Blood On The Stars:

Call to Arms Jay Allan, 2017-01-27 War The word spreads throughout the Confederation the long expected Union invasion has come The enemy is strong their forces larger and more powerful than intelligence reports had predicted They have broken through the forward defenses sent the Confederation's proud fleets into an ignominious retreat Captain Tyler Barron and the crew of the battleship Dauntless are lightyears from the front lines at Archellia waiting for their damaged battleship to be repaired Their ship is only just operational but there is no time for more extensive work The Confederation needs every reinforcement it can get and Barron and his survivors board their vessel and rush to the battle lines When they get there they encounter nothing but fleeing ships and shattered fleets The Confederation is losing the war falling back steadily yielding system after system to the invaders The Union fleets continue inexorably forward seemingly immune to the supply constraints that have bogged down past invasions Dauntless finds herself trapped cut off from the rest of the fleet along with another Confederation battleship and a trio of small escort vessels deep behind the rapidly moving front lines Barron must make a choice Pull back try to find a way to get around the enemy to rejoin the fleet Or press on strike deep behind the enemy advance his small force alone far from help an almost suicidal thrust toward the Union's main logistical supply base and the one way Tyler Barron can think of to buy the fleet the time it needs to regroup To survive **Blood on the Stars**

understanding the star's appearing. But in addition, *The Lion Led the Way* also explores the men and events from a profoundly Jewish perspective. The traditional Jewish names of stars and planets, Jewish symbols as well as Jewish dates all seem to be keys to unlocking the mystery of the famous star. The star of Bethlehem was not the brightest of the heavenly lights nor was it the most spectacular starry manifestation of all time. However, it was part of the most meaningful set of celestial events in human history. The God of Israel is surprising. His ways are not our ways; his thoughts are not our thoughts. The star gives us a concrete example of God's intervention in the universe. Book website: www.starofbethlehem.info
