Dunstan, 2022-05-05 All scholarship is a collective endeavour but this book and the context in which it was completed has taught us more about the necessities of collective intellectual work and its material and emotional conditions than we would have liked The COVID 19 pandemic and lockdown came to our cities just as we completed the first draft of the book but with a lot more work to do Even before the coronavirus we were conscious of the extent to which intellectual labour depends on other forms of labour often unacknowledged and provided by others What Do I Read Next? 00 V2 Gale Group, 2000-11 *The Native American in Long Fiction* Joan Beam, Barbara Branstad, 2003-09-29 A companion guide to the authors 1996 work *The Native American in Long Fiction* An Annotated Bibliography this supplement is a compilation of all identifiable novel length fictional works by and about Native Americans

With Blood in Their Eyes Thomas Cobb,2012-09-13 Winner Spur Award for Best Western Long Novel Western Writers of America and Southwest Book Award Border Regional Library Association On February 10 1918 John Power woke to the sound of bells and horses hooves He was sharing a cabin near the family mine with his brother Tom and their father Jeff hired man Tom Sisson was also nearby Then gunfire erupted and so began the day when the Power brothers engaged the Graham County Sheriff s Department in the bloodiest shootout in Arizona history Now Thomas Cobb author of Crazy Heart and Shavetail has taken up the story in this powerful and meticulously researched nonfiction novel What seems at first a simple tale of crime and pursuit takes on much greater meaning and complexity as the story traces the past lives of the main characters and interconnects them all leading back to the deadly confrontation that begins the book Cobb cunningly weaves the story of the Power brothers escape with flashbacks of the boys father s life and his struggle to make a living ranching logging and mining in the West around the turn of the century Deftly drawn characters and cleverly concealed motivations work seamlessly to blend a compelling family history with a desperate story of the brothers as they attempt to escape Grappling with themes of loyalty masculinity technology and honor this sweeping saga reveals the passion and brutality of frontier life in Arizona a hundred years ago Richly authentic and beautifully written With Blood in Their Eyes breathes dramatic new life into this nearly forgotten episode of the American West

Pray for Texas Cotton Smith,2000 Rule Cordell is one of a special breed of warriors spawned by the Civil War an expert with a Colt 44 He travels to bloody Texas and joins the band of guerrillas led by the wild charismatic Johnny Cat Carlson He thinks he is fighting to bring freedom back to Texas but Rule soon finds Johnny

Cat and his men are just outlaws out for all they can get Rule is ready to strike out on his own again but the road to freedom will lead him to some hard choices and tough trouble **The Trailsman #277** Jon Sharpe, John Edwards Ames, 2004-11-02 Fargo protects a passel of pretty pioneers In the rugged mountains of the Northwest Fargo comes across a group of unlikely travelers five mail order brides making their way through forbidding Hell s Canyon With warring Indians on all sides it s no place for a group of greenhorn girls to be on their own And when he learns they re headed for a town that doesn t even exist Fargo knows that whoever ordered the brides has something far more sinister than marriage in mind Now facing off against a gang of murderous dogs who want the women to satisfy their own depraved desires the Trailsman is going to hold his own bloody version of a shotgun wedding **Agnes Canon's War** Deborah Lincoln, 2014-09-21 Agnes Canon is tired of being a spectator in life a small town schoolmarm and an invisible daughter among seven sisters meat for the marriage market The rivers of her Pennsylvania countryside flow west and she yearns to flow with them explore new lands know the independence that is the usual sphere of men This is a story of a woman s quest for freedom both social and intellectual and her education on the journey to freedom She learns that freedom can be the scent and sound of unsettled prairies the glimpse of a cougar the call of a hawk The struggle for freedom can test the chains of power poverty gender or the legalized horror of slavery And to her surprise she discovers it can be found within a marriage a relationship between a man and a woman who are equals in everything that matters It s also the story of Jabez Robinson a man who has traveled across the continent and seen the beauty of the country and the ghastliness of war as he watches his nation barrel toward disaster Faced with deep seated social institutions and hard headed intransigence he finds himself helpless to intervene Jabez s story is an indictment of war in any century or country and an admission that common sense and reasoned negotiation continue to fail us As Agnes and Jabez struggle to keep their community and their lives from crumbling about them they must face the stark reality that whether it s the freedom of an African from servitude of the South from the North or of a woman from the demands of social convention the cost is measured in chaos and blood This eloquent work of historical fiction chronicles the building of a marriage against the background of a civilization growing and dying in the run up to civil war Renegade Siege Judd Cole, 1996 Born the son of a great chieftain Touch the Sky was raised by frontier settlers Though he returns to his father s people to protect his tribe he knows that without his help many of his white friends will be slaughtered like sheep For Touch the Sky s blood enemies have surrounded the pioneer mining camp with renegade braves and are preparing to sweep down on it like a killing wind If the mighty shaman can t hold off the attack the settlers will be wiped out and Touch the Sky s own camp will be next Heavenly Emperor of Myriad Realms Feng ShengDaPeng, 2020-05-10 Heaven and Earth devils ran rampant ghosts and bloodthirsty and he was well established in the world cultivating heaven defying techniques A word could be spoken day and night while a word could be spoken to cause stars to fall His words were like a myriad of curses and his gaze was like a curse It could intimidate all worlds and could end the lives of hundreds of millions of creatures I want all

already been laid before the public in several prominent journals The writer has taken pains in these letters to depict as truthfully as possibly his experience and impressions of this very interesting journey As the condition of that grand national enterprise the Pacific Railway was the principal subject of discussion by the tourists the facts thus evolved form of course the subject matter of the series As for the rest he has done his utmost to set forth how he and his friends passed their time during their trip of three thousand miles in a railroad car and what were his real feelings at the time His chief object in republishing these letters written originally for Forneys Press of Philadelphia has been to express in a collected and somewhat more durable form a slight tribute of his gratitude to the gentlemen of the company to whose general kindness and personal courtesy he is indebted for having passed as pleasant a month as it was ever his fortune to enjoy
