retribution on Southern slaveholders wherever he finds them crossing paths with notable abolitionists John Brown and Harriet Tubman along the way. During the tumultuous years of Bleeding Kansas he became a guerilla chieftain of the antislavery vigilantes known as Jayhawkers. When the war broke out in 1861 Montgomery led a regiment of white troops who helped hundreds of enslaved people in Missouri reach freedom in Kansas. Drawing on regimental records in the National Archives the authors provide new insights into the experiences of African American men who served in Montgomery's next regiment the Thirty-Fourth United States Colored Troops formerly Second South Carolina Infantry. Montgomery helped enslaved men and women escape via one of the least explored underground railways in the nation from Arkansas and Missouri through Kansas and Nebraska. With support of abolitionists in Massachusetts he spearheaded resistance to the Fugitive Slave Act in Kansas. And when war came he led Black soldiers in striking at the very heart of the Confederacy. His full story thus illuminates the actions of both militant abolitionists and the enslaved people fighting to destroy the peculiar institution. **Black Soldiers in Blue** John David Smith, 2005-10-12 Inspired and informed by the latest research in African American military and social history the fourteen original essays in this book tell the stories of the African American soldiers who fought for the Union cause. An introductory essay surveys the history of the U.S. Colored Troops (USCT) from emancipation to the end of the Civil War. Seven essays focus on the role of the USCT in combat chronicling the contributions of African Americans who fought at Port Hudson, Milliken's Bend, Olustee, Fort Pillow, Petersburg, Saltville, and Nashville. Other essays explore the recruitment of black troops in the Mississippi Valley, the U.S. Colored Cavalry, the military leadership of Colonels Thomas Higginson, James Montgomery, and Robert Shaw, African American chaplain Henry McNeal Turner, the black troops who occupied postwar Charleston, and the experiences of USCT veterans in postwar North Carolina. Collectively these essays probe the broad military, political, and social significance of black soldiers' armed service, enriching our understanding of the Civil War and African American life during and after the

Lydia Maria Child Lydia Moland, 2024-05-31 Now in paperback a compelling biography of Lydia Maria Child one of nineteenth century America's most courageous abolitionists By 1830 Lydia Maria Child had established herself as something almost unheard of in the American nineteenth century a beloved and self-sufficient female author Best known today for the immortal poem *Over the River and through the Wood* Child had become famous at an early age for spunky self-help books and charming children's stories But in 1833 Child shocked her readers by publishing a scathing book-length argument against slavery in the United States a book so radical in its commitment to abolition that friends abandoned her patrons ostracized her and her book sales plummeted Yet Child soon drew untold numbers to the abolitionist cause becoming one of the foremost authors and activists of her generation *Lydia Maria Child A Radical American Life* tells the story of what brought Child to this moment and the extraordinary life she lived in response Through Child's example philosopher Lydia Moland asks questions as pressing and personal in our time as they were in Child's What does it mean to change your life when the moral future of your country is at stake When confronted by sanctioned evil and systematic injustice how should a citizen live Child's lifetime of bravery conviction humility and determination provides a wealth of spirited guidance for political engagement today *Tales from the North and the South* Frances H. Casstevens, 2006-11-28 In June 1862 James J Archer was promoted to the rank of brigadier general by Robert E Lee Serving with distinction in prominent battles such as those at Bull Run Chancellorsville and Harpers Ferry this lawyer-turned general earned not only the respect of his superiors but the esteem and admiration of his men Imprisoned first at Fort Delaware and then at Johnson's Island Archer was one of the First Fifty and as it turned out only officers to be part of a Confederate Union prisoner exchange Upon returning to the Confederacy Archer resumed command and served until his death from battle wounds in October 1864 From doctors to lawyers and privates to generals this volume records the stories of a few special people such as General James Archer who chose to serve their country during the Civil War Twenty-four individuals from both sides of the Mason-Dixon line are remembered for their extraordinary and often little-known contributions to the Confederate and Union causes These include Colonel Thomas Rose who was in charge of the Libby Prison tunnel Colonel John R Winston who was one of the few to escape from the Federal prison on Johnson's Island Sally Tompkins who ran a private hospital in Richmond and Sergeant Richard Kirkland who risked his life to take water to the Federal troops at Fredericksburg Other featured individuals include Susie Baker King Taylor Colonel Hector McKethan Dr Mary Walker and Richard Thomas Zarvona Contemporary sources include a variety of correspondence and diaries from these subjects and those who knew them Appendices contain a roll of participants in the Great Locomotive Chase a list of Federal prisoners who escaped through the Libby Prison tunnel a directory of Confederate officers on board the *Maple Leaf* and the history of the

[Contested Valor](#) Cameron D. McCoy, 2023-11-16 Contested Valor is a challenging examination of the use and status of black Marines in United States military service during the Cold War era These pioneering men experienced contested military integration as well as multiple forms of institutional and social opposition which called their humanity manhood and rights to full citizenship into question Efforts to undermine their service compromised their right to be counted among the elite and sidelined their story to the fringes of Marine Corps and U S history Cameron McCoy describes the factors and pressures leading to the racial turbulence that surfaced in the Marine Corps from the end of World War II through Vietnam and the measures taken by civilian and Marine officials to maintain and restore organizational integrity based on a foundation of white supremacy He examines the psychological effects of institutionalized racism on African American Marines during the Vietnam era and the emergence of a new generation of black men unwilling to submit to the traditions of a Jim Crow Marine Corps By exploring the realities American society constructed about black Marines this work calls attention to the diverse ways in which these men coped within a strict prejudiced organization and found greater purpose as U S Marines despite an embattled image Contested Valor weaves the experiences of black Americans in the armed forces into the larger tapestry of the American racialist past and aptly captures the dilemmas triumphs and pitfalls that the first African American Marines encountered during the contentious eras of World War II Korea and Vietnam McCoy explores the creation of organizational policies designed to minimize their footprint as U S Marines until the social experiment of military integration faded and illustrates the discriminatory practices that further delegitimized their wartime reputation McCoy demonstrates that black Marines absence from the historical record has been compounded by the negligence and oversight of past historians as the Marine Corps reckons with its racist past and its first black Marines
