Blood Trails R.M. Yeager,2019-05-14 As worldwide law enforcement s facial recognition software improved by leaps and bounds criminal cartels around the globe scrambled to find a solution to defeat the new and improved identity system One cartel in particular using an unlimited pool of resources designed a foolproof way to give the underworld a new face Or so they thought Until a pair of twins and a small California high desert police department pulled the thread that would unravel their well oiled machine A gruesome murder would lead to a hidden surgical suite where missing migrants were used as tissue donors for clandestine facial reconstruction surgery A manhunt through the sage and cactus of the high desert would lead three detectives to a final showdown with a pair of ex military butchers hired by the cartel At least they thought the case was closed However the greed from within the organization would ultimately ignite a new flashpoint with the cartel s head man sending in a team of assassins and a beautiful woman hacker to erase both people and secret files Files kept of the cartel s surgical clients as they were before and after facial reconstruction It then became a race against time If the encryption on each file were broken and the files sent to Interpol then the cartel itself would become a worldwide target to every criminal with a new face

Blood Trails Alianne Donnelly,2015-10-10 The plan was simple show everyone how brilliant she really is Fast forward past everything going horribly wrong to where Hailey is now dying The only upside left is the gorgeous mind reader who seems to have trouble staying out of her most unguarded fantasies Too bad he s dragging her back to the one place she doesn t want to go The plan is never simple and this new assignment is making it painfully clear that normal is just not meant for Jeremy It couldn t be as easy as getting the impossible female back home No he has to play protector to a woman who doesn t want one doesn t need one and has a tendency to cause total chaos with one heated look But time is running out and the seemingly imagined threat is far more real than either of them anticipated When all comes down to a single choice which will it be A life worth living or one worth dying for
