Alliances Revealed A Review Of The Alliances Edition Of Magic The Gathering

John Ayres

Alliances Revealed A Review Of The Alliances Edition Of Magic The Gathering:

Alliances Revealed George H. Baxter,1996-07 Pro player George Baxter gives his analysis of each card from the Alliances set in an organized and easy to read fashion Alliances Revealed describes the advantages of including individual cards from the Alliances set in tournament level decks and the benefits of those cards in different tournament environments Various card combinations and their value in tournament decks are identified as well as less effective cards not strong enough for tournament level play Mr Baxter diagrams sixteen powerful decks that include cards from the new Alliances set as well as the top decks from the 1996 U S Championships

The Tomes of Delphi 3 John Ayres,1998 Offers software developers a comprehensive guide to the Microsoft Windows application programming interface including the most common graphical Windows API functions from displaying graphics and user interface elements to bitmap and metafile creation and manipulation Color palette functions menu creation text output and regions and paths are also detailed An included CD ROM contains source code from the book a Help file for use within Delphi shareware freeware and other tools Annotation copyrighted by Book News Inc Portland OR

Baxter on Magic George Baxter,1996-09 Tournament champion and pro player George Baxter explains all the nuances and proper techniques of tournament level Magic play While most books on Magic The Gathering focus on strategy and deck construction Baxter on Magic is the first book to emphasize playing techniques With graphic illustrations of different playing situations readers will quickly learn the finer points of tournament playing style
