Blue Jeans And A Badge:

Blue Jeans and a Badge Nina Bruhns,2002 *Blue Jeans and a Badge* Nina Bruhns,Diana Duncan,2005 Dress and Popular Culture Patricia Anne Cunningham,Susan Voso Lab,1991 The subjects of the essays in this book range from looking at the ever changing means of specific garments and clothing practices of subcultural groups to examining dress as a reflection of changing life styles in American culture The essays also examine fashions fads and popular images Dress and Popular Culture hopes to shed new light on popular culture through a study of the associations of dress to culture *College Girls* Lynn Peril,2013-12-16 The author of *Pink Think* takes on a twentieth century icon the college girl A geek who wears glasses Or a sex kitten in a teddy This is the dual vision of the college girl the unique American archetype born when the age old conflict over educating women was finally laid to rest College was a place where women found self esteem and yet images in popular culture reflected a lingering distrust of the educated woman Thus such lofty cultural expressions as *Sex Kittens Go to College* 1960 and a raft of naughty pictorials in men s magazines As in *Pink Think* Lynn Peril combines women s history and popular culture peppered with delightful examples of femoribilia from the turn of the twentieth century through the 1970s in an intelligent and witty study of the college girl the first woman to take that socially controversial step toward educational equity *Blue Jeans And A Badge (Mills & Boon Vintage Intrigue)* Nina Bruhns,2014-02-28 The arrest should have gone off without a hitch Except that the sexy man in tight jeans Luce Montgomery had just nabbed was no bail jumping fugitive He was a cop And Philip O Donough was proving to be more trouble than her elusive target **Putting on a Play** Paul DuBois Jacobs,Jennifer Swender,2005 Contains everything you need to put on your own play with your friends including how to write a script design a set make costumes and act a part **Biography of a Chairman Mao Badge** Melissa Schrift,2001 An innovative look at the changing symbolic value of Chairman Mao badges from the Cultural Revolution to the present day Biography of a Chairman Mao Badge is a work of cultural history that contributes to our understanding not only of Chinese society but more generally of strategies people employ in responding to and transforming the meaning of propaganda campaigns and symbols **Electos** Jonathan Smith,2018-02-26 The Order of Electos is a secret organization that trains people to harness their magical abilities Follow along as fifteen year old Jacob Barak joins the Order seeking to purge evil from his world Jacob will have to face the struggles of training fighting demons high school and unseen threats that lurk closer than anyone could imagine With friends and colleagues at his side will Jacob be able to survive his freshmen year in high school and his first year in the Order **Decisions and Orders of the National Labor Relations Board** United States. National Labor Relations Board,1998 Rosa Sanguinem Nova Sgàil,2023-11-10 Stories are their trials Poetry is their woes They cry to our world begging for their voices to be heard What can save them from their heinous fate These tales of harrowing sorrows are words of the tribulations thrust upon them by cruel creatures of darkness The wickedly fiendish entities haunting them dragging them into an endless wretched despair Monsters fester and boil as they

find new ways to corrupt one's spirits filling doubts and anguish in their minds As their existence is brutally twisted into foul ways there is no benevolent mercy to be given Multiple worlds realms dimensions and realities collide together under the gaze of an unknown arcane force Nothing is ever what it appears to be Seems like death is lurking behind every corner Monsters cower behind tormented eyes leaving nothing but devastation in their wake Tearing them away from their sanity Betrayals of the tormented mind are trapped in their hellish misery Destruction of their desolate souls is nothing but a morbid game Never knowing the truth that evil hides in plain sight

Five Words to Determine Your Destiny Dan Klender, 2024-03-16 A man endowed with divine wisdom once wrote The words of the wise are like goads and the words of scholars like well driven nails given by one Shepherd Embedded in the biblical narrative are five words bequeathed to the church by Jesus and the apostles that serve as goads motivating Christ's bride to fulfill her God given destiny These five words represent the nexus of the Christian life as well as the tipping point between success or failure Carefully applied these five words will add sinews of spiritual strength and muscle tone to your walk with the Master Unapologetically biblical and pulsating with practical insight *Five Words to Determining Your Destiny* will embolden you to hover above the fray of a rapidly decaying world Personalize these words and you will find your life both now and in eternity

White Sororities and the Cultural Work of Belonging Charlotte Hogg, 2023-12-19 Charlotte Hogg takes a close look through the example of White university sororities at how we create and cling to subcultures through the notion of belonging and how spoken and unspoken rhetorics contribute to this notion Renewed calls to end Greek letter organizations for racism and sexism including increased scrutiny on White women's social justice failings have intensified But as Hogg shows rhetorics of belonging have always occurred amid and even in response to anti GLO sentiment She shows how rhetorical efforts by members for members foster belonging for insiders while also seeking to appease those on the outside In her analysis Hogg positions the study of rhetoric beyond traditional methods of persuasion to show how we communicate and participate in communities as citizens in subtle ways beyond speaking and writing Through engaging narrative drawing on her experiences as a member of a White sorority archival research and interviews with collegians and alumni she shows how efforts toward belonging can influence particular beliefs about womanhood in complex ways This thought provoking volume will interest scholars and students from a range of disciplines including rhetoric and communication studies gender studies feminism sociology cultural anthropology and history

The Quiet Threat Ronald L. Mendell, 2011 In the years since the first edition industrial and corporate espionage have not diminished There has been however an increase in awareness about the issues There are more graduate level programs in business and in security that are offering courses and training on intelligence gathering in the commercial sector Training in the protection of confidential documents and materials that forms a part of security certification programs has been updated With the large amount of outsourcing in the technological sector overseas information transfer and leakage continues to be a serious problem and as long as corporations see outsourcing as a way to

save money in the short term dangers will persist The security community will need to continue to pursue this issue politically and socially Accordingly the text focuses on these issues and gives the reader a real sense of how industrial spies are persistent and clever in circumventing defenses It examines both the defensive and offensive tactics necessary to fight industrial espionage Living with paradox should be the theme for the security professional and the book draws wisdom from political philosophers like Machiavelli to aid in that perspective A clear plan of action in dealing with industrial espionage in a fluid mobile information rich business environment is offered Two additional chapters cover the tradecraft of the industrial spy and the uses of data mining in gathering business intelligence An outline is offered for planning an intelligence campaign against a target and a sample strategic intelligence report about a business is included In addition there is also a glossary of terms related to industrial espionage These additional tools should increase a security professional's awareness of the corporate spy's mindset which is a major portion of the battle This book will serve as a valuable resource to security professionals in law enforcement and the business sector

an Octopus Rebecca Smith,2024-07-30 When the body of lecherous landlord Raj Sumal washes up on the beach it s up to Detectives Jim Paddon and Grace Brown to solve the mystery Virtual Destruction Kevin J. Anderson,Doug Beason,1996-03-01 At the Lawrence Livermore National Laboratory in California one of the nation s premier nuclear weapons design facilities high level physicists operate within heavy security to model and test new warhead designs But politics can be just as dangerous as the weapons they design and with gigantic budgets on the line scientific egos and personality clashes research can turn deadly When a prominent and abrasive nuclear weapons researcher is murdered inside a Top Security zone FBI investigator Craig Kreident is brought in on the case but his FBI security clearance isn t the same as a Department of Energy or Department of Defense clearance and many of the clues are sanitized before he arrives Kreident finds that dealing with red tape and political in fighting might be more difficult than solving a murder Written by two insiders who have worked at Lawrence Livermore Virtual Destruction is not only a gripping thriller and complex mystery but a vivid portrayal of an actual US nuclear design facility **Pop Art** Eric Shanes,2009-01-01 This book offers a radically new perspective on the Pop Art creative dynamic that has been around since the 1950s The book discusses the major contributors to the Pop Mass Culture Art tradition right up to the present including a number of artists who have never previously been associated with so called Pop Art but whose work showed a strong interest in mass culture The book reproduces in colour and in great detail over 150 of the key works of the Pop Mass Culture Art tradition allowing the reader to have a closer look and better understanding of these images *Heads I Win...Tails You Lose...* Donald Preston Whisenant,2014-10-09 After a broken leg ended his NFL dreams Bruce Wilder changed directions and landed as a top CIA operative in the Middle East Retiring from the company after two decades of service Bruce opened his own detective agency in his hometown of Dallas Two long time friends wound up in Dallas too one as the Assistant District Attorney and the other the Chief of Police When Bruce is hired by an insurance company to find the truth behind a top executive s murder he uses new high tech devices to hunt down a ruthless killer Follow him in this fast paced who done it with twists and turns and unexpected surprises and the one clue that continually eludes him This is a book you will remember *Badges, Guns and Love* Candi Murphy,2003-11 Jake and Cassie carry badges they carry guns and they fight crime together They are also secretly in love with each other The problem is their next assignment They have to go undercover in a big wedding resort across town and they have to let someone there marry them in order to get into the resort So now they must resist their secret desires despite the champagne and the flowers and every other honeymoon gesture offered by the resort For if they give into those desires not only will they be fired but it could possibly put one of their lives in jeopardy Can they resist all the romantic temptations while trying to find out who in the resort is selling drugs and killing brides for payment *Callahan Goes Rodeo* Susan Yawn Tanner,2024-04-11 Callahan and Dax become separated when the big gray cat inadvertently hitches a ride eastbound with a lady barrel racer named Malone who s off to her next pro rodeo competition When Callahan jumped into her trailer it was because he spotted

a stowaway in need a frightened young teen named Joss who doesn't want to talk about her injuries From the moment of their arrival in Georgia Callahan knows the sparks will fly between Malone Summers and the rodeo's Director of Operations Cade Delaney Those two have a history that somehow involved broken hearts It's clear to Callahan that Cade wants a second chance and Malone isn't willing But there are bigger things at stake when rodeo competitors start dying under suspicious circumstances And what's the story with Joss who is clearly terrified that the person she ran away from will catch up with her Callahan is determined to find out the answers and he's one cat who knows how to follow the clues and catch a killer

Previous version published as *Turning for Trouble* 2018 Praise for Susan Yawn Tanner's books Great story many plots the ins and outs of the rodeo and a cat who keeps it all straight The story flows you love the characters and hope that Cade and Malone finally will become a couple 5 stars online review A well written and tight mystery that will keep you turning pages late into the night 5 stars on Amazon This one is a winner 5 stars online review
