Beyond the Traveller's Gaze Giorgia Alù, 2008 This book offers a stimulating analysis of three non canonical texts in different genres written by British women who lived in Sicily in the second half of the nineteenth and the beginning of the twentieth centuries These texts cover a series of crucial political events as well as social and cultural changes which affected the history of Sicily during the period in question all seen through the direct and indirect experiences of the authors The book offers a historical perspective on the late Victorian and Edwardian representations of post Unification Italy At the same time the author challenges current critical literature on travel writing which tends to analyse travel texts without making substantial distinction between works written during a brief visit to a foreign country and those produced during a long term or permanent residence The book adopts an interdisciplinary comparative approach The three texts are studied by looking at patterns of connection in other written and visual works produced during or after an experience in Italy By drawing on theories of travel writing genre and gender along with visual and cultural studies the author aims to verify how the three texts respond to being analysed as a distinct group and hence define the specific roles and functions of expatriate women s writing

The Fatal Gift of Beauty: The Italies of British Travellers Manfred Pfister, 2023-04-12 This is the first anthology of British travel writing on Italy which traces the development of the genre and the history of the British perception of Italy from the Renaissance to the present As an anthologie raissonn e it presents the texts in thematic clusters and chronological order providing commentary and annotations for each of them and their nearly hundred authors some of them like Smollett Byron Dickens or Huxley well known others virtually unknown amongst them many unduly neglected women writers Further features are a substantial introduction to the travelogue and the writing of Italy more than thirty illustrations visualizing the British experience of Italy and an extensive bibliography of primary and secondary sources

Mike Corbishley, 2014-04-17 In a relatively short period of time the pursuit of archaeology has evolved from an antiquarian interest to a specialised scientific activity Part of this evolution has always included the interest of the public and archaeologists efforts to educate them As each new method and technique is developed and each new specialism is created the challenge of making archaeology available as a learning resource grows with it Today for example the issues which surround archaeology and heritage such as the pressures of tourism on sites now form part of many formal educational curricula This book the first to deal with the subject in such depth examines the place of education and outreach within the wider archaeological community Written by one of Britain s leading archaeological educationalists it charts the sometimes difficult and painful growth and development of education and archaeology Packed full of informative and enlightening case studies from the circus at Colchester to Sutton Hoo and Hadrian s Wall this work examines exactly how we have reached the point we are at where that place is and suggests areas for future development By drawing upon many decades of experience at the front line of archaeological education the author has produced a key text that will play a major role in the on going development of the heritage industry Publisher s website

The Old French Chronicle of Morea , 2016-01-28 Numerous Byzantine and Western sources describing the events of the Fourth Crusade have now been translated into English However the same is not true for material on Frankish Greece despite this region s importance to late medieval crusading The Chronicle of Morea is the key source for the history of the Frankish states established in Greece after the conquest of Constantinople in 1204 and their relations with the reviving Byzantine Empire during the 13th century It is also an important source for the growth of the Venetian maritime empire Most of the action centers on the Peloponnesus then called Achaia or Morea where crusaders William of Champlitte and Geoffrey of Villehardouin nephew of the famous chronicler established a principality and the Villehardouins a dynasty Preserved in a unique fourteenth century manuscript the Old French version of the Chronicle of Morea is a contemporary account of Frankish feudal life transposed onto foreign soil It describes clashes conquests and ransoms between the Franks and Byzantines as well as their alliances and arranged marriages A rich source the Chronicle of Morea brims with anecdotes giving insight into the operation of feudal justice the role of noble women in feudal society the practice of chivalry and the conduct of warfare Versions of the Chronicle exist in Aragonese Greek and Italian as well as in Old French However this is the first translation into English or any other modern language of the Old French text thus opening its content to a wider audience
