Bloody Quarter:

Queering the Text Andrew Ramer, 2020-03-24 Queering the Text Biblical Medieval and Modern Jewish Stories grapples with traditional midrashim plays with homoerotic love poems from medieval Spain and envisions alternate versions of the present Inspired by the pioneering work of Jewish feminists using the same narrative tools as the rabbis of old Ramer has crafted stories that anchor queer lives in the three thousand year old history of the Jewish people Riding for the Brand Wes Walton, 2025-06-26 This second book of Riding for the Brand is for a different brand a different season or era After founding and directing Lone Tree Bible Ranch in southeastern Wyoming for forty years Bobbie and I moved to Arizona and planted a cowboy church called Fire Rock Cowboy Church with this new brand or logo a backward F connected to an R circled with a C The name Fire Rock comes from Matthew 3 11 and Luke 3 16 where John the Baptist says Jesus will baptize you with His Holy Spirit and with fire And the Rock comes from a message taught at Lone Tree where I encouraged young people to get out of the muck of their condition and stand on the rock of their position in Christ This entire book of life stories and messages is designed to encourage and inspire everyone to step out of religion and into a relationship with God Himself to get on this journey and experience of a lifetime Jesus told stories everywhere He went People could relate to His stories about fishing shepherding planting storms and climbing a mountain to get peace and rest He was about loving people where they were but loving them enough to stretch them beyond where they were To graduate to living equivalent to who Jesus says you are To start living out of their true identity To start experiencing a life of the impossible Let's start being the platform God can use to glorify Himself and honor Jesus **Rebel's Knot** Cryssa Bazos, 2021-10-16 Ireland 1652 In the desperate final days of the English invasion love blooms for a young Irish woman against a web of treachery loss and revenge A fey young woman ine Callaghan is the sole survivor of an attack by English marauders When Irish soldier Niall O Coneill discovers his own kin slaughtered in the same massacre he vows to hunt down the men responsible He takes ine under his protection and together they reach the safety of an encampment held by the Irish forces in Tipperary Hardly a safe haven the camp is rife with danger and intrigue ine is a stranger with the old stories stirring on her tongue and rumours follow her everywhere The English cut off support to the brigade and a traitor undermines the Irish cause turning Niall from hunter to hunted When someone from ine s past arrives her secrets boil to the surface and she must slay her demons once and for all As the web of violence and treachery grows ine and Niall find solace in each other's arms but can their love survive long buried secrets and the darkness of vengeance Rebel s Knot is the third instalment of the standalone series Quest for the Three Kingdoms is a B R A G Medallion Honoree and 2021 Discovering Diamonds Book of the Year This stunningly imagined historical romance is set against the backdrop of a vividly drawn setting a turbulent period in Irish history and the author writes about this period with fascinating details The writing is infused with realism and humanity and the characters are fully drawn and multi dimensional The Book Commentary Surviving Magnelia Monsoon Maggie Jansen, 2023-08-22 The seeds

of alcoholism are often planted deep in the shadows of childhood growing silently and unnoticed until it inevitably blooms into an active problem that can derail and destroy lives careers and families Surviving Magnelia Monsoon Beyond 1215 and the Bottle is a raw intimate and inspiring memoir vividly detailing the author's descent into alcoholism and how after decades of struggle she finally managed to reclaim joy love and family from the depths of a despair she d been sure would never end From a childhood that grew more and more dysfunctional as her parents marriage dissolved into tears raised voices and raised fists eventually ending in divorce and estrangement the narrative follows the author's struggles to feel safe or loved after her mother's departure to calm the chaotic storm left in her wake and to fill the growing emptiness threatening to swallow her whole with anything that might take the pain away or at least numb her to it for a while She manages to keep a mask of normalcy firmly in place for years more or less and build a near perfect life with a loving family of her own but with alcohol degrading its foundations a collapse is inevitable a collapse that will leave her with no choice but to get help or die buried under the rubble Contradicting the egregious and harmful stereotype of alcoholics being weak willed or lesser than this memoir showcases the incredible strength needed to even function under the weight of denial rationalizations and self loathing let alone accomplish anything as well as the fact that it is a disease that doesn't discriminate based on birth or circumstance It can affect anyone and does No alcoholic is truly alone in their struggle It is all too common But there is always a way out My Adventures Afloat Raphael Semmes, 1869 **Footsloggers** Peter Hart, 2023-06-01 Shortlisted for the 2023 Military History Matters Book of the Year Award The only way to truly understand what it was like to fight in the Second World War is to listen to the experiences of those men who were there And often there was nowhere more dangerous than on the ground In Footsloggers Peter Hart reconstructs one infantry battalion s war in staggering detail Based on his interviews with members of the 16th Durham Light Infantry Hart bears witness not only to their comradeship suffering dreadful losses and individual tragedies but also their courage and self sacrifice as they fought their way across North Africa Italy and Greece This is a human look at the inhuman nature of war from the author of At Close Range and Burning Steel
